God is at it again; every Spring He dazzles us with an array of amazing things. One of my favorites is watching the rain pass through; you can watch the trees and bushes explode with an array of wonderful colors.

Also, it seems that people

are somewhat more pleasant, which is along the line of a miracle in itself.

You can't forget about all the animals getting into that special little mood, which keeps the world's wildlife populated. Ah yes, and the wonderful spring spawn of the Crappies and Bass;

childlike energy in the air. Everyone wants to get to the head of the line or be the one with the coolest toys. You're no exception. So lead the games -- you excel at this kind of thing.

### Taurus

(Apr 21-May 20)

Forget the all-bran cereal; you want a chocolate croissant for breakfast. And why do you go to Aunt Nancy's house once a year when you really want to go to Aruba? The stars applaud extravagant impulses right now.

### Gemini

(May 21-June 21)

How will you know what you're capable of unless you give yourself a chance? One thing's certain: If you assume there's no way you can do it, you're setting yourself up for a fall. Assume you'll do a great job instead.

### Cancer

(Jun 22-Jul 22)

These days you're less likely to take refuge inside your shell and more willing to get out and mingle. Folks are delighted to see you. Make sure as many people as possible experience the pleasure of your company.

### Leo

(Jul 23-Aug 23)

You have many admirers these days, but one person in particular makes you sit up and take notice. While this cutie

may not be your usual type, keep an open mind. Life is full of wonderful surprises.

### Virgo

(Aug 24-Sep 23)

Politely decline the front row seat to someone else's drama. Sensible signs like yours are always being asked for advice, but it's never any use to try and stamp your opinions on someone else. Let sleeping dogs lie.

### Libra

(Sept 24-Oct 23)

You're truly exhausted with people's inadequate excuses. So why are you listening politely while they keep blowing hot air? Realize that your time is too valuable to spend making nice. You need to be alone for a while.

### Scorpio

(Oct 24-Nov 22)

It's time to add some spice to your love life. Give romance every opportunity to ignite by taking great care of yourself. Do something that renews your senses, then call the one you love and suggest something naughty.

### Sagittarius

(Nov 23-Dec 21)

Are your finances in a giant snarl? Well, stop burying your head in the sand. While ignoring the situation seems like an option, it's important to get your fiscal situation in order for the future.

### Capricorn

(Dec 22-Jan 20)

You're able to turn

the must mundane interactions into something lovely and memorable. Innovative ways to communicate come naturally to you right now. Go ahead and let your creative light shine.

### Aquarius

(Jan 21-Feb 19)

Brace yourself, because it's time to make some major changes. Revamping the way you approach relationships might be frightening, but the results will be freeing. You love how much better you feel after you make

changes.

### Pisces

(Feb 20-Mar 20)

Distance is absolutely necessary for your peace of mind, especially if people around you are taking amateur theatrics to a whole new level. Taking a step back right now might be the perfect solution.

can't forget about that.

The one thing that God seemed to bless us with this year is

that the Volunteers are in the final sixteen. Now, I am not a sports fan, but I do recognize the fact that I can't ever remember them getting that far in the past. So will they make it any further? I can't answer that one. Thursday night is when we get to find out and if you'll notice, they don't play until 10 pm; which gives you time to catch a few

crappie before the game starts.

God is good. -Gus

Cano reportedly had a very strong odor of an alcoholic beverage on his person and was very unsteady on his feet while getting out of the van. He had red, glassy eyes and did not cooperate well with the officer's instructions.

Cano was administered field sobriety tasks and performed poorly on them. He admitted consuming four beers.

Billy Eugene Floyd, 42, of Black Oak Ridge Road, Knoxville, was charged with failure to appear (4 counts of criminal simulation). Deputy Rob Lane, LCSD made the arrest at the Blount County Jail.
