## Horoscopes: Aquarius

(Jan 21-Feb 19)

Helping other people (see Horoscopes pg. 2)

## Horoscopes

ple has always been a priority in your life. Just make sure that you don't end up doing everything for them. Find a way to give them a hand so that they eventually learn to be self-reliant.

### Pisces

(Feb 20-Mar 20)

A momentary feeling may run deeper than you suspected. It's important not to overreact (or be reactive at all). Instead, take a moment and a few deep breaths. After you get your bearings, you can take correct action.

### Aries

(Mar 21-Apr 20)

If you have something on your mind and in your heart that you can't say aloud, write a letter. No, not an email -- an actual, handwritten letter. You don't have to send it, but it could deliver more relief than you expected.

### Taurus

(Apr 21-May 20)

Digging in your heels isn't getting you anything but a serious case of cramps in your feet. Don't you think it's time for some changes? Revamp your game plan and see if the game of life doesn't immediately improve.

### Gemini

(May 21-June 21)

It's time to transform negativity into something with a higher and more creative purpose when it

comes to your home life. Take a step back. Getting some breathing room will help if things have been too intense lately.

### Cancer

(Jun 22-Jul 22)

Big emotions arrive in waves. The trick is to ride them like an expert surfer: You know there'll be a high, a low and a period in which you can coast. Once you get that down, you're pretty much set for life.

### Leo

(Jul 23-Aug 23)

There are so many feelings crowding your heart, and you want to express every single one of them. Try writing them or talking them out. You don't need to act on all of them, and life will be much smoother.

### Virgo

(Aug 24-Sep 23)

Messes: You hate them. But it's time to face facts. Usually, life itself is plain messy; many times, that's where the beauty comes from. So sit back and try to let this chaos just exist without trying to tidy it up.

### Libra

(Sept 24-Oct 23)

A few old resentments are lingering in your life. It's time to deal with them before they make a point of dealing with you. Keep in mind that these feelings might go deeper than you initially realized, but keep at it.

### Scorpio

(Oct 24-Nov 22)

Giving up on chang-

ing the past can be tough, but once you get there, you'll feel so much freer, happier and more energetic. So try to let go of people, places and things that just don't work for you in the here and now.

### Sagittarius

(Nov 23-Dec 21)

Family traditions don't just mean holiday customs. They can also include old habits and ways of interacting. Now's the time to examine whether these actually work for you or if you keep them around because of sentiment.

### Capricorn

(Dec 22-Jan 20)

Like the song goes, you can't always get what you want. But if you really examine your reasons for wanting it, you'll end up pretty grateful that

you didn't get it in the first place. Now your intentions are clear.

The check was from Regions Bank and upon further investigation it was learned from Mr. Stevens the check Morrow had written was not good. The check did not clear the bank because the account had been closed.

The victim stated to Detective Smith that she went down the stairs and entered a sitting room where she was attacked by another female she knew to be named April. The victim went on to tell the detective that April stabbed her with an unknown object above the right eye; then she pushed April back and was cut again, but this time on the side of her face in front of her left ear.

The victim said she then yelled for the male friend that was at the residence with her who came down-

stairs and pulled April off her.

Detective Smith, Lieutenant Jeff Vit-tatoe and Sergeant Billy Hall went to the Hall Street residence where the incident allegedly happened and found blood on the floor at the bottom of that stairs at the entrance to the sitting room and the garage. Cut marks were also found on a door in the sitting room along with four blood drops outside the residence where the victim left the scene.

After searching the residence, April Dawn Davis was found hiding in a closet.

1934 - 2006  
**I'm Free**

Don't grieve for me, for now I'm free, I'm following the path God has laid you see. I took His hand when I heard Him call. I turned my back and left it all. I could not stay another day, to laugh, to love, to work or play. Tasks left undone must stay that way, I found that peace at the close of the day.

If my parting has left a void, then fill it with remembered joys; a love shared, a laugh, a kiss. Yes, these things I, too, will miss.

Remember this, so much love I have always had, and will always have for you; but most of all, so much more love does Jesus, my Lord and Saviour have for you. Although I had to go, Jesus has promised to never leave nor forsake you.

So, do not be saddened, I walk everyday with Jesus. How glorious it is! Reach out, take his hand, and together we will make it through life's trails and sorrows, till we are one day together on the same path.

Be not burdened with times of sorrow. I wish you the sunshine for tomorrow. My life's been full, I savored much. Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief, don't lengthen it now with undue grief.

Lift up your hearts and peace to thee, God wanted me now; He set me free!
