## James

Dispatchers received numerous calls and complaints about the driver of a black Nissan on I-75 Thursday night. Officers responded and were waiting on the suspect as he approached exit 81 Northbound. Sgt. Billy Hall was stationed at the exit with lights on when he was nearly struck by the suspect. The suspect came to the end of the ramp and was blocked by Dan Bell. At that time Sgt. Hall removed the driver as other units responded to assist.

John Darren James, 40, Steekee Creek Road, Loudon, was charged with DUI 3rd offense, leaving the scene of an accident, simple possession of marijuana, failure to appear, possession of

schedule IV xanax, possession of schedule IV ambein and violation of implied consent.

According to records, Thursday, around 8:15 pm, Sgt. Billy Hall, LCSO, was dispatched to a call in reference to a possible drunk driver on Interstate 75 north bound. The complainant was following the black Nissan Maxima giving updates of the vehicle's location. The complainant advised the possible drunk driver struck an 18 wheeler around the 80 mile marker and kept going. Sgt. Hall spotted the Nissan exiting the 81 exit at an extremely high rate of speed, well over 80 mph. He attempted a traffic stop at the end of the ramp and the vehicle tried to go around other vehicles and was finally blocked

in by Daily Edition Publisher Dan Bell.

Sgt. Hall approached the Nissan and removed the driver from the vehicle. He had a strong odor of an alcoholic beverage emitting from his person and red watery eyes.

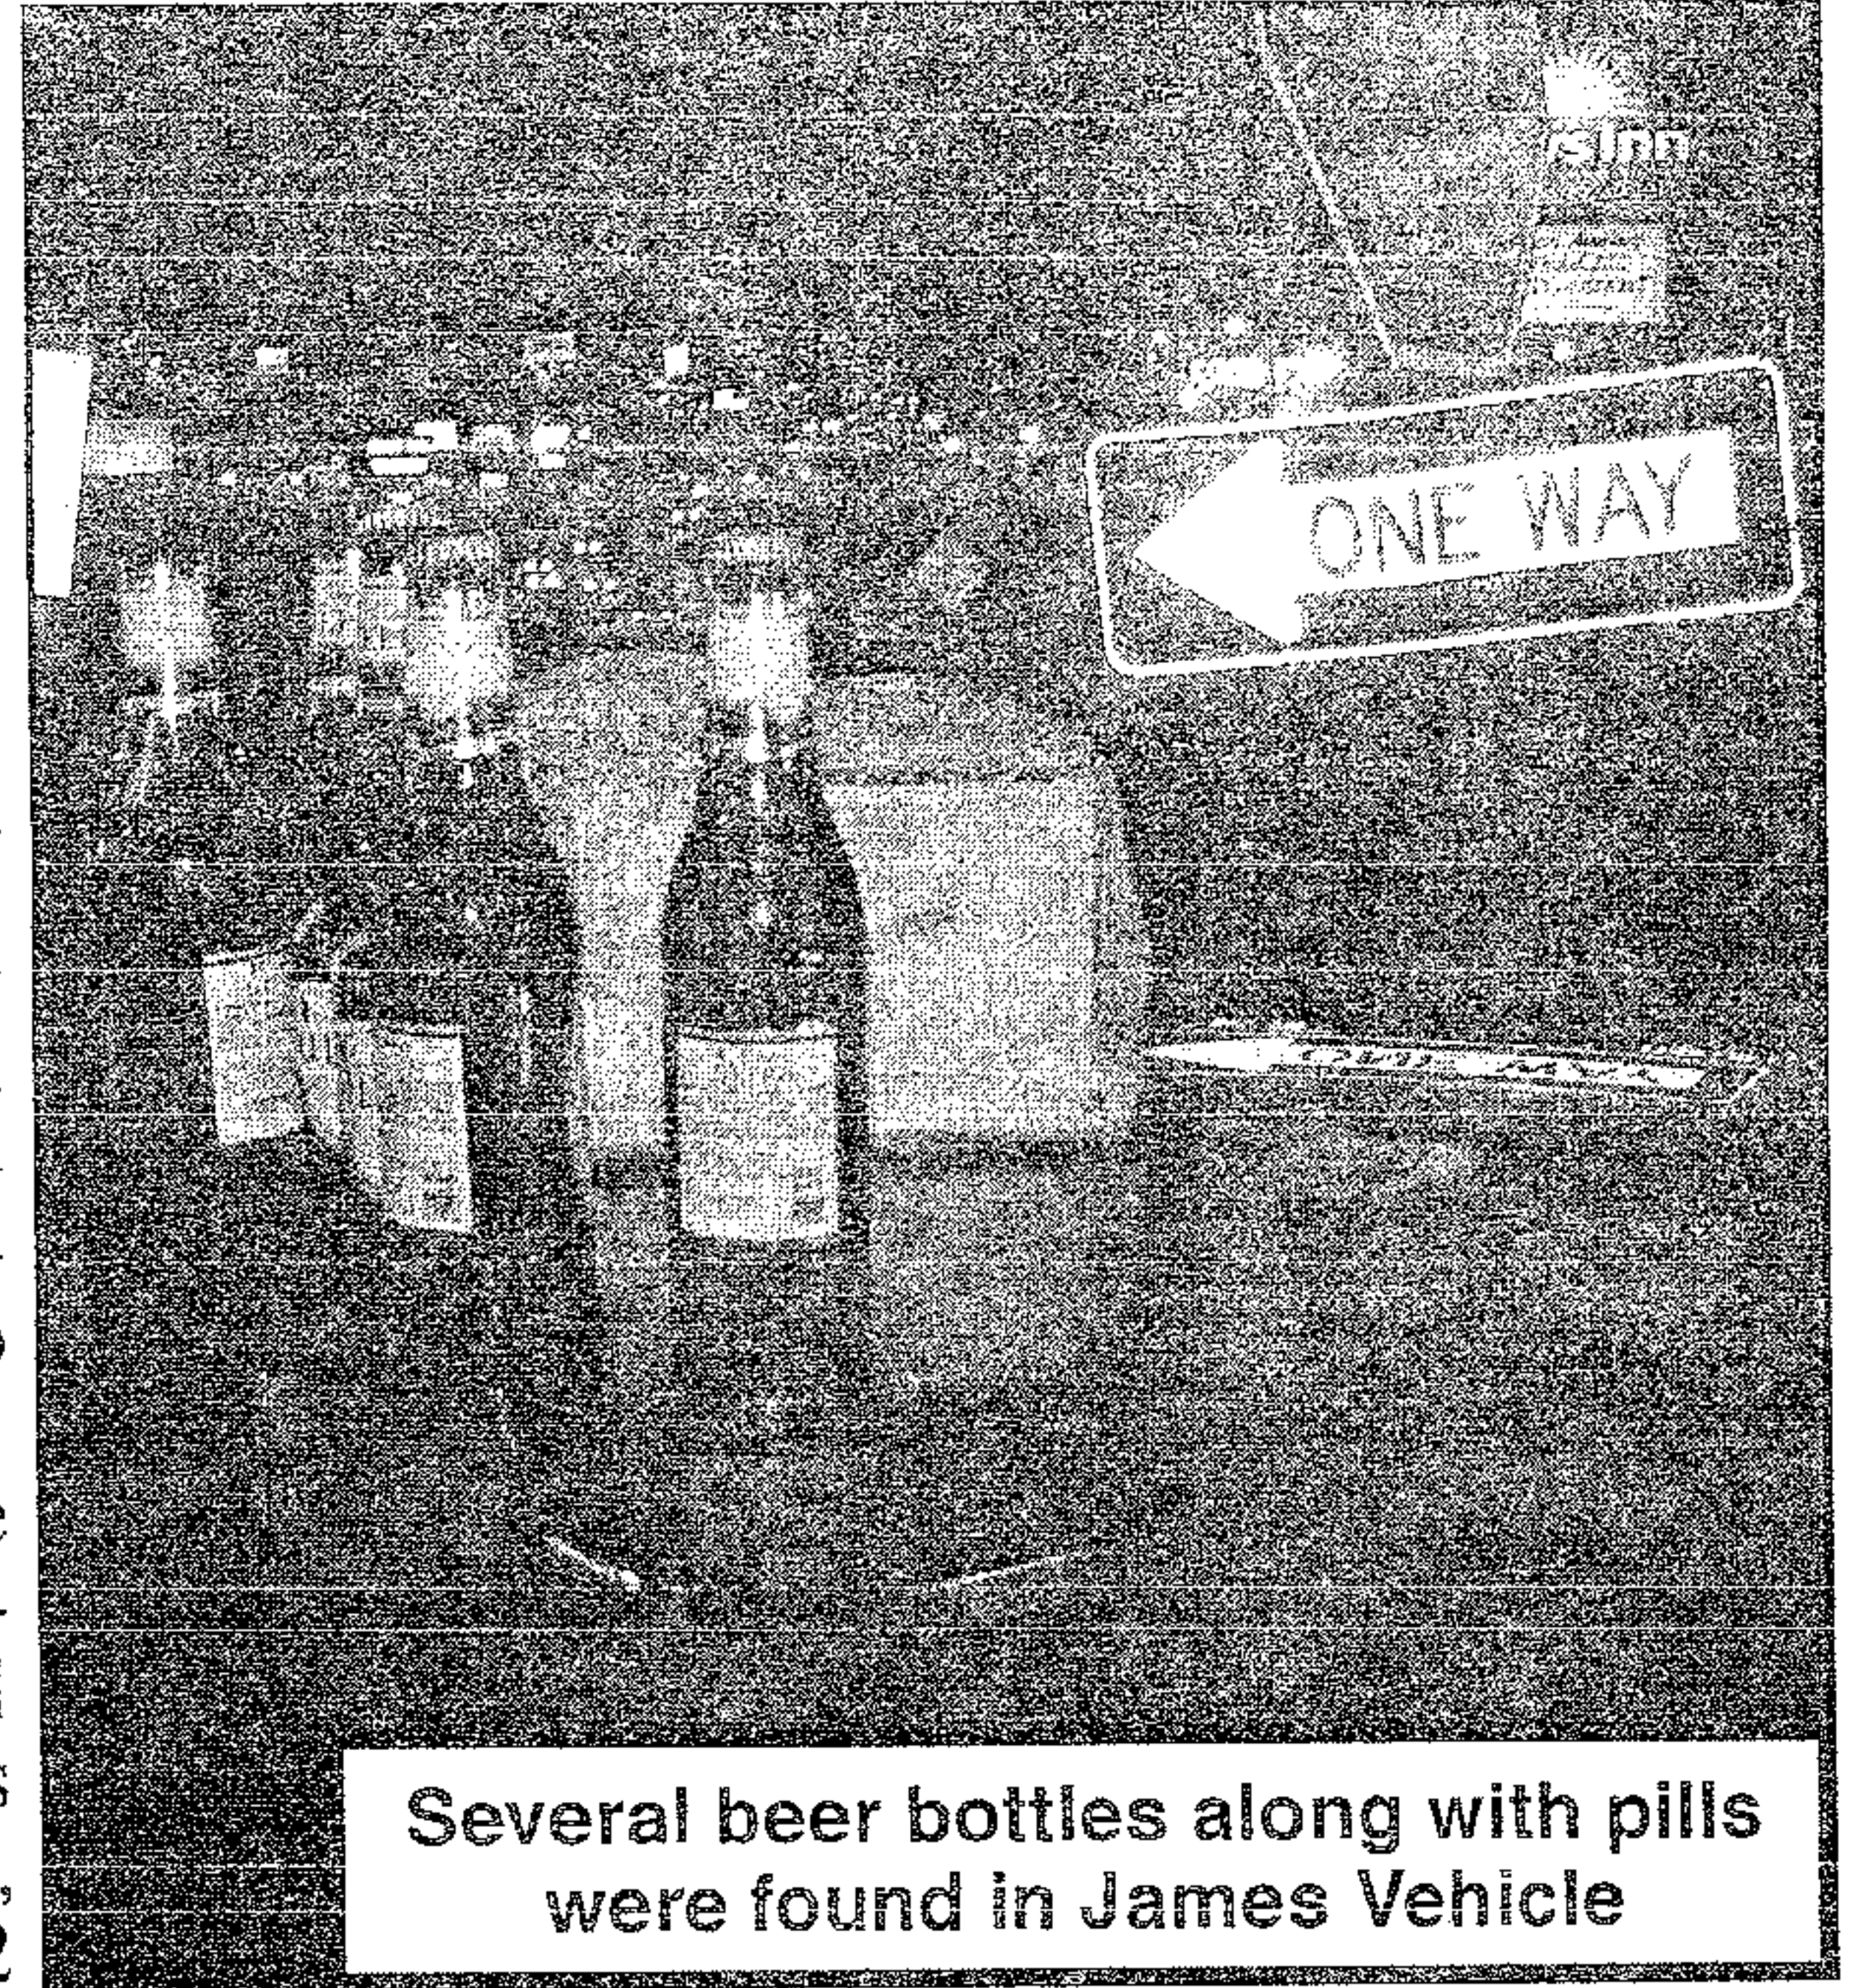

Hall identified him as John James and a check of his Tennessee drivers license showed they were suspended. Mr. James driving history showed he had two prior DUI's within the last 10 years. He did poorly on all field sobriety tasks. Mr. James was read the Tennessee Implied Consent advisement and he refused to give blood.

While doing vehicle inventory, Sgt. Hall observed a round blue pill in the seat, identified as 12.5 ambien. Also found, in the ash tray were 2 1/2

pills identified as xanax and a small amount of marijuana.

Mr. James admitted to hitting the 18 wheeler and leaving the scene. His vehicle had extensive damage on the passen-

ger side. The 18 wheeler involved, stopped at the scene and the damage to the semi was consistent to the damage on Mr. James car. Sgt. A.J. Yokley, LCSO, was also on scene.

Several beer bottles along with pills were found in James Vehicle
