It looks as if those silly Iranians are at it again. Iran said Monday it was questioning 15 British sailors and marines to determine if their alleged entry into Iranian

waters was "intentional or unintentional," before deciding what to do with them.

We all know they were in Iraqi water. Iran is just wanting some attention; stir up (see Gus pg. 4)

some growing pains. Taking chances with uncertain outcomes is becoming more and more attractive to you at work and play. You're tired of safe (read: boring) ruts. Good for you -- seize the day!

Taurus

(Apr 21-May 20)

A dear friend or loved one is arranging an exciting outing that will reveal an endearing new side of their personality. Go ahead and go along for the ride, even if this type of thing isn't your cup of tea.

Communication may be a little touch-and-go now, so make sure you double-check those emails and text messages before sending anything out. It wouldn't hurt to pause a moment or two before you speak also.

Cancer

(Jun 22-Jul 22)

Why exactly are you taking on a huge personal challenge when you say you want more freedom and relaxation? Stop trying to prove that you have superpowers. Cut yourself a little bit of slack.

Leo

Feeling insecure about yourself? Hey, it happens to everyone -- even to assured, confident signs like yours. The remedy is simple: Be kind to yourself. Indulge in something that renews your body and spirit.

Libra

Nothing freshens up your home like some redecorating attempts or a new coat of paint. Why not apply the same practice to your mind and body, too? Go to a yoga class, take a walk or try meditation.

Could it be that this isn't such a problem after all, but more of a puzzle? It's harder to figure out where things fit when the pieces are your emotions, of course -- the borders aren't quite so nice and neat.

Sagittarius

(Nov 23-Dec 21)

Someone has feelings for you -- but you may not reciprocate, whether it's admiration, friendship or romance. Just remember that you don't have to feel guilty about it. Sometimes things just can't work out.

Capricorn

Someone else's emotions are making

Aquarius

Do everything you can to ward off stress. You might even try -- gasp! -- having some fun. If that means doing something silly like going to a demolition derby, so be it. You might meet someone cute while you're at it.

Pisces

(Feb 20-Mar 20)

It's a great time to think about putting down roots. You've had the desire to make a personal situation more permanent. At the very least, it might be time to redecorate your place. Your home is your castle.

Another neighbor witnessed the attack and both women told the officer the dogs have killed before when they got a young calf down.

the West a little. Why we put up with it, I have not a clue. It's not like Iran has a formidable navy.

Could you see Iran trying that crap here at our local redneck bass tournament? I don't bass fish, but I would pay my entry fee for that kind of sure. I am not certain, but I thought that the Jents let their military carry weapons. I know for a fact that the local redneck bass

tournament will be stocked with a plethora of unique weapons.

I don't think the Iranians would stand much of a chance, but even if they did, what would they do with the people they detain? They would be taking 16 loud mouth rednecks away from fishing and beer. How long do you think they would want to keep them? I'll bet not long. Enough dreaming, sorry I just get carried away sometimes. I just want someone to stand up to these morons, that all. -Gus

Red-handed

Road, Lenoir City was charged with harassment, resisting arrest and possession of a legend drug without a prescription.

Roy James Jenkins, 51, Erie Road, Sweetwater, was charged with harassment.

According to records filed by Deputy Craig Brewer, LCSD, police had responded to a residence along Pine Grove Providence Road several times during the evening in reference to harassment by the couple and on his final call he found a white Ford dually driving by the home.

The lawman wrote he knew the vehicle belonged to Roy Jenkins and police had had several complaints on him throughout the day. He also knew Sgt. Billy Hall had told both Roy and Rebecca

Jenkins to stay away from the residence.

The couple is accused of calling the residence and making threats as well as driving by the home and sounding the horn, lights and a siren throughout the day.

Deputy Brewer reported he stopped the dually and this time the couple had brought firecrackers and had several packs unwrapped and sitting on the dash.

Rebecca Jenkins reportedly would not follow verbal commands and pulled away from the officer when he tried to take her into custody. A search incident to arrest produced a pill bottle containing an oblong pill and nine white pills identified as Tramadol.

Deputy Brewer, assisted by Cpl. Chad Estes, LCSD, made the arrests.

Seminar

Knoxville, TN — Some of FLW Outdoors' most successful professional anglers will offer tournament-winning tips and techniques when they host the Wal-Mart Tire & Lube Express Fishing and Automotive Clinic Friday, March 30.

The clinic will be held from 6-7:30 p.m. at the front of the Wal-Mart Supercenter located at 911 Highway 321 N. in Lenoir City, Tenn. The clinic is held in conjunction with the FLW Tour event presented by BP to take place on Fort Loudoun-Tellico Lakes March 29-April 1.

The free clinic is designed for people of all ages and skill levels. The first hour focuses on specific techniques the anglers use, includ-

ing tips on tying knots, casting and selecting tackle. During the last half hour, anglers answer questions, pose for photos and sign autographs. Participants may also enter a drawing for goodie bags filled with sponsor products, shirts and hats.

Anglers scheduled to attend are Castrol team members Bobby Curtis of Siloam Springs, Ark.; David Dudley of Lynchburg, Va.; Mike Surman of Boca Raton, Fla.; Carl Svebek III of Siloam Springs, Ark.; and Darrel Robertson of Jay, Okla. Robertson and Dudley are both FLW Tour Championship winners and past winners of the lucrative Ranger M1 tournament, having taken home top

prizes of \$600,000 and \$700,000 cash, respectively.

"Our fishing seminars are a great way to give something back to our loyal customers," said Castrol spokesperson Jamia Curtis. "They also give us a chance to introduce younger kids to the lifelong sport of fishing. In fact, we think these clinics can teach anglers of all skill levels new techniques. Here's a great chance to chat directly with some of the best bass anglers in the world."

Additional information will include details about what to check on autos and boats before heading out to the water; instructions about how to catch more fish; what life is like as a pro angler

and general auto tips from the pros who put an average of 40,000 miles a year on their vehicles.
