special love to cousins, Michele Hall, Jennifer Smith, little brother cousin Justin Hall and her very special friends who loved her more than words can say, Kia Vanatta and Donnie Jennings. Cayla did so much with her too short life; she served in the United State Coast Guard during 9/11, she was an EMT-IV with Rural Metro with whom she volunteered to help with Hurricane Katrina victims, and she was a phlebotomist with East Tn. Childrens Hospital. Saying that she loved to help people does not begin to describe who Cayla was. Not a day went by in her life in which she was not trying to make another person smile. Those of us who had the great pleasure of truly know-

ing her will remember her smiling face and her warm loving heart. There was never something she was not willing to try. The family will receive friends from 1 to 2:45 p.m. Saturday with funeral services to follow at 3 p.m. in the Click Funeral Home Chapel with Rev. Richard Turbeville officiating. Entombment will follow in Lakeview Mausoleum with full military honors conferred by VFW Post 5150 and American Legion Post 120, 70 and 256. Serving as pallbearers: Josh Babb, Michael Hall, Corey Frye, Ronnie Marney, Jamey Hall and Adam Schrimpscher. Click Funeral Home, 109 Walnut Street, Lenoir City is serving the Babb family.

two years. The franchise of United Country is owned by a 30 yr. old real estate company from Knoxville, Wescott Realty.

Up until now, Unit-

ed Country Wescott Realty has been operating as a traditional real estate company, listing and selling homes and assisting buyers through their sphere of influence and by cooperating with other real estate companies through the Knoxville multiple listing service.

The franchise of United Country is beginning to utilize the marketing potential provided by the home office in Kansas City.

Here is where they are in big trouble... UCWR has thousands of buyers from all over the country and not enough properties to offer these qualified and serious buyers. As UCWR continues to act as a traditional real estate company, they

need help for commercial, mountainous, rural and farm properties with or without homes. If you have these types of properties and are interested in selling, please call 865-584-4070 or come see us at 112 E. Broadway, Lenoir City. You can also call Scotty at 865-659-7140 and he'll come look at your property!

Fishing

We usually get checked several times in March, same old stuff, boat registration, life jackets, fire extinguishers. Make sure you are ready for them because they will be ready for you.

Most of the TWRA Officers are a wealth of information if you can get one to slow down and talk for a while, but some of them are there for one reason only; to write you a ticket.

We encountered one of these guys last spring at Ish Creek Boat Launch. It was about dark and we were returning from an evening of crappie fishing.

The warden walked over to our truck and immediately asked

me how much have I had to drink. I didn't want to lie so I told him six.

He went through our boat with a fine tooth comb and found no infractions so he returned to give me a field test. I passed the test then informed the rude bald officer that I had drank six cola's, not beer.

He was ticked.

In forty years of fishing, this has been my only bad experience with TWRA. -Gus
