**Davis**

theft of property over \$1000, aggravated burglary and evading arrest.

The report states, around 5:00 PM, Saturday, Deputy James

Bowman, LCSO was at Weigel's on Highway 321 when he saw Robert Davis who had warrants against him in Loudon County. The deputy told Davis to stand with him while he verified the

warrants on him were still active.

While they were standing at the business, Davis reportedly took off running towards McGhee Boulevard and attempted to hide in the brush line. Then he took off running again, back towards Highway 321, where Officer Brandon Gentry, LCPD made contact with him in front of Walgreens.

Deputy Bowman told Davis several times to stop running before he was able to secure his arrest.

The warrants charging Davis with theft and burglary stemmed from an investigation into the May 31st, 2010 break-in of a local residence where Davis is accused of stealing a 52 inch Vizio flat screen TV and a Wii game system.

**Bradford**

City was charged Saturday with DUI 1st offense, violation implied consent and felony reckless child endangerment.

According to records, Deputy Petty, LCSO noticed a black Hyundai traveling on Martel Road at a speed of 48 mph in a 35 mph zone and stopped it in the area of 1001 Cress Lane. The driver was identified as David Bradford.

Mr. Bradford allegedly had a strong odor of an alcoholic beverage on his person and bloodshot eyes. He stated he had been drinking prior to being stopped and performed poorly on field sobriety tasks.

Mr. Bradford reportedly also admitted he sped up trying to get home, trying not to get stopped.

Records indicate a 3 months old infant was found in the back seat, whose wellbeing was endangered due

to Mr. Bradford's intoxication and speeding, which had placed the baby in imminent danger.

Bradford was read the implied consent law and refused to be tested.

**Dlubac**

was barefoot and falling down drunk.

Kathleen Theresa Dlubac, 48, Williams Road, Knoxville was charged Sunday with DUI.

According to records, Deputy Brian Smith received a call from Deputy Marty Branam, LCSO stating he was in the process of conducting a traffic stop and had a person in custody when he observed a gray Nissan back into a ditch behind him. The officer said he wanted someone to stay with the vehicle until it could be pulled out of the ditch.

Deputy Smith re-

ported upon his arrival he made contact with Ms. Kathleen T. Dlubac, who was sitting in the driver's seat of the Nissan with the keys in her hand. She told the deputy she backed her car into the ditch.

Dlubac's speech was very slurred and there was a strong odor of an intoxicant on her person. As Ms. Dlubac exited the car she was very unsteady while standing and walking, and she fell down. She refused an ambulance.

Deputy Smith asked her if she had been drinking and Dlubac stated she'd had one. He asked Ms. Dlubac if she would perform field sobriety tasks to determine if she was intoxicated and she

agreed.

While walking to the front of the patrol unit, Dlubac was still very unsteady standing and walking, and almost fell once more.

While performing field sobriety, Ms. Dlubac stated the pavement was very hot on her feet. The deputy reported he tried to find her shoes, but couldn't, and Dlubac had no idea where they were.

To prevent her further injury, Deputy Smith placed Ms. Dlubac under arrest. She was read the implied consent advisement while on scene and two more times while at the jail, but Ms. Dlubac stated she did not want to sign anything without an attorney.
