skilled musicians entertain with music from an era when swing was a "must" at every prominent social event. The ever popular Wine Grab Bag and the Heads or Tails Necklace game will be featured again this year. Silent and live auctions will offer a wide selection of items, and guests will enjoy wine tasting and food stations serving up a bountiful menu.

Tickets are \$100 per person and can be reserved through Denise at the Kids First Child Advocacy Center by calling 865.986.1505, by email at ddubrule@cac9jd.org, or by sending a reservation request and payment to the Child Advocacy Center, PO Box 928, Lenoir City, TN 37771. All major credit cards and Pay Pal are accepted.

Those who are unable to attend the June 2 event but wish to support the work of the CAC may designate their contributions to Kids First programs such as Therapy, Family Therapy, Operations, or to the Endowment Fund. The support of donors and sponsors is needed to help make the event a success and to further the CAC's mission

to "Heal the Pain of Child Abuse". Checks should be made payable to Child Advocacy Center. Donations may also be made by credit card and PayPal.

This year's fundraiser will focus on a child's voyage from victim to survivor. The overwhelming majority of children served by Kids First were victims of sexual abuse. Through the services of Kids First, highly trained and skilled professionals help abused and neglected children find the courage to tell their stories and to gain faith that their stories will be believed. In this way, children can experience healing from the pain of child abuse. They become free of shame and secrecy as they grow in understanding that what has happened to them is not their fault. They become free to flourish and to experience happy and productive lives. Their journey from victim to survivor.

Definition of Sur-vi-vor: "A child who endures adversity, moves through it, and perseveres; a child with resiliency who remains undefeated."

the frame was broken out. When Deputy talked with both victims they stated the following to me. That Diedra came to their home to visit with her children they have custody of. Diedra then went to the bathroom and when she came back out she appeared to be very intoxicated on something. Victim told the Diedra to leave because she was high on something and the Diedra became very angry. The Diedra then grabbed a steak knife and came after victim and Diedra then tried to stab victim. Victim 2 then got the knife from Diedra and pushed her out the front door and he then locked the door. Diedra then kicked the front door in. Diedra was very intoxicated on something and had several needle marks on her arms and feet. Deputy placed Diedra under arrest. When Deputy searched the defendants purse he found a syringe, a short straw used for snorting pills and the plunger from another syringe.
