made several purchases valued at thousands of dollars after having his credit lines increased.

According to reports, Mr. Douglas Paul, Owasso Place, Loudon went to the Justice Center Tuesday to report he received correspondence from Sears stating his request for a credit limit increase was denied.

Mr. Paul advised he hadn't requested an increase so he ran a credit check through the three credit reporting bureaus and discovered unauthorized activity. He discovered his Best Buy account had been increased to \$4200 from \$3000 and a pur-

chase was made in the amount of \$4189. Mr. Paul also discovered an unauthorized purchase made at HH Gregg for \$9470, and another purchase was made at Sears for \$1564.

Mr. Paul did not authorize any of the purchases and they were done without his knowledge. Mr. Paul said he contacted Sears on September 9th and they advised the purchases were made in Orlando Florida and Atlanta Georgia on August 31st and September 1st. A fraud alert was placed

on his account.

Johnson

just occurred on Summer Street in Loudon. Dispatch advised a burgundy Ford Explorer left the scene of the assault and the driver was Christopher Johnson.

Shortly thereafter, a vehicle matching that description passed Officer DeBoer at a high rate of speed. Chris Johnson was behind the wheel and a female was in the passenger seat. The officer initiated his emergency equipment and attempted to stop the Explorer. The vehicle continued on Highway 11 north towards Sugarlimb Road.

The Explorer increased its speed to 80+ mph and passed numerous vehicles by crossing over the double yellow line in an attempt to evade law enforcement.

The vehicle continued on Highway 11 and Mr. Johnson increased his speed to 100+ mph, so Officer DeBoer determined the risk to the general public and the occupants of the Explorer were too great to continue the pursuit and terminated it.

A short time later, Mr. Johnson was seen traveling on Kingston Street in Lenoir City where he was stopped and placed into custody by Officer

Brian Smith, LCPD.

At the time of his arrest, Mr. Johnson had a strong odor of an alcoholic beverage about his person. He also had watery glassy eyes, slurred speech and was very unsteady on his feet. Johnson became belligerent following arrest, so for officer safety reasons and Mr. Johnson's inability to cooperate, field Sobriety tasks were not performed.

The passenger in the vehicle, by her own account and by statements made by Mr. Johnson, was not involved in the evasion and on multiple occasions told him to stop and she even attempted to jump out of the Explorer in fear for her life.

According to other affidavits filed by Detective Charles Cosner, LCSO-CID; on or about September 13th, 2010, Christopher Allen Johnson entered into the Giles Road residence of Mr. Thomas Robinson without consent and took several items belonging to Mr. Robinson including, but not limited to, a Flint Lock Pistol valued at approximately \$5000.

Johnson took the pistol to a pawn shop in Lenoir City and sold it. Deputy John Maples, LCSO served the warrants on Johnson Thursday at the Loudon County Jail.
