## Legion

High School students from Greenback, Lenoir City, and Loudon team up with leading Loudon County Officials to learn and understand what takes place in local government offices. The different local American Legion Posts take the lead in this event by making all the arrangements, coordination and scheduling for the day. The event starts at the Court House Annex in Loudon with introductions by county officials then the students divide and move to different county locations and offices. This allows students to get one-on-one knowledge what happens within county departments. Later the students move to Loudon High School for lunch followed by a session for listening and questioning keynote speakers of the day. At the end of the day students will then be dismissed to return to their High Schools with a better understanding of how their local County runs on a daily basis.

Anyone who desires more information about the events of the day can contact the writer James Patterson 423-836-1369 or Rich Gruber 865-271-8610.

## FBI

is known only as John Doe 28. In November 2012, online video of the man engaging in sexually explicit activities with a young boy was reported to the National Center for Missing & Exploited Children (NCMEC), an organization that works closely with the Bureau to stop child predators.

The video contains a brief image of the alleged predator, which investigators hope will lead to his identification—and the recovery of the exploited child. “Subjects who show their faces in child pornography are not typical,” said Special Agent Karen Jurden. “It is our hope that someone will recognize this individual and come forward. We were able to recover a very clear image of John Doe 28.”

Working with NCMEC, investigators in our Violent Crimes Against Children program have enhanced other details from the video that could be clues to help identify the suspect. For example, the video shows the individual and the victim inside a residence with what appears to be a blue chair and a picture hanging on a wall in the background. Someone familiar with the house might easily recognize the chair. Also, John Doe 28 is wearing wire-framed glasses and a burgundy T-shirt with a fish logo on it.

There are no details linking the suspect to a particular area, but Jurden said investigators believe he may be a U.S. citizen because he

speaks one word during the video—“careful”—which is in English.

“Sometimes we will get some type of identifier that narrows down the geographic region,” said Jurden, who has been investigating crimes against children for the last four years, “but that didn’t happen in this case. That’s why we are asking for the public’s help nationwide.”

The video is just over two minutes long and was recovered during the arrest of a San Francisco man on child pornography charges. “The video was part of his collection,” Jurden added, explaining that sexually explicit videos and images of children are often traded anonymously through online forums.

The efforts to identify and apprehend John Doe 28 are part of the FBI’s Operation Rescue Me and Endangered Child Alert Program (ECAP) initiatives and represent a longstanding partnership with NCMEC. Operation Rescue Me identifies child victims of sexual exploitation by using sophisticated image analysis to obtain evidence. ECAP seeks public and media assistance to help identify the John and Jane

Does who display their faces—and other distinguishing characteristics such as tattoos—in pornographic images and videos of children.

Since the inception of ECAP in 2004, 28 John/Jane Does have been investigated; 20 of these cases have been successfully resolved so far. These investigations have led to the identification of nearly 70 child victims.

We need your help. John Doe 28 appears to be a Caucasian male in his 30s or 40s who has a receding hairline and wears wire-framed glasses. Anyone with information should submit a tip online or call the FBI’s toll-free tip line at 1-800-CALL-FBI.

“We need to identify John Doe 28,” Jurden said, “so we can make sure no harm comes to that little boy.”

**THP**

Joshua Gregory, 30, Bright Lane Powell, was charged with DUI. Trooper Sgt. Jimmy Whitt, THP stopped a

vehicle for speeding and weaving off the right side of the roadway. Trooper made contact with the driver Joshua Gregory, who appeared to the troop-

er to be intoxicated. Joshua eyes were red and glassy, his speech was slow and slurred. Trooper could smell a strong odor of alcoholic beverage on his

person. Joshua was asked to perform sobriety test and failed Joshua was placed under arrest. Trooper Jimmy Whitt, made the arrest.

**Police beat**

Juan Nava, 32, Homeless, was charged with DUI, Driving on revoked license, Implied consent law, and Violation of probation.

Deputy Rondel Branam LCSO, was dispatched to a possible intoxicated driver on Hwy 11. Caller advised that a gray older Model vehicle was all over the road, nearly striking other vehicles, and had now pulled in to the parking lot of the Dixie Lee Shell Station. The caller advised that she saw a dark skinned male exit the vehicle and go in to the store then returned to the vehicle. As Deputy approached the Dixie Lee Shell he did see the Nissan parked at the gas pumps. Deputy was waiting in traffic to turn in the parking lot when he saw the driver exit the driver's

seat, stagger across the parking lot, knock over a standing ash tray, struggle with the door, then enter the business. Deputy noticed the male was wearing a black jacket and light colored khaki pants. Deputy entered the store and made contact with the male standing near the restroom, staggering, and had red watery eyes. Deputy asked the man if he had drank any alcoholic beverages and he stated "a little" and at that time Deputy did notice a strong odor of an alcoholic beverage coming from his person. Deputy asked the man for his identification card, he stated no I have to go "pee pee". Deputy asked the male to step out of the store so he could figure out what was going on, he stated no and then Deputy tried to escort him outside. At that time the man, later identified as Juan Gabriel Nava, became aggressive with officers and was placed under arrest for Driving Under The Influence. Due to Mr. Nava's state he was unable to have him perform standardized field sobriety. Mr. Nava was then transported to the Loudon County Jail where he was read the Hispanic Tennessee Implied Consent and he refused a breath test. After finding Mr. Nava's name and date of birth Deputy found that Mr. Nava's license is currently revoked for DUI and has a Violation of Probation Warrant out of Loudon County. Mr. Nava was found to have two prior convictions for DUI and one prior Driving on Revoked License. Deputy Rondel Branam LCSO, made the arrest.

Logan Chovinnard, Sweet Oaks Dr. Sweetwater, was charged with Driving on Revoked license, and Identity Theft.

According to the report, On 3/7/14 Trooper Ernest Marion THP, stopped Logan for speeding, at the time of stop Logan had no identification on him and gave a name of William and SS an DOB. A valid license came back to the name and DOB. A check of the name on the registration came back to Logan and suspended license. It was learned that Logan gave a family members names without that person knowledge. On 4/1/14 Deputy David Bearden LCSO, served a active Warrant on Logan at the Monroe CO.

Jail and transported to Loudon Jail.

**Police beat**

Anthony Peters, 25, Flanders Lane Knoxville, was charged with DUI. Deputy Chris Hutchens LCSO, while traveling on HWY 72 observed a subject at the intersection of HWY 72 and Prospect Church road lying in the ditch. The subject jumped up and shine a light at me, before turning around and quickly attempting to walk away. Deputy initiated my emergency lights and made contact with the subject who was then identified as Mr. Anthony Peters. Mr. Peters stated that he was coming from a friend's house and was driving home when he wrecked into the ditch. He also stated that his

tire had fallen off, and that it may have contributed to the wreck. Deputy could smell a strong odor of alcoholic beverage emitting from his person, his eyes were bloodshot and his balance was unsteady. Mr. Peters declined medical attention on multiple occasions. Mr. Peters stated that he had consumed a "couple" of drinks this evening. Mr. Peters was asked to perform standardized field sobriety tasks and he did perform poorly. Mr. Peters was then arrested and transported to the Loudon County Jail. Once here he was advised of the Tennessee Implied Consent law in which he did opt to provide a breath sample, resulting in a 0.145% BAC. It was discovered that Mr. Peters had lost control of

his vehicle and then ran off the road to the right narrowly missing a telephone pole, and down into a ditch stopping just short of the creek bed. Also, the tire that Mr. Peters had thought contributed was found to have come off of the truck upon impact into the ditch where the vehicle came to a rest. A friend of Mr. Peters arrived on scene while we were there and when

asked how many drinks he had, he stated that he had not had as much as Mr. Peters. Deputy Chris Hutchens LCSO, made the arrest.

Albuquerque Head, 34, Gravely Road Kingsport, was charged with Violation of probation. Deputy Jordan Samuels LCSO, served Mr. Head with a VOP Warrant at the Sullivan CO. Jail and transported him to Loudon Co.
