We were hosting a team of missionaries from Tennessee this past week.

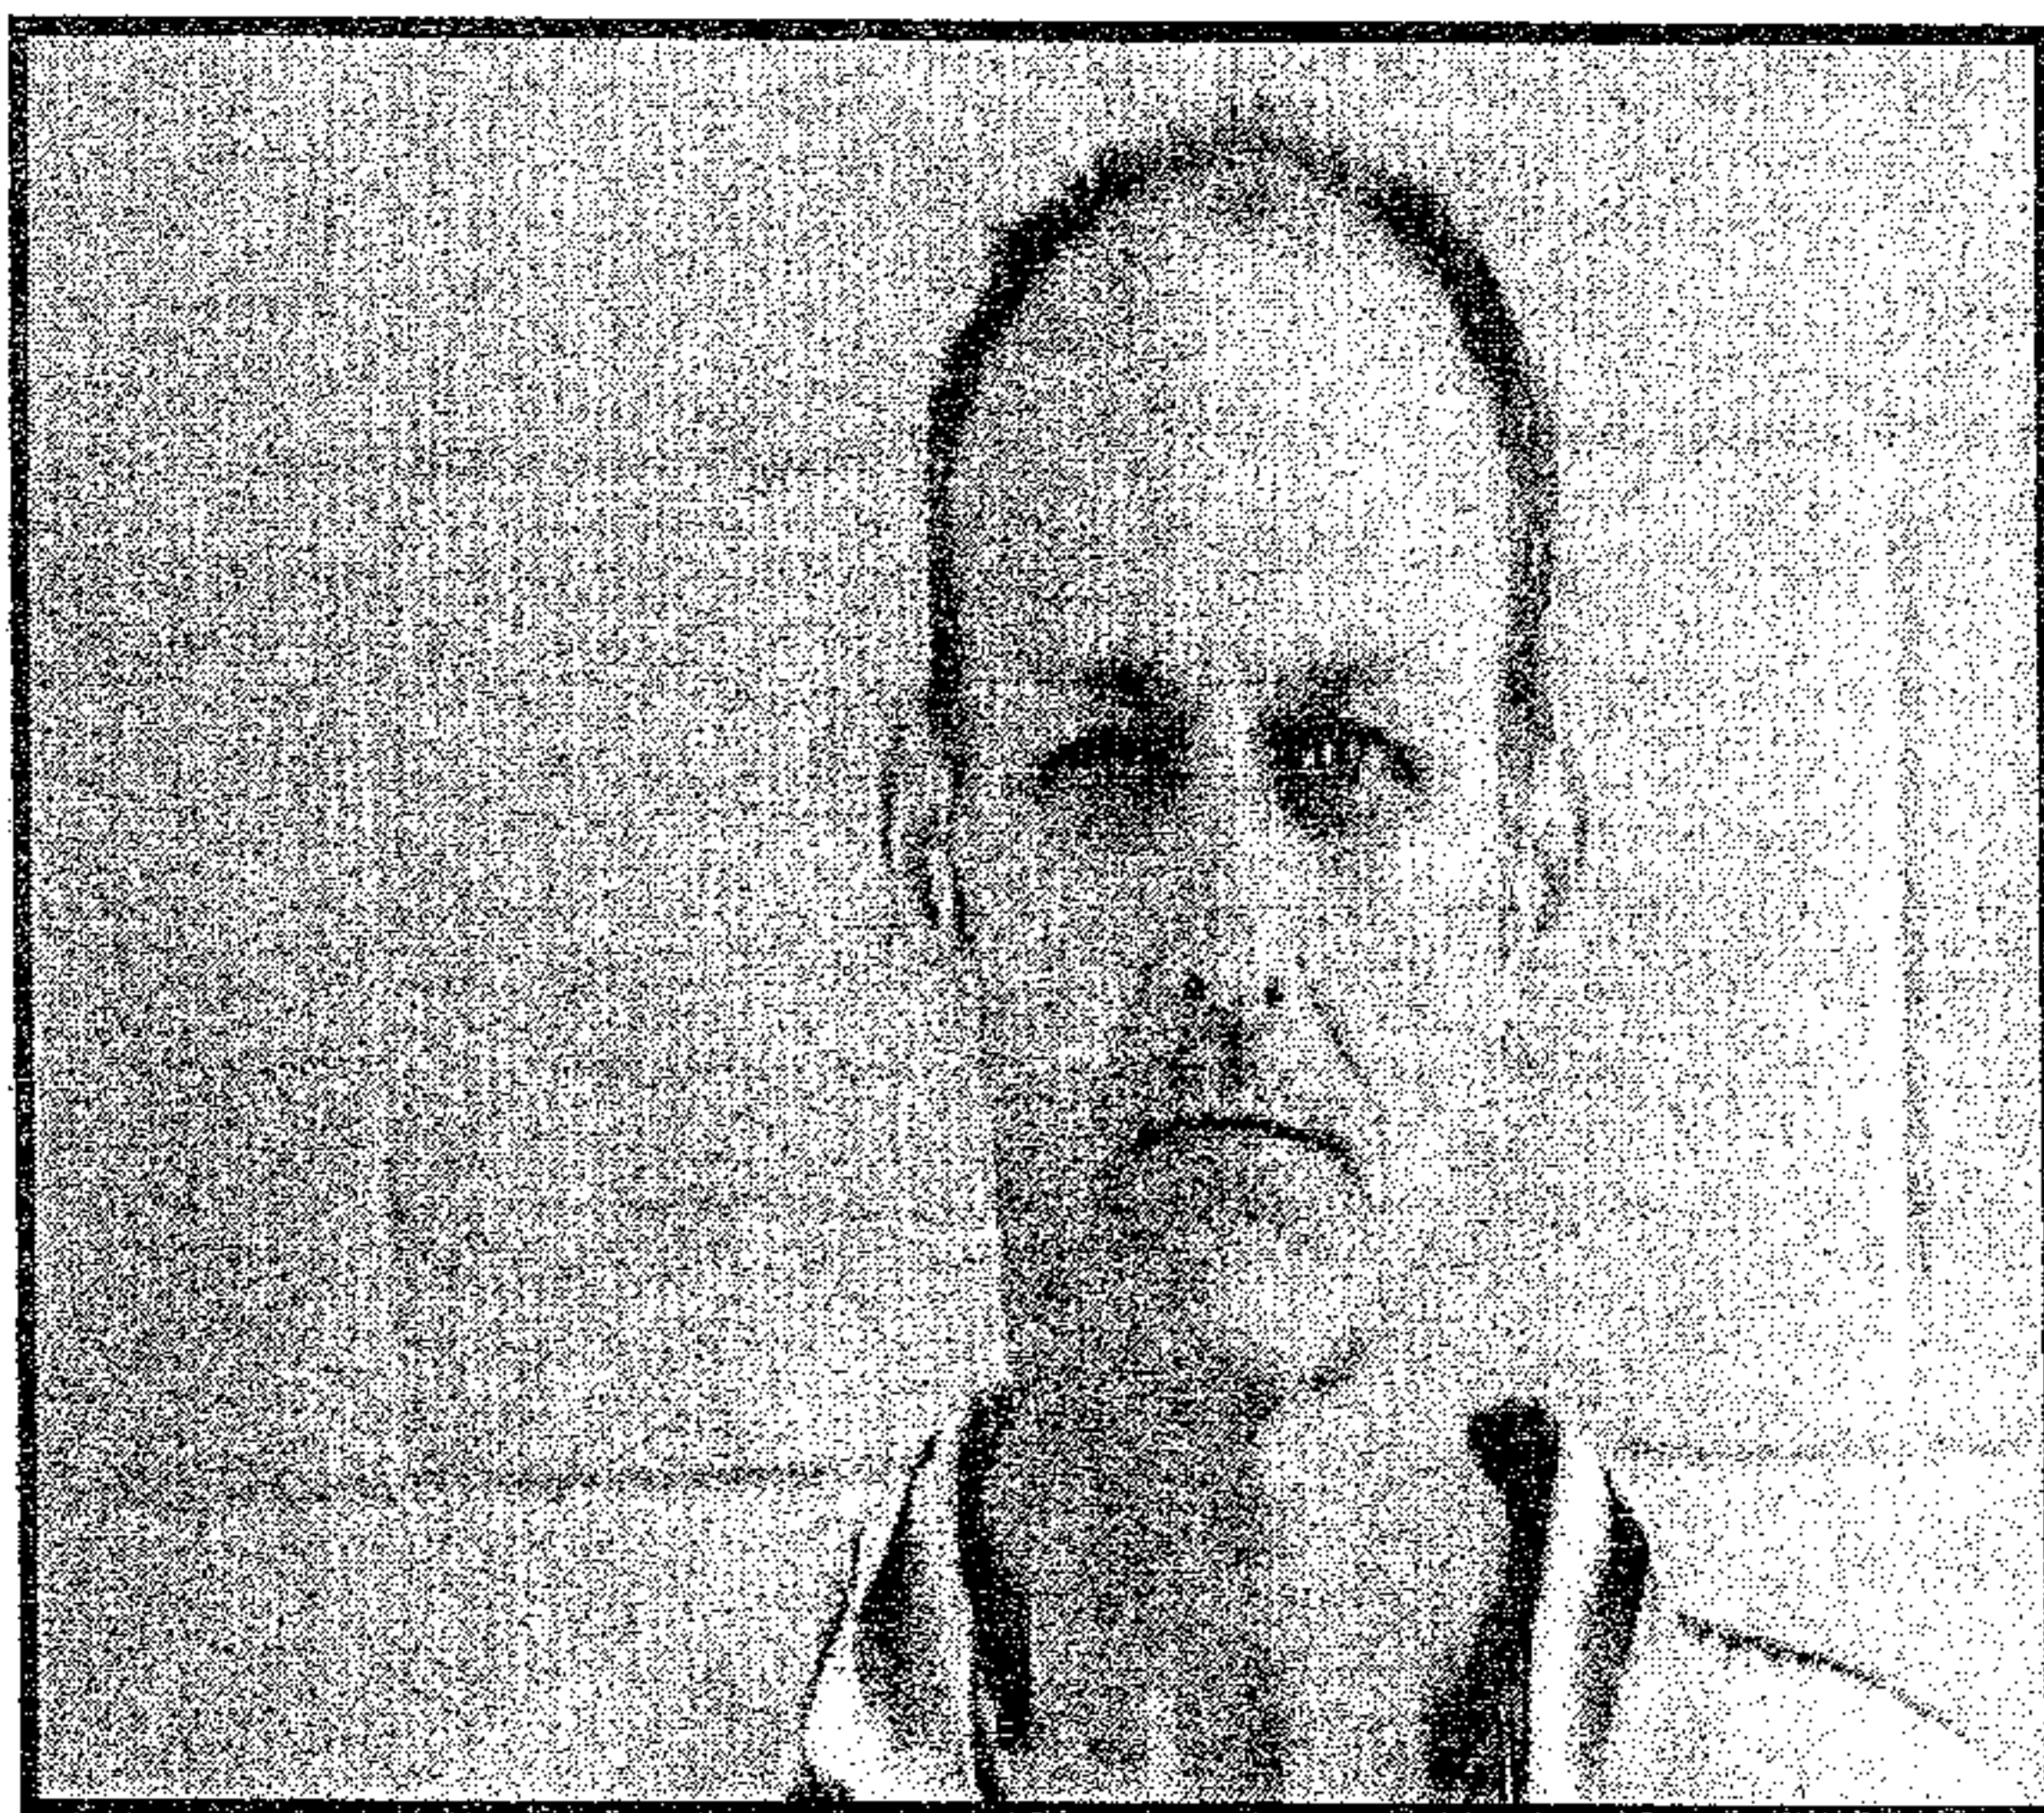

Much thanks to David Choate for helping us by writing the following article:

One of the first Bible stories that I can remember hearing at a young age was the story

of Noah's ark. I can also remember when my boys were young, they had been to Sunday school and in class they had colored a picture of an ark with a rainbow over the ark and in the foreground were Noah and the animals. In recent days, Hollywood has even made a movie

about the ark and the flood. I feel that it is important for us as believer's not to build our understanding of God's Word upon crayon drawings or Hollywood movies. We need to build our understanding of God's Word based upon our reading and study of God's Word. We each need to sit under the authority of a pastor that correctly teaches the Word of God.

The story of Noah and the flood can be found in Genesis chapters 6 ~ 9. I encourage everyone to find time this week to read that scripture. Many sermons have been delivered and books written on this scripture. There is no way that I could do justice to this entire section of scripture

in this brief article but there are a few points that I want us to consider.

The first point can be found in verse 1 of chapter 7, "And the Lord said unto Noah, Come thou and all thy house into the ark; for thee have I seen righteous before me in this generation." As I studied the passage the thing that stood out to me was "Come thou ...into the ark." God was not telling Noah and his family to "Go" but to "Come". If I wanted to meet you, I would not say, "Go and see me." I would say, "Come and see me." I would be asking you to come where I am. When God told Noah and his family to come into the ark. God was in the ark. God was asking Noah

to come where He was!

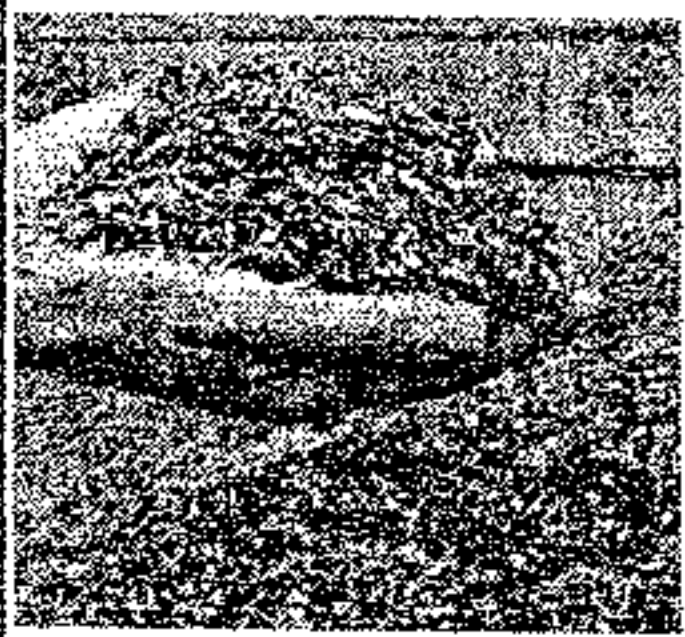

The second point is found in verse 16 of chapter 7, "And they that went in, went in male and female of all flesh, as God had commanded him: and the Lord shut him in." Did you catch that? After Noah and his family went into the ark, the Lord closed the door. Noah and his family were safely secured inside of the ark. Although there was destruction all around, the ones inside of the ark were with God Himself and they were safe and secure. I believe that during this journey there were times in which the ones inside of the ark may have slipped and fell down inside of the ark, but

praise God they never fell out of the ark! God securely had them in His presence.

How wonderful it must have been to have the safety and security of the ark when all around all life was perishing. Noah's safety and security was not based on Noah's strength or intelligence, but upon the strength and power of the one true God. What if when the ark had been completed God told Noah to drill 2 holes into the side of the ark for him and each of his family members? Then take wooden pegs and insert into each of those holes and when the rains come reach up and grab onto

just hoping to survive! Of course that is not how it happened. As we have already seen in the text, God brought Noah and his family into the ark and safely secured them for the journey.

There are some in our society that would like for us to believe that scripture concerning creation and the flood is nothing more than a story. We must understand that what scripture is revealing to us in these chapters really happened. Although this is a true historical account, it is also much more than that. This is an example of Old Testament scripture that is pointing to the coming of Christ

our Lord. Just as God prepared the ark as a vessel of deliverance for those that were righteous in His sight, God has prepared a source of deliverance for us today. The Bible tells us in the 3rd chapter of John in verse 16, "For God so loved the world, that He gave his only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." God told Noah that a great flood was coming and that the world would be destroyed. For 120 years Noah built the ark, but the entire time that he was building the ark he was also preaching to all that would hear about the upcoming destruction. Noah and his family trusted in

The Lord and they were all spared. But many heard Noah's message from God and failed to act. When the door of the ark was closed and rains began to come it was too late, they perished.

2,000 years ago, Jesus Christ, the Son of God, came and willingly gave His life on Calvary's cross for you and me. He was buried in a borrowed tomb and on the third day He arose victorious over death, hell, and the grave. Through Jesus Christ a vessel of salvation has been provided for us. In closing, I just want to leave you with a couple

of verses, for the Word of God can always say it better than I can.

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. (Romans 10:9)

For whosoever shall call upon the name of the Lord shall be saved. (Romans 10:13)

Larry Davis, 44, Spring Street Philadelphia, was charged with Criminal Impersonation, Driving on Revoked License, and Poss. of Drug Para.

Deputy Rondel Branam LCSO, observed a silver Buick Park Avenue traveling North on Interstate 75. The vehicle did have a blue flame coming from underneath it and when Deputy caught up to it Deputy paced the vehicle's speed to be 78 MPH in the posted 65 MPH speed zone. Deputy did stop said vehicle on Interstate 75 near the 81 mile marker where he made contact with the driver. The driver stated that his name was Jonathon Davis and his

date of birth was in December. A check of Mr. Davis' name and date of birth through NCIC revealed him to not have a license in Tennessee or Alabama, where he stated he had a license. Upon asking Mr. Davis what his name and date of birth was again, he stated that his name was Larry David Davis with a date of birth in Oct. A check of this name and date of birth revealed his license to be suspended out of Alabama. Sgt. Michael Watkins arrived on scene with his K9 partner Derro, and he deployed Derro for an air sniff of the vehicle. Sgt. Watkins advised me that Derro alerted to the odor of drugs in the vehicle. Deputy Branam, and

Sgt. Watkins did search the vehicle where we found a pink bag in the back seat with Mr. Davis wallet inside along with his Alabama Drivers License. Also in the bag were two plastic, hollow pen bodies with a white residue inside consistent with the consumption of narcotics. Mr. Larry David Davis was taken in to custody at the scene for Driving on a Suspended License, Criminal Impersonation, and Possession of Drug Paraphernalia. Mr. Davis was then transported to the Loudon County Jail. Deputy Rondel Branam
