## Horoscopes

especially when it comes to breaking new ground.

### Pisces

(Feb 20-Mar 20)

Learning to accept yourself is key to learning how to accept another person. Once you look at the whole of your personality and accept those disparate parts, you'll find it ever so much easier to understand someone else.

### Aries

(Mar 21-Apr 20)

You're able to make mental leaps in a single bound. Those synapses of yours are sizzling when it comes to problem-solving and other kinds of brainteasers. Nothing's a problem -- just a puzzle to be solved.

### Taurus

(Apr 21-May 20)

A key conversation could go off the rails unless you exercise the right touch. The truth is, your inner goodwill ambassador could keep things on an even keel, especially if your ego gets out of the way.

### Gemini

(May 21-June 21)

If anyone can communicate clearly and effectively with someone difficult, it's you. In fact, when you're the source, tough love tastes as sweet as candy. Use your considerable powers for good, okay?

### Cancer

(Jun 22-Jul 22)

You need to tie up loose ends before you can move on to the next situation. It's tempting to try to shove everything under the rug, but you'll just end up tripping on that unsightly lump until you get it out of the way.

### Leo

(Jul 23-Aug 23)

Striking up a conversation is like playing music with someone: you have to allow yourself to get into the rhythm. Sure, there'll be some fits and starts, but hang in there. After a while, you two will find your groove.

### Virgo

(Aug 24-Sep 23)

Every problem contains the seeds for its own solution. Clear your mental, emotional and psychic space and you'll see very soon how this situation can turn out for the best. Try meditation, long walks or yoga.

### Libra

(Sept 24-Oct 23)

You always know just the right thing to say, especially when a situation gets tense. You're not sure how you know what to do, but you don't have to. Trust your instincts. They're pretty wonderful, after all.

### Scorpio

(Oct 24-Nov 22)

Dive into a new persona. Secretly, you've been waiting to un-

leash that inner diva/class clown/neatnik, but you haven't been sure how to go about it. The stars smile very broadly on any role-playing you do today.

### Sagittarius

(Nov 23-Dec 21)

You're interested in esoteric and intellectual matters, so it's time to seek out like-minded, stimulating company. New people bring you new realizations, especially when it comes to the larger questions

in life.

### Capricorn

(Dec 22-Jan 20)

Rise to the challenge. A new rival isn't here to take your shot at the brass ring; if anything, they're here

to inspire you to greater heights. Afterward, you might find that you want to work together as partners.

## Seized

the mix of all the action a Loudon County woman was jailed for driving without a license while the vehicle she was driving was seized along with \$4,000 in stashed cash, after she was pulled over for speeding only moments after she nearly struck another vehicle.

According to LCSD Lt. Jeff Vittatoe, while conducting drug interdiction on I-75 a vehicle that was being driven by Kasey M. Hayworth, was pulled over after she was reported to have been speeding and swerved into the other lane, almost striking another vehicle.

While officials including Lt. Vittatoe, Deputy Dan Kelly, Sgt. Billy Hall and K-9 drug sniffing partner Draga, Deputy Mike Watkins, and his K-9 drug sniffing partner Denaro, were investigating the vehicle, it was reported that Draga alerted near the center console of the SUV.

Officials began the search and discovered \$4,000 in cash concealed under the center console. Josh Underwood, the passenger of the SUV, admitted to having the cash stashed under the console.

LCSD has seized the cash and the vehicle through Tennessee State Seizure Court. The cash is believed to be proceeds from narcotics sales.

Underwood, who has previous drug charges, was not charged and reportedly walked from the I-75 scene. Kasey M. Underwood, 18, Donaldson Drive, Loudon was charged with driving without a license.

The case is still under investigation.
