it exist. If you act too rapidly to try and make it go away, havoc could ensue. Often the solution becomes a much larger problem than the original situation.

Aries

(Mar 21-Apr 20)

'What goes around comes around' isn't just a saying. If anything, it's more like a rule to live by. What would you rather spread -- contentment or anger? Happiness or irritation? It's in your hands, especially now.

Taurus

(Apr 21-May 20)

Kooky -- that's one word few people use to describe you. If only they knew! You've got lots and lots of weird, off-kilter and altogether lovely ideas. The more straitlaced the packaging, the more surprising the contents!

Gemini

(May 21-June 21)

You've been thinking it's time to make some changes in your life. Now's a great opportunity to do so. Networking is especially fruitful, even in the unlikely places. A trip to the supermarket could result in a new job.

Cancer

(Jun 22-Jul 22)

Assuming that other people's lives are totally under control while you're a big mess is silly. Everyone

has problems. In fact, part of being human is having problems. In a strange way, this revelation is cause for celebration.

Leo

(Jul 23-Aug 23)

It's time for a certain person to take you seriously. Trot out your visionary plans. If you don't have any, show that you recognize those who do. You can be of help to someone who has an innovative approach.

Virgo

(Aug 24-Sep 23)

Instead of critiquing someone's methods, why not observe how they're working and see if there's something you can use? Your sharp mind is of better use that way. Narrow-mindedness will only end up holding you back.

Libra

(Sept 24-Oct 23)

It's time to turn over a new leaf, so get out your rake. Make the effort and you'll soon be free of past matters that have been weighing you down. Don't rush yourself, however. Let this transformation happen on its own.

Scorpio

(Oct 24-Nov 22)

You don't shy away from showing how sharp your stinger is, but a cooler side of your personality prevails right now. Good for you! Don't let minor altercations become much bigger under today's celestial influences..

Sagittarius

(Nov 23-Dec 21)

A desire to shake things up is at the top of your to-do list, but remember that you need to make changes that actually improve your life. Cosmetic or superficial switches will just slow you down.

Capricorn

(Dec 22-Jan 20)

A situation that's simply too much trouble to keep going in its current incarnation inspires you to come up with an innovative solution. Who was it

that said 'necessity is the mother of invention'? They hit the nail on the head.

Aquarius

(Jan 21-Feb 19)

Excitement is growing even more than it was before. You've got a vision, and you're absolutely on target to make it a reality. Everyone who hears your plans is convinced of the worthiness of your goal.

Talent abounds at NMS

from left - Anna Kakizaki, Rebekah Scott, Chesney Redmond, Leslie Eubanks, and the dancing pair of Claire Hall and Chloe Gaston

Parents, teachers, students and faculty packed the gym at North middle this past week for the annual talent show. What a competitive event and support was overwhelming for all participants. Students competed in four different categories: vocal, instru-

mental, drama and dance & gymnastics. Cody Woody played his guitar and sang a great country song. Becca Wiggins and Samanthat Ward sang a country number with a litte "Jesus take the wheel. Lindsey Strange sang a heart-felt christian tune. Sierra Ellison gave Car-

rie Underwood a run for her money after a great performance. Morgan McKeehan sang a lovely tune from the ever popular High School Musical. A winner was named in the vocal category and it was Leslie Eubanks who gave a very sweet and graceful performance as she sang a beautiful song.

In the instrumental category skill and practice showed as the audience was wowed. Kody Miller and Cameron Hagerman cranked up the

jam with their guitar-drum solo. Billy Hutton and Caleb Vance did some jammin' of their own in their drum and guitar solo. The winner in the instrumental category was Chesney Redmond who absolutely rocked the house with his drum solo.

In the drama category Maggie Coile performed some interpretive dance to a blues song. The category winner was Rebekah Scott who signed to a moving song.

In the dance & gymnastics category Josie McElroy, Allison Lee

and Jessica Kerischer were stepping in fashion in their pink outfits. Kurtisha Norris, Meghan Kriger and Mackenzie Mathews did a dance number that was all together. Amanda Hatfield wow! this girl rode a unicycle while twirling hoops around both arms, wow. Jumping rope with a little dancing mixed in was a very unique and cool performance by Audrey Harris and Samantha Boring. The category winner saw the performing arts win after Claire Hall and Chloe Gaston performed some ballet.

The overall winner, Anna Kakizaki, gave an amazing piano performance that was unbelievable. Congratulations to all those who participated, great performances by all and kudos to Mr. Mays for putting it all together.

Stupid Criminals

Two masked gunmen burst into a house wearing T-shirts marked police. They tied up a woman and two of her children with duct tape. They demanded to know where a "Joe" was. When the woman said he did not live there, the two said "Oops we have the wrong house." In the back of the house, the woman's other child had called the police. When the men walked outside, they were quickly arrested.

A man in a hooded jacket approached a gas station clerk with a gun and demanded all the money. The clerk complied. When the robber returned to his home, police were there waiting. The jacket the man wore during the hold up was his high school varsity jacket. It had his full name and year he graduated.

A man walked into his local convenience store and placed a gun on the cashier's temple. The man demanded all the money, which he received, and then left. On his way out, the thief shot himself in the arm.
