Left Behind

This past weekend Blondie and I went out on a hot date to dinner and a movie. (I say hot date because I believe I was looking pretty good!!) We wanted to see the new release of the movie "Left Behind" starring Nicholas Cage. I have never read the book series or watched any of the other "Left Behind"

movies so it was a first for me. Although my goal and purpose as a Christian is to allow Christ to use my life, my spoken and my written words to encourage as many people as possible to turn to Jesus, I have not spent a lot of time thinking about what will happen on earth

in the moments after we are called away to meet Jesus in the air.

So that I don't spoil the movie for anyone planning to go watch it for themselves, I will keep my description concerning the film pretty vague. You don't have to work at the Jiffy Lube to figure out that during the movie, Jesus returns for His church just as the Bible says He will and everything after that revolves around those who didn't have their names written in the Book of Life, those who had never accepted Jesus as their Lord and Savior.

As a Christian, it is comforting to know that I will not be present to witness the events on earth in the moments following the rapture if it happens to come during my lifetime, but just consider what every lost person will experience that day, in that moment.....

Imagine that in an instant, millions of people just dropped to the floor as if they had suddenly died. I believe Jesus is going to redeem the spirit of every believer and that our bodies will hit the ground like a dish towel. I don't believe that we will simply disappear, or that only our clothing will be left where we were standing. The Bible tells us that we will be given a new, spiritual body that is without blemish, which makes the one I am currently residing in "disposable".

At first, those left behind (imagine it's you) will think it is simply a medical emergency involving the people in front of you. Within

seconds, however, you begin to hear the sounds of cars crashing in the street, planes falling from the sky, and mass panic quickly ensues. The stock market will crash, the banks will close, cellphone traffic will be so busy that you can't get a call out to check on your family, the stores will be looted and the police will be overwhelmed.

Within a short period of time, you will discover what has really happened. It was true! That whole thing about Jesus being real and the end being near was really true! What's worse than discovering the Bible being true is that you now realize that you have waited about ten minutes too long. You didn't make the flight to glory..... You were Left Behind!

But wait!!!, you were planning to invite Jesus into your heart as soon as you got past this stage in your life! You were almost ready to make that

eternal decision! You had been reading The Good News, you had visited church with your friend, you were almost ready..... but it is now too late!!!!!! You were just Left Behind.

You may ask yourself if this is really a possibility. Is this really what will happen when Jesus comes back? Well, let's see what the Bible says:

Mathew 24:36-41 (NKJV) But of that day and hour no one knows, not even the Angels of heaven, but My Father only. But as the days of Noah were, so also will the coming of the Son of Man be. For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, and did not know until the flood came and took them all away, so also will the coming of the Son of Man be.

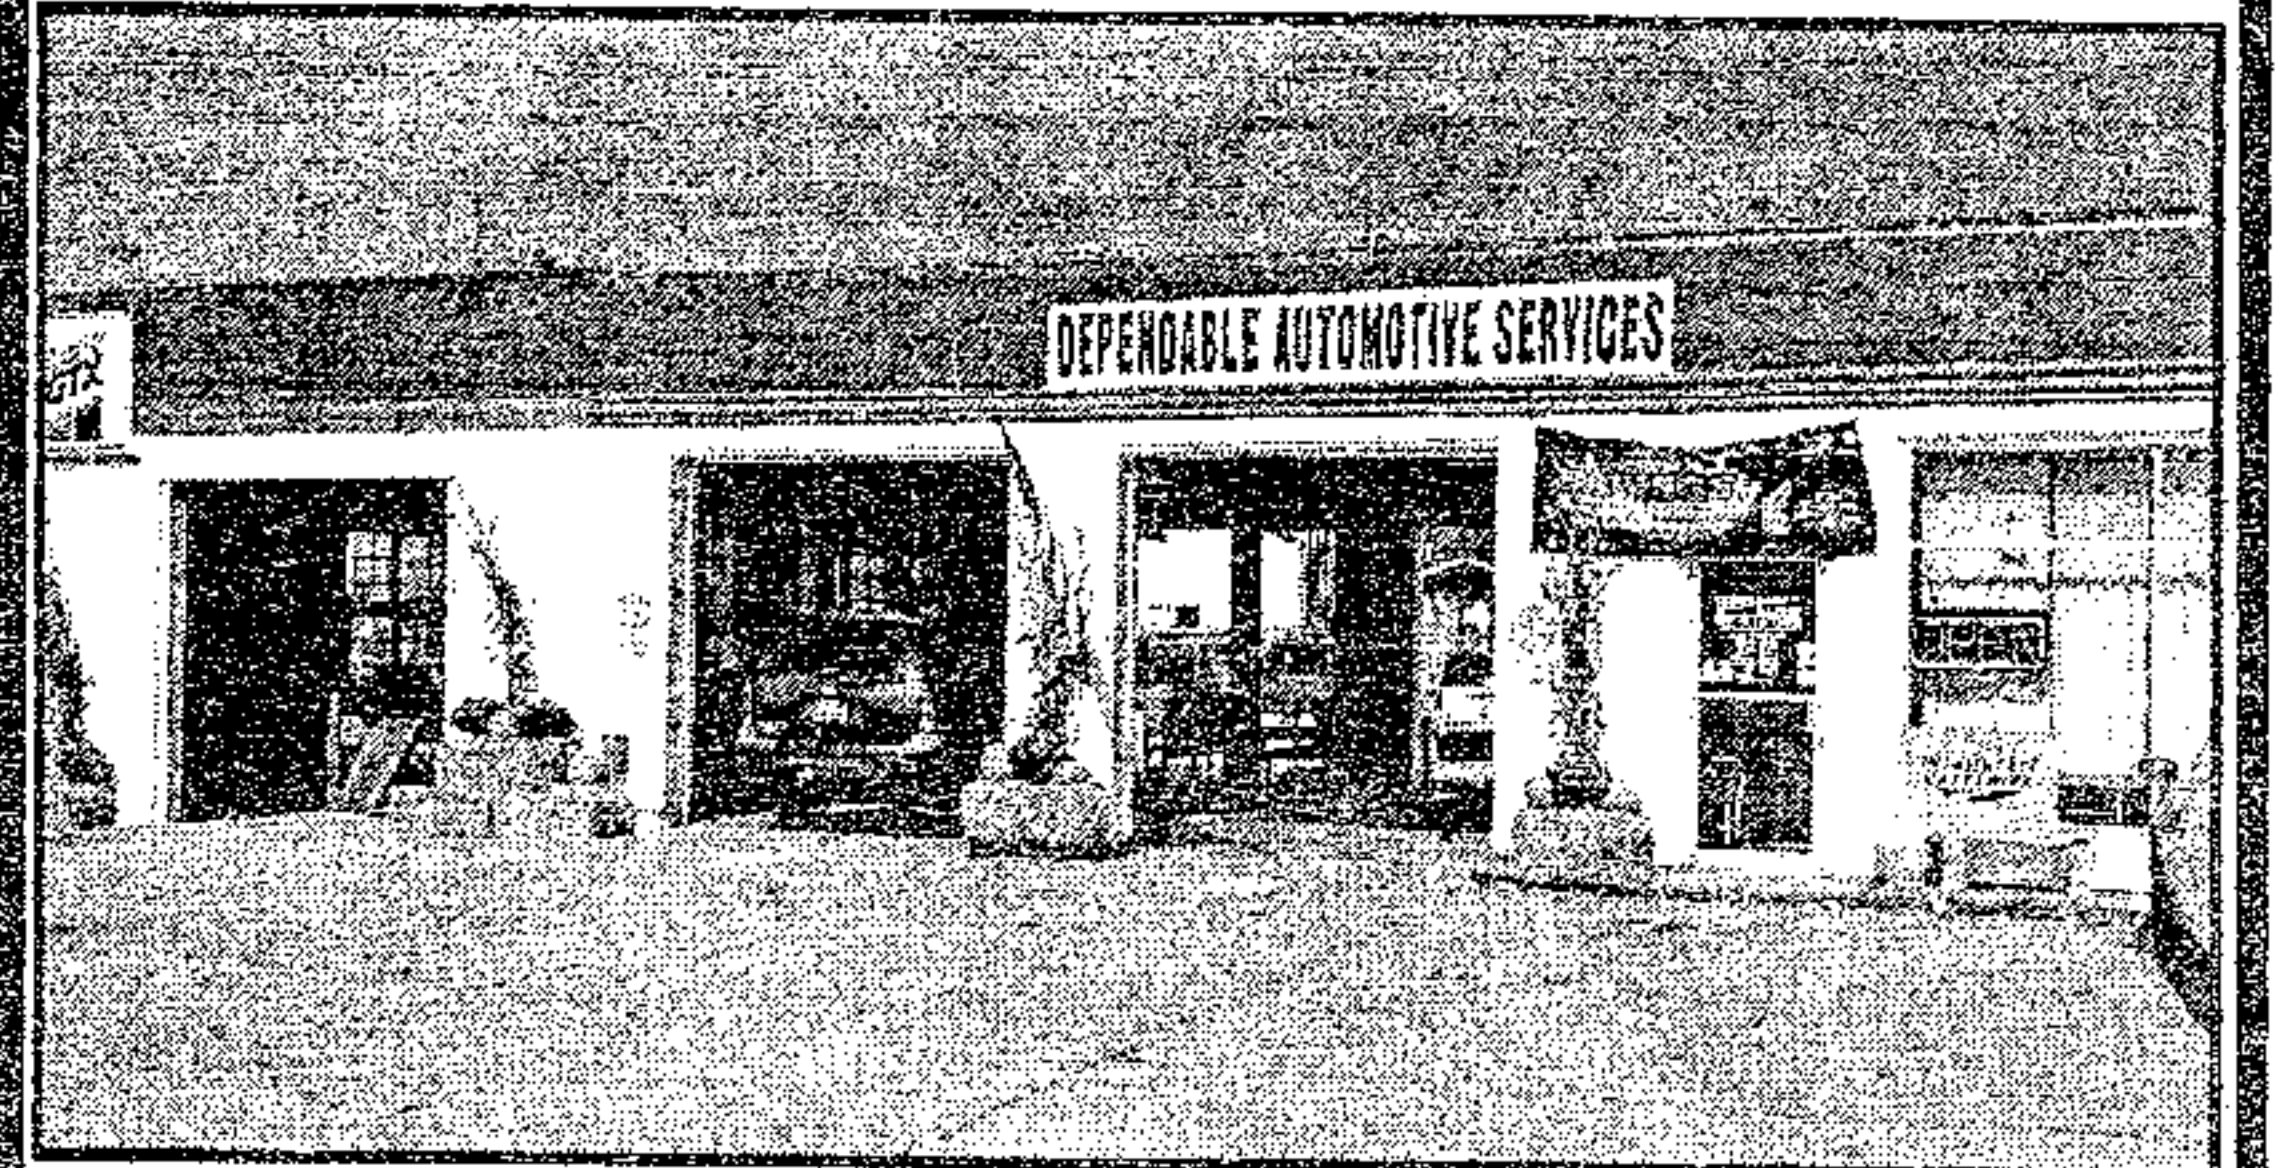

Then two men will be in the field: one will be taken and the other

left. Two women will be grinding at the mill: one will be taken and the other left. Watch therefore, for you do not know what hour your Lord is coming. But know this, that if the master of the house had known what hour the thief would

come, he would have watched and not allowed his house to be broken into. Therefore you also be ready, for the Son of Man is coming at an hour you do not expect.

Most of what happens in the movie we watched is exactly what we can

TGN conc. from pg. 4 expect. The Bible tells us what will happen, how it will happen and who will be going and staying. The only answer that we are not given is when. It has been a little

over two thousand years since Jesus explained this to His disciples and that is mere moments on God's timetable.

As I watch the things happening in our nation and around the world, I cannot help but wonder each morning..... "Will it be today? will it be tomorrow?"

Do you have a boarding pass for the one way flight to spend eternity with Jesus? Are you unsure whether your name is written in the Book of Life? Realizing that you were just Left Behind will be the least of your worries when you discover the eternal consequences of rejecting Jesus. It is not God's will that anyone perish, but that all may come to repentance. If you do choose to reject Him though, you will spend eternity in a place that

was designed for Satan and his angels, a place where the fire is never quenched.

The Bible tells us, "That if you confess with your mouth the Lord Jesus, and believe in our heart that God raised Him from the dead, you will be saved. For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation." (Romans 10:9-10)
