on file with the U.S. District Court, explains that he corresponded via the Internet with an undercover law enforcement officer about having sex with a 12-year-old male. Burton also corresponded with the undercover officer who posed as the 12-year-old male and discussed the sexual acts in which Burton wanted to engage with the minor. Burton was arrested when he arrived at a hotel where the meeting with the minor male had been arranged to take place.

This investigation was conducted by the Knoxville Police Department Internet Crimes Against Children Task Force and U.S. Homeland Security Investigations. Assistant U.S. Attorney Matthew Morris represented the United States.

This case was brought as part of Project Safe Childhood, a nationwide initiative to combat the growing epidemic of child sexual exploitation and abuse launched in May 2006 by the Department of Justice. Led by U.S.

Attorneys' Offices and the Criminal Division's Child Exploitation and Obscenity Section, Project Safe Childhood marshals federal, state and local resources to better locate, apprehend and prosecute individuals who exploit children via the Internet, as well as to identify and rescue victims. ### Invasion

Police deputies received a call that a burglary was in progress at a residence near Beals Chapel Road, and the homeowner was still inside the house. The homeowner, secured behind a locked door, stayed on the phone with 911 officers as the subject entered the house by breaking a door. Deputies, K-9 Units, and CID personnel were on the scene within minutes and the suspect was unable to use his vehicle to flee. The suspect fled from the back of the house, firing a weapon as he exited. Only a few minutes later Schumaker was apprehended after an alert citizen called

911 to advise them they had been approached by him asking for a ride.

At the time of his arrest, Schumaker had a loaded Glock pistol in his possession, and upon being interviewed by Loudon County Investigators he admitted to firing the weapon, and also admitted to that burglary and at least two other previous burglaries in the county. Knoxville Police Detectives also interviewed him and he admitted to several burglaries in the Knoxville area. ATF was also contacted due to the weapon possession and Schumaker's extensive criminal history.

A Federal grand jury indicted Schumaker on

October 6 for the federal violation of possession of a firearm by a convicted felon.

Sheriff Guider noted the homeowner did all the right things during this incident, including staying behind a locked door and calling 911 with the movements of the intruder; along with the alert neighbor who was approached for a ride that also contacted 911. He also noted that both the fast response time by the Deputies, and the CID unit preparing the case quickly, allowed for swift indictment on this case through the U. S. Attorney's office.
