DUI

Investigator Russell advised me that the vehicle had ran off of the road to the right approximately five times and kept slamming on its brakes. For the safety of other motorists and the driver of said vehicle Investigator Russell stopped the vehicle on Fork Creek Road at the intersection of Calloway Road. Cpl. Branam arrived on scene and made contact with the driver and identified her as Victoria Renee Crews by her Florida Drivers License she provided me. There was fresh damage to the front drivers side fender of the vehicle.

Cpl. Branam also noticed that there was an eight year old female juvenile in the passenger side front seat of Victoria's vehicle that was not in a booster seat. Victoria was very unsteady on her feet, had watery eyes, had slow slurred speech, and appeared very lethargic. Cpl. Branam asked Victoria if

she had taken any prescription medications or illegal narcotics and she stated no to both. Cpl. Branam asked Victoria if she would perform field sobriety and she agreed. Victoria performed poorly on all of field sobriety and at that time she was taken in to custody for Driving Under the Influence. Cpl. did read the Tennessee Implied Consent Advisement to Victoria and she did consent to a blood test that was taken at the Fort Loudon Medical Center. After the blood test Victoria Renee Crews was transported to the Loudon County Jail where she was charged with Driving Under the Influence and Reckless Endangerment. Cpl. Marty Branam LCSO, made the arrest.
