be received. The way you choose to send it is up to you. More conventional types might use pen and paper, but you might use a hot-air balloon to get the word out.

Pisces

(Feb 20-Mar 20)

Someone's actions don't entirely match up with what you suspect is their true character, and you're right. Their motives are totally different than their outward persona. Examining the whole person gives you insight.

Aries

(Mar 21-Apr 20)

When you're willing to help others, you find that many of the pettier and more egocentric concerns just fade away. Look to be as helpful as possible wherever you can. Take on an extra task. Volunteer for a good cause.

Taurus

(Apr 21-May 20)

Everyone always expects you to stick with the tried-and-true, but you have more tricks up your sleeve than they realize. An innovative idea has twice the impact coming from you. People are paying attention.

Gemini

(May 21-June 21)

An unexpected development is really a fairy godmother wearing a cleverly impenetrable disguise. When you think about

it, it dawns on you that not only is this what you really wanted all along, it's exactly what you need.

Cancer

(Jun 22-Jul 22)

Many times, the simplest solutions are the most ingenious (especially when everyone else is so busy freaking out they can't recognize them). Don't be afraid to mention the obvious and you'll look like a genius.

Leo

(Jul 23-Aug 23)

Why not give yourself the gift of care and attention? Once you do, you'll see how many resources you actually have within your grasp. That will make it easier to find opportunities to give to other people.

Virgo

(Aug 24-Sep 23)

Free your mind of its limits and constraints. You'll be delighted by the concepts that come up. When you're talking about them with other people, use friendly similes -- you'll find they'll grasp the essentials quicker.

Libra

(Sept 24-Oct 23)

In the same way that a homemade cake tastes much better than a mix, self-created luck is all the sweeter than someone giving you something. Hard work, perseverance and timing will get you where you want to go.

Scorpio

(Oct 24-Nov 22)

You know what you like and you're definitely, positively, absolutely sure you don't like what's going on right now. But wait a minute. If you give it time, you might find this is just what you needed; so be patient.

Sagittarius

(Nov 23-Dec 21)

Happiness is a state of mind. It's not dictated by outward circumstances -- really. Learning to see a situation as it is, not as you hoped or feared it would be, is one of the keys to

being content.

Capricorn

(Dec 22-Jan 20)

Taking care of other people helps slake your thirsty soul. You have the ability to get things done -- especially if they're tasks that other people had deemed hopeless. This might become a permanent situation.

nen, LCSD, reported he spoke with Rick Collins of Constec Corp Builders who is currently building condos at Cordova Subdivision, El Grande Way, Lenoir City. Collins advised on Monday he noticed he had lumber missing.

NMS

game held at Pigeon Forge Middle School. The North Nation was also in attendance to try and help cheer on their team to a victory.

The contest got off to a quick pace with the Cubs going up on the Stars 9-5 early in the game. Good perimeter shooting by NMS guard Jordan Hall and inside play by center Tim Hassett gave the Stars the lead 10-9. The Cubs answered on the offensive end in what would prove to be an up and down floor competition. #22 Tucker Parkerson hit back to back 3 point shots to put the Stars in the lead 16-13, which had the students of North Nation rockin' the gym. Sevierville was able to convert with a big three pointer of their own and had the score tied 16-16 at the end of the first quarter.

The second quarter was played in much the same fashion. Both teams executed on the offensive end of the floor, but the Stars' man in the middle, Tim Hassett, got into foul trouble early

in the quarter and was forced to take a seat. On the strength of their guard play the Stars were able to take the lead 26-25 with 1:04 to go in the half, but the Cubs made a last second charge before the half to go into the locker room with a 29-26 lead.

After the half the Cubs came out on the floor hot, and aided by some questionable officiating, extended their lead to 12 points. The North Nation then went into overdrive to try and help rally their team. With NMS having foul trouble on their post players the Cubs were able to take advantage of the inside game. The Stars were able to cut the lead down to 9 on a three point play by #24 Landon Hilton and it looked as if the Stars were going to mount a charge. At the end of three the score stood at 43-35.

The forth quarter had a little of everything. Great hustle plays, good solid defense, and above all else some of the best effort I have personally seen at this level of competition. Unfortunately, the Cubs

were just a little too much for the Stars to handle. With the final score of 55-43 the NMS Stars hopes of a state title ended. We at the Daily Edition would like to extend our congratulations to Coach Thompson and all of the members of the NMS Stars

for a great year. #4 Chris Hunt, #5 Tyler "Deuce" Jones, #12 Justin Montalbano, #14 Hunter Morris, #15 Nathan Lester, #20 Tyler Jones, #21 Jordan Hall, #22 Tucker Parkerson, #23 Andrew Blossie, #24 Landon Hilton, #25 Billy Bearden,

#30 Tim Hassett, #32 Billy Ault.

Police Beat

William Anthony Goley, 51, of Shaw Ferry Road, Lenoir City was charged with failure to appear on VOP.

Deputy John Wilson LCSD made the arrest.
