Critical Moment

Today's topic is not exactly Good News, and one that is likely to draw some controversy. Maybe not in the hills of TN in the middle of the Bible Belt, but if published here in Missoula I would likely have people gathered outside of my door

ready to fight or filing lawsuits against me for the words I am about to share. While the topic is not popular, it is one that must be acknowledged because the future of our religious freedom may be hanging in the

Have You Seen Sasquatch?

We're a group that have done numerous investigations on a big-foot like creature in the mountains of East Tennessee. We've had witness from your average hunter/fisherman up to police officers and doctors. We take this very seriously and will never ridicule any witness that comes forward and if the client wants we can keep everything anonymous. If you've seen something strange in the woods or heard screams, had rocks

thrown at you or found footprints please let us know and a team will be dispatched to check it out. These creatures are out there and if you ever see one treat it like you would a bear. Try to take a photo if possible and slowly walk backwards away from the creature. Whatever you do don't run! To get an encounter or possible encounter to us simply email us at ca.stennesseebigfoot@outlook.com

Thanks alot, and be safe out in the woods.

I'm talking about homosexuality, same sex marriage and the pending Supreme Court decision that can change the way we worship. We all know people who are attracted to those of the same sex. Some of these people went to school with us, or work in our offices. Maybe you are related to a gay person or have friends that are gay. Let me be clear from the beginning; being a gay person is no more of a sin than being a drunk person, or a person engaged in an adulteress affair, or a thief, or an extortioner. According to 1 Corinthians 6:9-10 each are equally sinful and those who engage in a lifestyle of such sin may not have a true relationship with Jesus.

So why talk about same sex marriage today and not these other sinful lifestyles? It is because the United States Supreme Court will be deciding this summer if same sex mar-

riage will become a federally protected union, and if so, it will have tremendous consequences for the Christian church as a whole. If same sex marriage becomes a federally protected union, then every pastor who preaches a biblical sermon related to homosexuality and gay marriage may be guilty of discrimination and could be fined or even arrested. If approved, someone from a same sex marriage who applies for a leadership position within a Christian church and is denied because of their status as living against the Word of God would be eligible to sue the church for large amounts of money and effectively cause the collapse of the Christian church as we know it.

I'm not asking today that Christians hold up signs and wander the streets proclaiming the sanctity of marriage like that crazy so-called baptist church in Westboro, Florida. I'm not even asking you to speak publically about how God views homosexuality

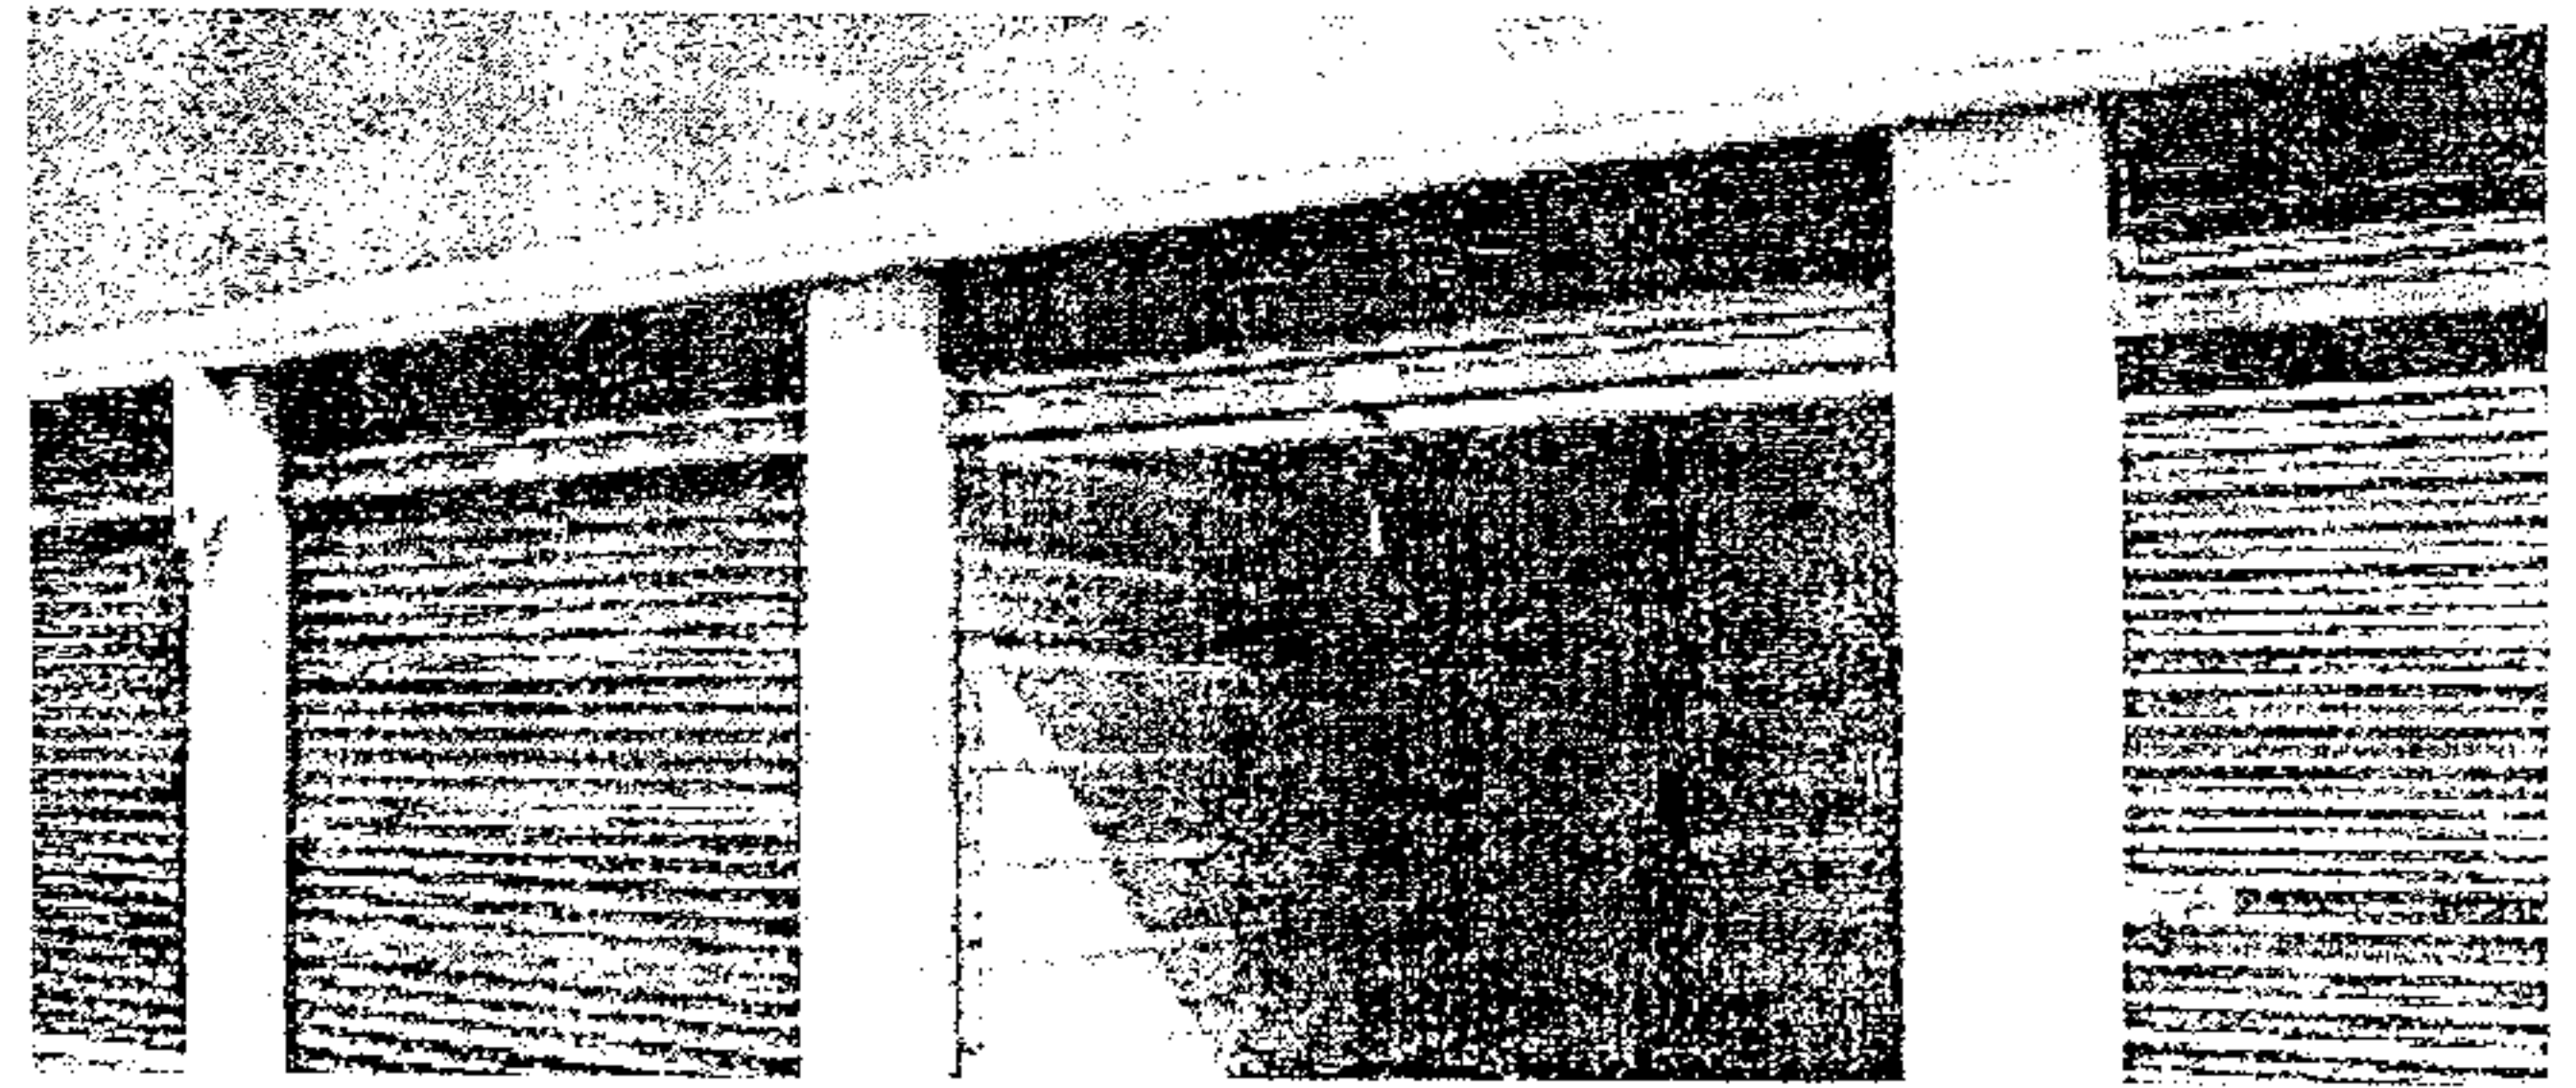

(Although you should be able to do so).

I am simply asking that we as Christians collectively call

...to God in earnest prayer, asking Him to intervene and speak to the hearts of those who are tasked with this great decision. Our church prayed as a collective body this past Sunday morning and I have thought about the consequences of this Supreme Court decision several times since then. Are you willing to pray that our Supreme Court Justices, and our country as a whole, will remember that our nation was founded upon Christian values including the sanctity of marriage?

How can we pray? What would that prayer look like? Here is the prayer our church family is taking to Jesus: Heavenly Father, we

know that you designed marriage. You created it and you defined it as the Union of one man and one woman. You are the one who said, "Therefore, a man shall leave his father and mother and hold fast to his wife, and they shall become one flesh."

As our Supreme Court deliberates over the issue of marriage, we pray that you will cause your truth about marriage to resonate in their hearts and minds. We pray that you, by your Spirit, will remind them of your truth, guide them in their thinking, and warn them of the danger of turning their backs on your eternal word. We pray that you, by your Spirit, will remind every elected official and every man, woman and

child in our land of your standard for marriage. Cause us all to tremble at the thought that we might reject you and your word to our own harm. Please prompt the Justices of our Supreme Court to reflect on your word and to align their ruling with your abiding truth.

This we pray in the name of Jesus, our Lord and our Savior, amen.

If you are a Christian, if you are familiar with how God dealt with the cities of Sodom and Gomorrah, then you should be willing to pray. Copy this prayer from our website, www.tgnmissions.com, and send it to others who may also pray for this landmark decision.

II Chronicles 7:14 (NKJV) If My people who are called by

My name will humble themselves and pray, and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

Thanks for reading today and I pray that we, as a nation founded upon the truth of

the gospel, will return there while we still can. It will take courage, it will take boldness and it will not be comfortable. Jesus said that we would be hated by all men for His name's sake, but he who endures til the end shall be saved.
