## Horoscopes: Pisces

(Feb 20-Mar 20)

Some types find it ever so comfortable

to rest on their laurels, but that's simply not your style -- especially now. Your recent success has given you a lot of momentum. Take advantage of all your opportunities. (see Horoscopes pg. 2)

## Horoscopes

### Aries

(Mar 21-Apr 20)

Sometimes your impulses land you in a delightful mess. Other times, it's more like just a plain old mess. Either way, though, you have to be willing to deal with the consequences of your choices.

### Taurus

(Apr 21-May 20)

Sometimes you wonder why others feel the need to go to extremes. Now you have the answer. Some strong cosmic impulses are pushing you to your limits, and to your surprise, you love it. Enjoy this energy.

### Gemini

(May 21-June 21)

Truth or dare? You'll take both -- and a double-dog dare while you're at it. You're fearless when it comes to getting a new venture off the ground or discussing a matter that everyone else is too scared to bring up.

### Cancer

(Jun 22-Jul 22)

Making a few minor policy changes or some stylistic updates isn't the same thing as changing your basic principles. Don't think of it as a compromise -- think of it as redecoration. The substance is still the same.

### Leo

(Jul 23-Aug 23)

You're at the center of it all, especially when you take the

first step. You're surprised to see how many people respond to your actions, but you shouldn't be. After all, you're a natural-born leader.

### Virgo

(Aug 24-Sep 23)

What attracts you? What makes you involved, active and happy? Exploring possible answers helps you design your own fate. So figure out what you want your future to look like and then point yourself in that direction.

### Libra

(Sept 24-Oct 23)

There's more to this person than meets your eye, so give them another chance before you dismiss them from your life. Okay, he or she may not make the greatest first impression, but it's the ones afterward that count.

### Scorpio

(Oct 24-Nov 22)

The current cosmic energy says it's time to take action if you want to move forward. Put your plans under the microscope to make sure you've removed all the kinks. Afterward, you'll be able to make your move.

### Sagittarius

(Nov 23-Dec 21)

Sometimes you don't understand how or where these impulses pop up in your life. If you're tired of thoughtless and repeated actions, it's time to look for the divine lesson behind them.

### Capricorn

(Dec 22-Jan 20)

In 'The Purloined Letter,' an ingenious thief hides his crime right under everyone's noses. It could be that the solution to one of your conundrums has been in the most obvious place all along.

### Aquarius

(Jan 21-Feb 19)

A fiery side of your nature emerges, especially when you see social injustice or another kind of unfair treatment being meted out. You've got what it takes to rectify this situation, so get to it.

and with having a stolen license plate. The cab driver is accused of trying to run over two students after a heated discussion over religion.

He has had at least two other run-ins with

police during the past year, including a high-speed chase through downtown Nashville which saw speeds over 100 m.p.h. and ended when he struck another vehicle.

Ibrahim is a Muslim and the two people he ran over were not.

If you will remember, this is not the first time a Muslim has decided to give an American pedestrian "that run down feeling" with a vehicle, but I do believe it is the first in Tennessee.

The cab company hired Ahmed only two

or three days before this incident occurred.

Terrorist attack or just a nutty cabbie? I think a little of both. -Gus

## Police Beat

Records indicate John Nolen, Antioch Church Road West, advised he returned home from a business trip to find someone had broken a side window out his front door and a front window to gain entry and once inside pulled items from the closets, dressers and cabinet and thrown it on the floors.

One of the things that makes America great is the right to assemble, as these people did Monday morning to show their support of striking Maremont workers

Smitty Giles, a Knoxville resident who supports the union members had this to say before the rally, "This is an issue that our(Tennessee) politicians need to address with foreign governments. Other unions represented at the rally included Local Atomic 480 from Oak Ridge TN, Local 2544 from Loudon TN, and IBEW Local 970, also from Oak Ridge.

Dwaine Thompson from Local 2545 said, "...we're just gonna' have to tough it (the strike) out to show him (Banks) that we mean business. All we are asking for is affordable insurance."
