## Help Us Find Them

National Missing Children's Day 2015

On May 25, 1979, 6-year-old Etan Patz disappeared while walking to his school bus stop in New York. Four years later, to honor Etan's memory and the memories of other missing children, President Ronald Reagan proclaimed May 25—the anniversary of Etan's disappearance—as National Missing Children's Day.

Tragically, however, children continue to disappear, and as we approach National Missing Children's Day 2015, the FBI would like to ask the public for its continued help in locating any of the young victims pictured above from our Kidnapping and Missing Persons webpage.

(see Children pg. 5)

### Verse of the Day

Of what use is money in the hand of a fool, since he has no desire to get wisdom? — Proverbs 17:16

### Obituaries

### Charged

Nathan Schaich, 33, Buttermilk Road Lenoir City, was charged with Contraband in a Penal Institution, Poss. of Drug Para., and Simple Possession.

Deputy Ben Everett LCSO, was dispatched to a suspicious vehicle at Baptist Health Care. Upon arrival Deputy came in contact with the vehicle parked in the parking lot with Nathan Schaich in the vehicle alone.

Nathan appeared to be nervous and began talking to himself. Deputy ask Nathan if he would perform sobriety test to make sure he was able to drive.

Nathan did poorly on test. Deputy while doing a pat down on Nathan noticed a large amount of items in Nathan pocket.

While clearing the pocket Deputy found a small amount of marijuana and a bottle with foil wrapped around it. Nathan was placed under arrest. While at the jail a more thorough search was conducted and a Suboxone wrapper was located inside Nathans wallet still containing one strip.

Deputy Ben Everett LCSO, made the arrest.

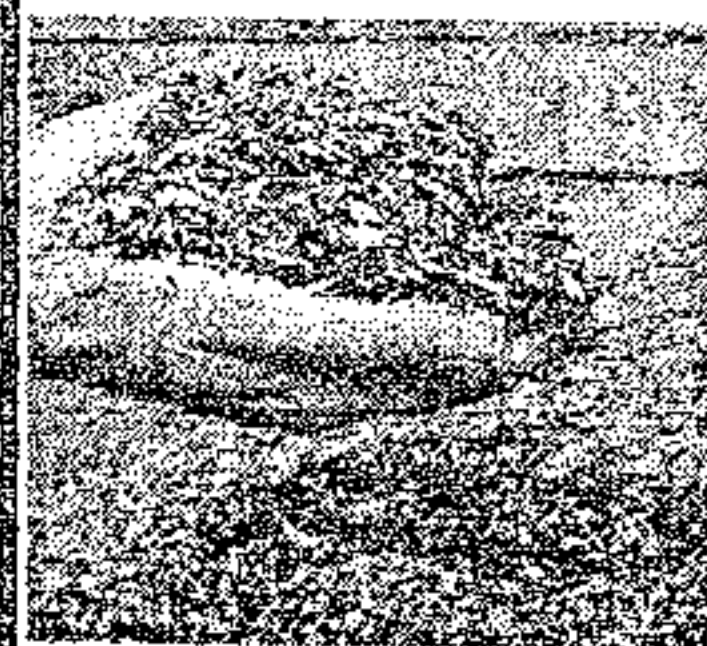

### Proposals Now Accepted for Tree Planting Projects

The Tennessee Department of Agriculture Division of Forestry is now accepting urban forestry project proposals through the Tennessee Agricultural Enhancement Program (TAEP) and the Urban & Community Forestry (U&CF) Program.

TAEP funds will be used to enhance the state of Tennessee through tree planting. "These TAEP-funded projects require that the trees must come from a Tennessee nursery," Urban Forestry resource specialist Brian Rucker said. "These activities support our nursery industry and provide clean air

### Meth

Barry Netherton, 47, Mayberry Road Crossville, was charged with Man, Sell, Del, Resale SCH. II, Simple Possession, and Resisting Arrest.

Beth Veit, 41, Corinth Church Road Loudon, was charged with Simple Possession, and Poss. of Drug Para.

Deputy Cody Fritts LCSO, observed a red vehicle traveling on Markwood Road. The vehicle had an expired registration. Upon stopping the vehicle Deputy identified the driver as Barry Netherton and the passenger as Beth Veit. Barry was found to have a warrant out of Cumberland Co. Deputy as Barry if he could search the vehicle and Barry gave consent to search. Deputy as Barry if he had anything illegal he stated no. Upon performing a pat down Barry empty his pocket a clear plastic bag was found in Barry left hand, Deputy told Barry to drop it and he closed his fist and began to resist and run toward his vehicle. Barry tried to throw the baggy. Deputy took Barry to the ground and put him in custody. Deputy found in the clear baggie a clear crystal substance believed to be Crystal Methamphetamine. Found inside Barry wallet was a suboxone strip. Upon searching Beth purse there were three straws with a white powder residue on them, one marijuana blunt, and two digital

scales. Both were taken into custody. Deputy Cody Fritts LCSO, made the arrest.

### Tree ctd. from pg. 3

and water, stormwater control and aesthetic values to our communities.”

U&CF funds support all other urban forestry related projects. Projects that address ordinances, inventory and

management planning, advisory organization and staffing of an urban or community forestry program will be given priority. Other projects for education, training, printed materials, and travel to state and national urban forestry conferences are also accepted. Local governments, private non-profit organizations and educational institutions

are eligible to apply.

The Division of Forestry will also accept proposals to fund urban forestry staff positions. If accepted, the agreement will be for three years on a sliding scale and dependent on available funds from the USDA Forest Service.

An information packet is available on request. The packet includes additional details on the grant programs, the types of projects accepted, application forms and proposal instructions.

Proposals must be received in the Nashville office of the Division of Forestry by 4:30

p.m. on Friday, June 19, 2015.

For an information packet or questions about the urban forestry grants, contact:

Middle Tennessee - Brian Rucker at 615-837-5439 or brian.rucker@tn.gov

East Tennessee - Tom Simpson at 865-908-4434 or tom.simpson@tn.gov

West Tennessee - Shawn Posey at 901-754-5185 or shawn.posey@tn.gov

The U&CF funds are provided by the USDA Forest Service and are administered by the Tennessee Department of Agriculture Division of Forestry.

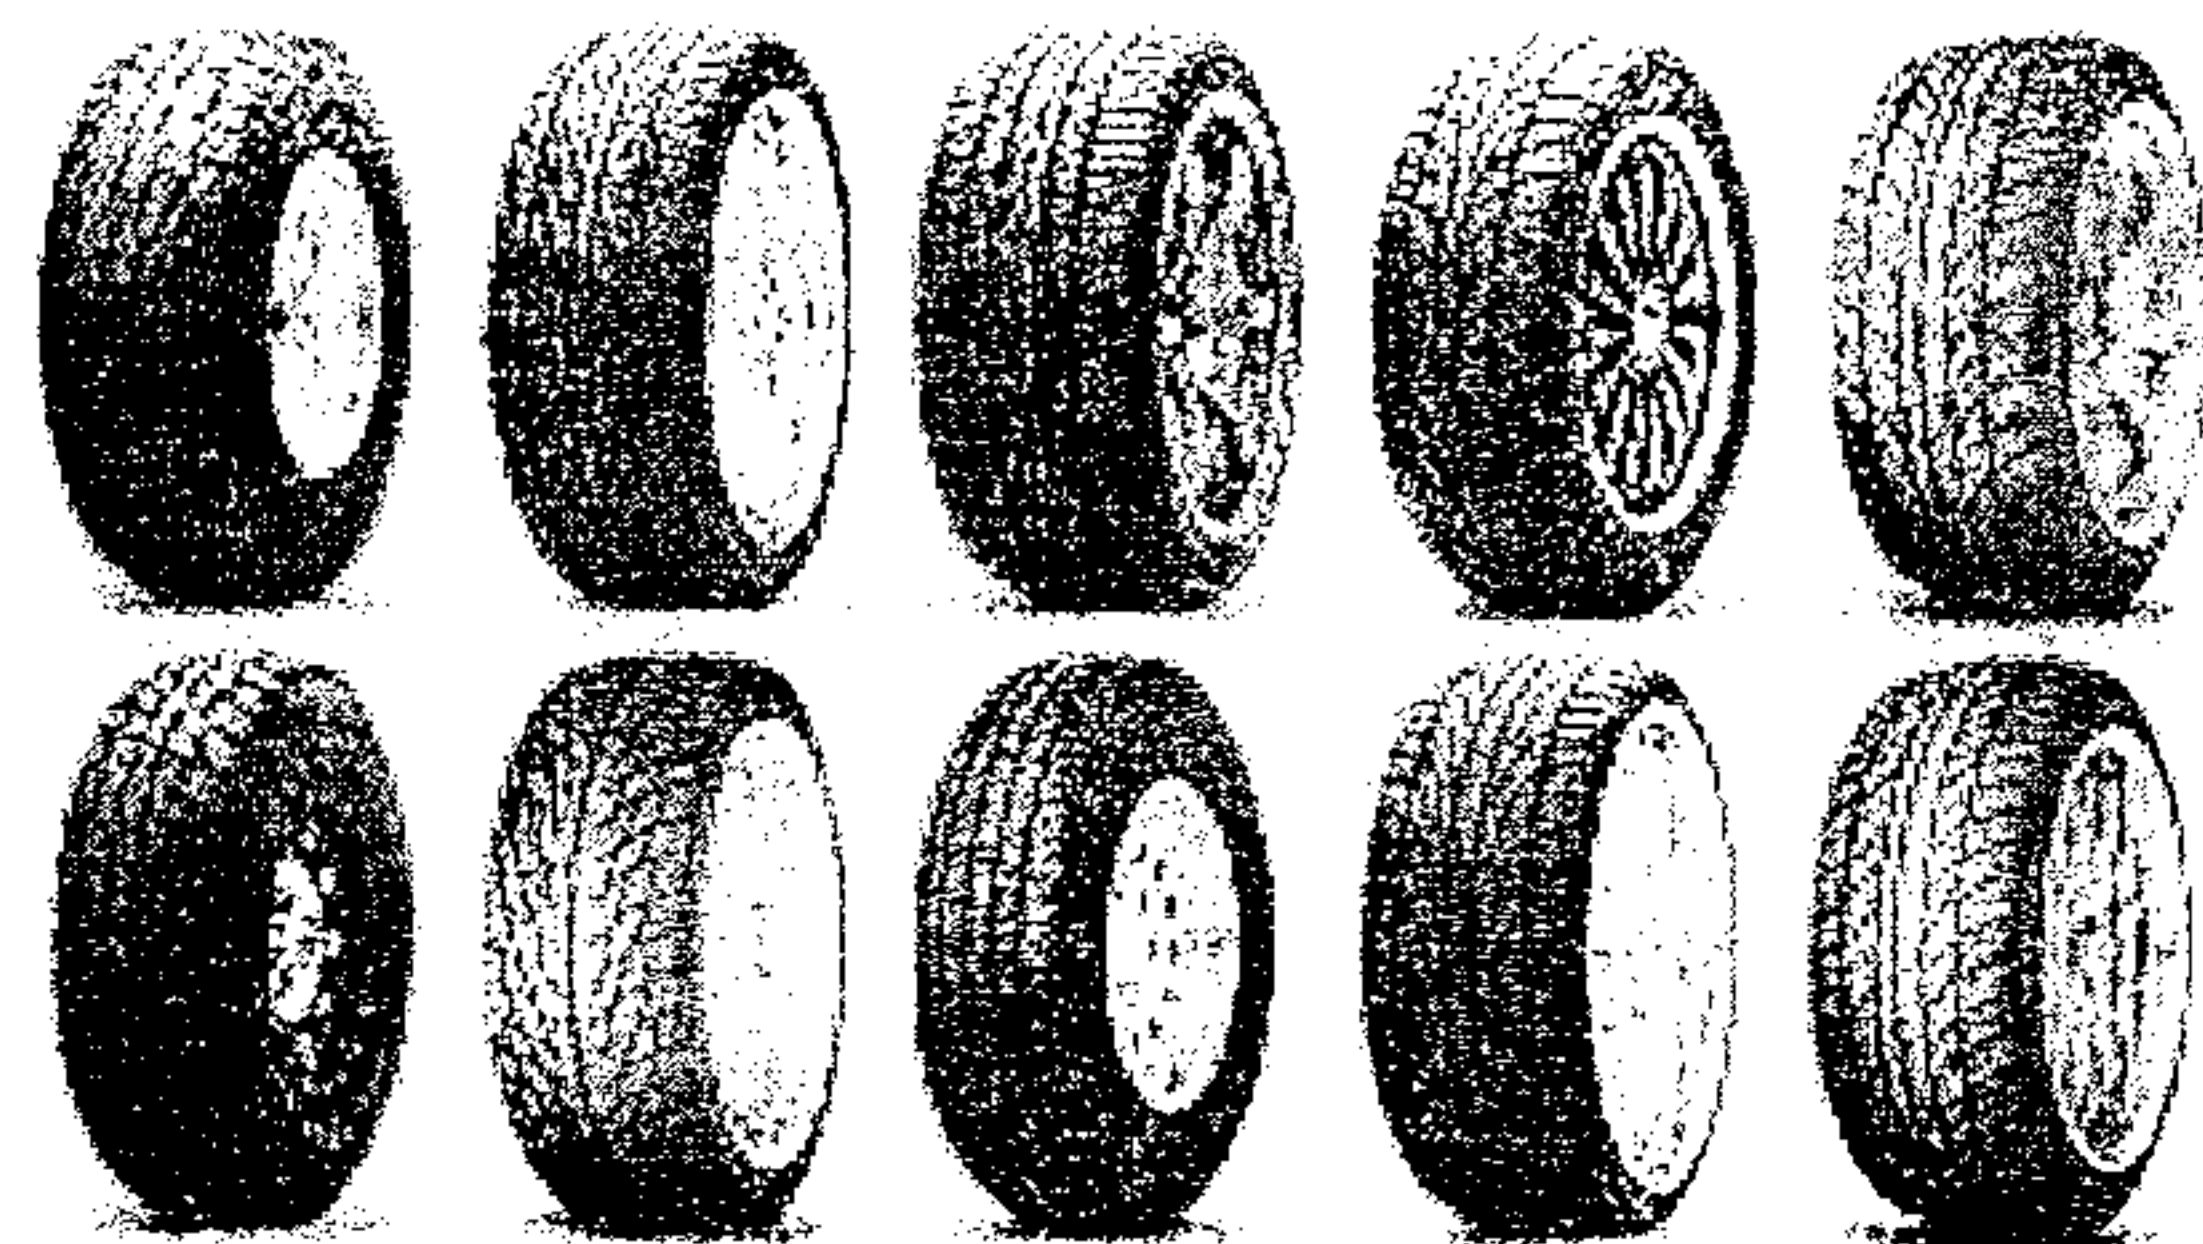

## PUBLIC NOTICE

### WATER SYSTEM FLUSHING PROGRAM

The Lenoir City Utilities Board and Lenoir City Fire Department will be conducting our semi-annual water distribution system wide flushing program per Tennessee Department of Environment & Conservation Water Quality Control Requirements. The Flushing Program will occur for LCUB customers on Monday, June 1, 2015, at 2:00 p.m. until 10:00 p.m. thru Thursday, June 4, 2015, at 8:00 a.m. until 3:00 p.m. The program goals are to identify problems in the water system and ultimately have them corrected. When fire hydrants are flowed, iron deposits in the water lines are agitated. This may cause a brown discoloration to the water in the area which is being flushed. This condition is only temporary and will normally correct itself in a number of hours. During this period of flushing, we recommend that you flow your cold water prior to use to determine if there is any discoloration. While the water is still safe to consume, we recommend not washing any white clothes without first testing the water for discoloration. If your water is discolored, it will clear up on its own under normal usage over a period of time. It is also best to limit the use of your hot water until it's clear, as this will keep the iron deposits from going into your water heater. You may also notice a drop in water pressure during these times; however, the water pressure should return to normal within a short period of time. If you continue to experience difficulty with your water pressure or discoloration on Monday, June 8, 2015, please contact LCUB at (865) 986-6591 to report the problem.

Ray Hensley, 50, Shaw Ferry Road Lenoir City, was charged with Simple Possession, and Driving on Revoked/Suspended License. Deputy Cody Fritts LCSO, observed a blue vehicle at the intersection of HWY 321 & 70 that did not have a working taillight. Deputy conducted a traffic stop on the ve-

hicle and identified the driver as Ray Hensley. Upon running Ray's information through dispatch it revealed Ray license were revoked. Deputy ask Ray if there was anything illegal on him, and Ray retrieved 4 pills from a money envelope. The pills were identified as Hydrocodone. Ray was placed under arrest. Deputy Cody

Fritts LCSO, made the arrest.

**Children**

New, Improved FBI Child ID App. Our Child ID App, which provides parents with an easy way to electronically store pictures and vital information about their kids in case they go missing, has recently been upgraded.

According to Direc-

tor James Comey, "The FBI remains vigilant in its efforts to eradicate predators from our communities and to keep our children safe." In addition to working with our law enforcement partners to publicize the names and faces of missing children, the Bureau undertakes a variety of efforts to help rescue the most vulnerable of

victims. For example:

Rapid response teams are stationed across the country to quickly respond to child abductions.

Our investigators can offer a full array of resources such as DNA analysis, trace evidence, impression evidence, and digital forensics tools.

Through improved communication, we can quickly share information with law enforcement partners around the world.

As for Etan Patz—the little boy whose name and face have become synonymous with this issue—he has never been found. But as a result of law enforcement efforts and the public's assistance, other youngsters have been safely recovered and returned to their families, or at the very least, their families have been given some degree of closure.

And we will continue to look for these children—seeking justice for them and for their families—no matter how long it takes. Despite the fact that the court proceedings of a suspect believed responsible for Etan Patz's disappearance nearly 36 years ago ended in a mistrial earlier this month, prosecutors have announced they will retry the case.

**Teen**

William Allen, 18, W Farrell Street Niota, was charged with DUI.

Deputy Brandon Burley LCSO, did observe a 1999 Ford Taurus, traveling on Martel Road at a high rate of speed. Deputy also observe the afore listed vehicle leave its appropriate travel lane on multiple occasions for extended periods of time.

Deputy conducted a traffic stop on the vehicle on Martel Road however; the vehicle did not stop until it was on Boyd Station Road at Walnut Branch Lane. Deputy did then make contact with the driver, William Cody Brian Allen age 18, who had

red bloodshot eyes and stated that he had been using his cellular phone which was why he had left his lane of travel.

Allen was extremely nervous and shaking; when asked Allen stated he had been smoking marijuana approximately 1 hour prior to law enforcement contact. Allen at this time stated that he felt as though he was under the influence.

Allen was asked to and agreed to perform standardized field sobriety tasks: all of which he did poorly on. Allen when asked if he felt as though he was impaired stated that he felt "slightly impaired".

Located in Allen's vehicle was a small

amount (less than 10 grams) of a green leafy substance believed to be marijuana, from which Allen had just been smoking.

Given that Allen is over the age of 16 and under the age of 21 and was driving and in physical control of an automobile while under the influence of marijuana and this caused such a degree of impairment that it directly affected Allen's driving ability,

Allen was placed under arrest for Underage Driving While Impaired and read the "Tennessee Implied Consent Advisement" form to which he (Allen) agreed to and signed as such. Allen was transported to the Ft. Loudon E.R.

for a blood draw; immediately following the blood draw Allen was transported to the Loudon County jail. Deputy Brandon Burley LCSO, made the arrest.
