Walmart Loss Prevention stopped Ms. Rogers to see what she had in her purse and discovered she

had tried to deprive the store of \$25 worth of merchandise.

Records indicate Ms. Burchfield was observed by Walmart Security selecting swimsuits from the women's department. She then went to the self check out with four suits and while checking out, Ms. Burchfield was observed scanning \$5 tags instead of the \$9 tags that were on the

swimsuits. Loss Prevention asked Burchfield to see her receipt after she'd passed all points of sale and the receipt didn't match up with the swimsuits that were purchased, depriving the store of a total of \$36.
