of sch. II.

According to the report, Kerr was observed by Detective Lt. Jeff Vittatoe, LCSD ND pulling into a residence at the end of Newton Road in an area known for drug trafficking. The officer observed Kerr walk into the residence and then walk back out in approximately

two minutes.

When Mr. Kerr was walking back towards his motorcycle it appeared he was smoking a hand rolled cigarette resembling a marijuana joint.

The Lt. Drove up the end of Newton Road to where Mr. Kerr was getting on his bike and asked what he was doing. Kerr then took off his helmet, put his left

hand into his pocket and pulled out two off-white rocks believed to be crack cocaine and handed them to the detective stating "Here's what you're looking for."

The detective exited his vehicle and asked what Kerr was doing in the area and he stated he had gone to the residence to see if he could trade two alleged crack rocks for

Breast cancer is the most commonly diagnosed cancer among women. The American Cancer Society recommends that women age 40 and older have a screening mammogram (X-ray of the breast) and a clinical breast exam every year. Detecting breast cancer at an early stage greatly improves chances of survival.
