report, Deputy Brian Smith, LCSO responded to Fisher Lane in Greenback Friday in reference to a domestic disturbance and upon arrival made contact with a Mr. McNeilly, who told him Joshua Shane Murphy tried to commit suicide in the past and had been violent before he arrived.

Deputy Smith entered the house to

speak to Joshua Murphy. He asked Mr. Murphy how he was doing and what had happened. Joshua stated he didn't want to talk to Deputy Smith, he wanted to speak with Mrs. Young.

Mr. Murphy seemed to get more aggressive with the officer at that time.

Mrs. Young was asked to talk to Joshua to calm him down. After he calmed down, Deputy Smith and Corporal Chad Es-

tes, LCSO convinced Mr. Murphy to go to the emergency room for a mental evaluation. On the way to Deputy Smith's patrol unit, however Murphy stopped on the back porch and said he didn't want to go.

Murphy reportedly ran off the porch and across a field. After a brief foot chase, Deputy Smith took Mr. Murphy to the ground and told him several times to stop resisting and give him his hands, but Mr. Murphy refused.

Corporal Estes came to Deputy Smith's aid and told Mr. Murphy several more times to stop resisting and put his hands behind his back and Murphy still refused. Chemical Agent Freeze + P (pepper spray) was deployed and Mr. Murphy still tried to get up off the ground.

The Greenback Fire Department and EMS were called for Murphy and Deputy Smith. After Mr. Murphy and Deputy Smith were evaluated for injuries, Joshua Murphy was taken to the Loudon County Jail and Deputy Brian Smith went to the ER to be checked for a head injury.

Championships

this year's event.

Sponsored by the Tennessee Wildlife Resources Agency (TWRA), many of the Volunteer State's best student archers will again participate in this year's event. The NASP began in Tennessee in 2004 and has seen tremendous growth since its inception.

There will be three divisions. Schools will compete in the elementary, middle school and high school divisions. Awards will be presented to the top team and individual finishers in each division. Competition will be held in six flights with the first flight to begin at 8:30 a.m. and con-

tinuing until the final flight starts at 4:30 p.m. The awards ceremony is expected to begin at 6 p.m. The public is welcome and invited to attend. There is no admission charge.

All three defending team champions will be present to defend their respective titles. Van Buren County High School, in addition to winning the high school division, was honored for posting the best overall team score in 2009. Bledsoe County won the middle school division category and Meigs County was first in the elementary school division.

Tennessee began NASP in late 2004 with 12 pilot schools

participating in the program. The number of schools has gone to more than 130 that now participate in the program. NASP is a two-week curriculum taught during school that teaches International style target archery.

Each student will shoot 30 arrows, 15 from 10 meters and 15 from 15 meters with a maximum score of 300. The top team and individual in each division automatically receive a bid to compete in the National NASP Tournament to be held in May in Louisville, Ky.

If a school or teacher is interested in starting a NASP program, please contact Don Crawford, Assistant Chief of Information and Education at Don.

TennCare Officials Move Quickly to Correct Problem Created by Mailing Error

NASHVILLE - An incorrect electronic file submission sent to TennCare's system caused information for some enrollees to be sent to incorrect addresses statewide. Approximately 3,900 enrollees were affected when letters and cards that contained one or more pieces of personal information were sent to incorrect addresses. The error was the result of a modification to the system that pulls addresses into an electronic file for TennCare. An error caused by the system modification corrupted the file.

Although there is no evidence that this information has been improperly accessed or misused in any way, TennCare is providing all affected enrollees one year of free comprehénsive identity theft safeguards provided by Kroll Inc. that includes continuous credit monitoring, as well as enhanced identity theft consultation and restoration

services. Enrollees whose personal information was affected will be notified by mail the week of February 22. Included in the mailing to affected enrollees, will be the type of in-formation that was disclosed - such as name, date of birth, and Social Security number - and detailed information on how to sign up for Kroll's identity theft safeguards that are being offered. The identity theft services are offered to affected enrollees free of charge. Enrollees need to review the mailing to understand the type

of services offered, sign up for the free services, and check their credit report on a frequent basis.

A dedicated call center will be available Monday through Friday, 8 a.m. to 5 p.m. CST, starting Mon-day, February 22, for enrollees who have questions about the mailing. The call center, operated by Kroll Fraud Solution Customer Service Specialists, will be able to answer further questions about the incident, and provide additional details about the identity theft safeguards being offered. The number for the call center is 1-877-309-0010. Basic information about the mailing is available on TennCare's Web site www.tn.gov/ tenncare.

Personal information of the affected enrollees was immediately corrected in the system, and the information was remailed to the correct addresses. Enrollees who received an incorrect mailing are urged to simply leave the letter or card in its original envelope and write "return to sender" on the outside of the envelope. No postage is re-guired. TennCare and the Department of Human Services, which helps provide eligibility determination services, have reviewed and strengthened the protocol to help safeguard against this type of system error. In the future, these file transfers will undergo more intense analysis and testing to ensure that accurate data is sent.
