### "No Plan B Needed"

I am a planner by nature. As a law enforcement professional responsible for the safety of myself and others for many years, as an outdoorsman who knows how unpredictable any outdoor scenario can be and even as a missionary to Montana; I generally plan out the details of each event in my life and then have at least one back up plan..... just in case.

I recently heard a pastor make a statement that has crossed my mind several times in recent days. He said, "God doesn't need a plan B". Have you ever considered that statement? God has a plan and He never has to change it, make adjustments or consider an alternate plan. God's plan has a purpose and it will

be accomplished His way and in His time. There are many times that God invites us to participate in His plan but we are never the deciding factor in whether or not it is accomplished. If God offers to use us to accomplish a portion of His plan and we fail Him, then He will allow someone else to step up and they will ultimately receive the blessings that we could have inherited..... but the plan never changes. God is sovereign in His goal to be glorified and when it is all said and done, we will ALL bow before Him and HE WILL BE GLORIFIED!

When God said He would deliver the children of Israel from Egypt, He did just that. God brought darkness, plagues, bugs and death to those who stood in the way.

He parted the Red Sea creating a safe escape for His people and then brought the sea down upon those who pursued them. He provided them food, water, shelter and direction throughout their journey and gave them strength to defeat every enemy when their faith was in Him. God made a promise to His people and He kept it.

The Old Testament is full of references to a Savior that would one day come to earth as our redeemer and offer Himself as a sacrifice for our sins. God had a plan even from the Book of Genesis to bring man back to Himself. God honored that promise a little over two thousand years ago when He sent His own Son to accomplish the plan. His name is Jesus and He told us that He came to do the will

of the Father. He told us that He came to seek and to save that which was lost. Jesus and God the Father are Two, yet they are One. After Jesus rose from the grave and ascended back to the Father in heaven, He sent the Holy Spirit to live within the heart of every believer and to "Teach us all things". God the Father, Jesus Christ and the Holy Spirit are Three, yet they are all One. This was God's plan from the beginning.

Sometimes we don't understand why bad things happen to good people and wonder how such things could be part of some "Plan". Here is a short story that might help:

John 9:1-7 Now as Jesus passed by, He saw a man who

was blind from birth. And His disciples asked Him, saying, "Rabbi, who sinned, this man, or his parents, that he was born blind?" Jesus answered, "Neither this man nor his parents sinned, but that the works of God should be revealed in him. I must work the works of Him who sent Me while it is day; the night is coming when no one can work. As long as I am in the world, I am the light of the world."

When He had said these things, He spat on the ground and made clay with the saliva; and He anointed the eyes of the blind man with the clay. And He said to him, "Go, wash in the pool of Siloam". So he

went and washed, and came back seeing.

In this short story we see that God allowed a guy to be born blind, and to remain that way for many years so that Jesus could one day walk by and display the power of God by healing him of his blindness. The Bible tells us that the blind man placed his faith in Jesus

that day which means he, and probably several others who knew him, are in heaven right now. Do you believe the blind man begrudges God for allowing him to be blind for so long before that day? I would dare say that he is thankful. He is most likely in heaven right now singing a familiar tune; "Amazing grace how sweet the sound, that saved a wretch like me. I once was lost but now I'm found, was blind but now I see!!!" God had planned for years to use this man's situation to bring glory to Himself and to save lost souls. God knew exactly what would happen and He didn't need a plan B.

Every aspect of God's original plan for this world has unfolded

just as the Bible said it would. If God's plan "A" has been consistent for over six thousand years now, wouldn't it be great to know what His plan is for the days ahead? Would knowing what God has planned for the future influence how you live today? Well you are in luck my friend because God has told us what His plan is and what to expect from it.

In closing today I am honored to share it with you right here, right now.....

John 3:16-17 "For God so loved (Insert your name here) that He gave His only begotten Son, that whosoever believeth in Him shall not perish, but have everlasting life. For God did not send His Son into the world to condemn the world, but that the world, through

Him, might be saved."

Revelation 20:15 And if anyone's name was not found in the Book of Life, he was thrown into the lake of fire.

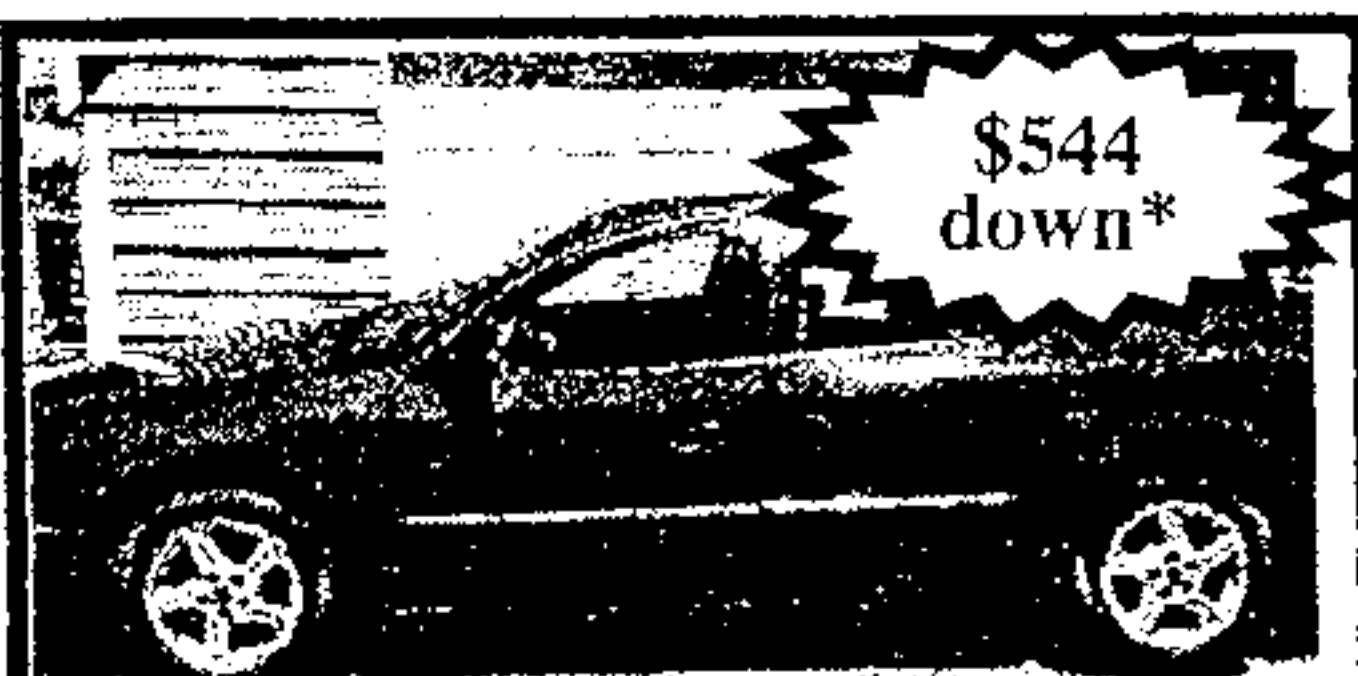

When our lives on earth are over or when Christ returns (whichever comes first) we will each be individually accountable for the decision we make concerning Jesus Christ and we will spend our eternity based on that decision. God's plan has always been to offer us salvation from our sins through faith in Christ. This is God's one and only plan for your life. Any deviation from that plan is on us and comes with eternal consequences.

As the pastor said and I believe it; "God always does what He says and He doesn't need a plan B".
