Fishing with Gus

Every March we get a call from our old buddy Paul Sulphureus. He loves to fish, but he has one major flaw that makes fishing with him an annoying endeavor.

See, he is a six foot three, two hundred eighty pound grubby looking mountain man that's afraid of his own shadow. He will talk a big game, but as soon as the daylight starts

(see Fishing pg. 3)

Public meetings slated

The Loudon Regional Planning Commission will meet at 12:30 PM Wednesday, March 7, 2007 at the Courthouse Annex with the

Loudon Board of Zoning Appeals to meet immediately following. Planned Agenda items for the RPC meeting include:

Happy Birthday, Randy Harrell. Hope your

day is wonderful!

Horoscopes: Pisces

(Feb 20-Mar 20)

The stars stir up

your adrenaline. Is it any wonder that your competitive spirit is coming to the forefront? A game with a friend will lift your spirits even further.

(see Horoscopes pg. 2)

Horoscopes

Just make sure the competition stays friendly.

Aries

(Mar 21-Apr 20)

Your warrior spirit is called to action, but in an unusual way. You know how to make them laugh. Once you do that, you get them on your side. If only the politicians of the world understood that comedy is the best weapon!

Taurus

(Apr 21-May 20)

Having a new obsession can be tons of fun, but make sure it doesn't get out of hand. Remember that there's a whole world outside of your head. It wouldn't hurt to pull back and get some perspective now and then.

Gemini

(May 21-June 21)

Finally! It's the right time to make sure your ideas become reality. You were smart to wait this long, because now the conditions are exactly right. You're ready to take things to the next level.

Cancer

(Jun 22-Jul 22)

Is the charm of this person or situation going to wear off in a few days? The real question is, who cares? You can deal with that development when and if it happens. Enjoy what's in front of you right now.

Leo

(Jul 23-Aug 23)

Tackle this issue from a different per-

spective. In fact, it wouldn't hurt to ask a kid what they think of the situation. While the answer may not have practical applications, it'll make you laugh -- and see the light.

Virgo

(Aug 24-Sep 23)

You've come so far, so don't stop now! Acknowledge how much work you've done to regain your equilibrium after a series of rocky events. Pat yourself on the back and suit up -- you're back in the game.

Libra

(Sept 24-Oct 23)

Is that love bug giving you an itch? The stars say it's a good time to get out there and flirt. While your recent period of rest and relaxation has been good for you, you know what happens if it's all rest and no play!

Scorpio

(Oct 24-Nov 22)

Let your intuition guide you when it comes to expressing yourself -- right now you're so attuned with the greater forces that it's almost uncanny. Show off that inner glow by going out for a night on the town.

Sagittarius

(Nov 23-Dec 21)

Your social life is filled with endless delights. But wait -- there are more surprise encounters to come. Be willing to give of your enthusiasm and your time, and something will

appear that makes your heart spin.

Capricorn

(Dec 22-Jan 20)

Did hot air just enter the room, or is a managerial type putting on a big (and unnecessary) show? If there's anyone who knows how to say just the right thing to defuse the situation, it's you. Rise to the occasion.

Aquarius

(Jan 21-Feb 19)

A few seemingly insoluble outer conflicts have miraculously dissipated. The

stars commend you for staying grounded and patient. Is it any wonder that your outward circumstances now match your inner attitude?

to fade into darkness, he is ready to pack it in.

If we are on the bank or if we are in the boat, he will be shining the lights at the bank and anything that he may deem

worthy of a good inspection.

Now fearless Paul has an absolute fit if you mention anything about wanting to venture out of the boat to explore the river bank. Last time he went fishing with us

we found an excuse to beach the boat and had a ingenious plan to scare the snot out of him.

We figure that the first noise would send fear through him faster that it would the French Army and he would be back in the

boat shining the spot light, trying to find out which way whatever it is, is a'coming.

There was one thing that we had not counted on, find out what that is next Monday. -Gus

TDOT

east interstate mileage designation requirements. Interstate 181 shields on signs in Sullivan County will also be replaced by Interstate 26 shields.

"This is a significant change for this region and for the state," said Paul Degges, TDOT Chief Engineer. "When the route was designated I-181 / U.S. 23, mile marker one was in Unicoi County, so to bring I-26 into compliance with Federal Highway Administration requirements, mile marker number one is now in Kingsport with the numbers ending at the North Carolina state line."

Work crews will begin making the sign changes at 8:00 a.m. on Monday, March 5th at the Flag Pond Road exit in Unicoi County and will proceed west toward Kingsport. Once the west bound side is complete, crews will reverse direction and proceed east toward the North Carolina state line. Installation

of the 284 signs is estimated to take 11 working days, weather permitting.

"This will be a continuous effort because we want to get the new signs up and installed as quickly as possible. However, there will be a transition period when exit numbers will be different from one interchange to another, so motorists need to be alert while traveling I-26," said Fred Corum, TDOT Regional Transportation Director. "To aid motorists during the transition, the old exit numbers will be displayed along with the new exit numbers for approximately 24 months."

The re-designation of I-181 to I-26 in Sullivan County was required by the new federal transportation bill, the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU).

A detailed list of new exit numbers along with the old exit numbers and their locations is available at www.tn.gov/tdot

Police Beat

on legal sanctioned strike of IMCO, Maremont Corp., would like to thank the many, many community members and outside supporters who have backed us.

We've braved the harsh weather for weeks in our quest to convince management that changes in the contract regarding seniority, lay-off and recall issues and affordable insurance is essential to our daily family life.

Many of us have worked well over 30 years, our seniority has been earned by the sweat of our brows.

We will continue to meet and negotiate in good faith with the company when requested to do so, but until the company demonstrates a willingness to recognize quality union workers, we will still stand strong and in solidarity.

sponded to a Rausin Road, Philadelphia residence at around 10:00 p.m. where he spoke with Scott and Michelle Hope.

Mr. Hope advised he saw what appeared to be a flashlight around his boat and when he

went to check it out he noticed a faint light around the craft.

Hope reported he walked to the back of the boat and was struck with an unknown object on the back of his head and described the assailant as a male

with shoulder-length dark hair, mustache and goatee who was wearing a light brown to dark colored tee shirt with a heavy metal band on it and blue jeans.

The officer reported Hope suffered a knot on his head, but refused medical treatment at the scene.

Police Beat

Robert Gray Covington, 41, of Grimes

A big rig driver trying to make a turn onto Harrison Road in front of Lenoir City High School had a battle with gravity on Thursday and lost.

The truck, being operated by a driver for Movers USA, was unable to negotiate the right hand turn from Old Highway 95 and became stuck in a drainage culvert that runs alongside Harrison Road.

Officer Jamie Witt and officer J. Foster of the Lenoir City Police Dept. responded to the call and redirected traffic until Moneymaker Wrecker Service could clear the accident.

No injuries were reported in the incident.

D.A.R.E.

Lenoir City Police Detective Kay Arnwine discussed the D.A.R.E. Program with Ms. Rogers' fifth graders at Lenoir City Elementary School Friday after-

noon.

The program covers how to handle peer pressure situations that arise with young people in today's society.

The education program is in conjunction with the Lenoir City Police Department with special emphasis on education and prevention of alcohol and drug abuse.

The program, covers the negative and positive aspects of peer pressure and the youth's ability to cope with such pressure.

This year millions of school children around the world will benefit from D.A.R.E. (Drug Abuse Resistance Education), the highly acclaimed program that gives kids the skills they need to avoid involvement in drugs, gangs, and violence. D.A.R.E. was founded in 1983 in Los Angeles and has proven so successful that it is now being implemented in 75 percent of our nation's schools, including our local school districts.

RIDDLE

Times are hard in a small rural town, business is slowing and people are moving out. It so happens there are two horse-dealerships in town. Unfortunately there's only enough people to support one of the dealerships. So the two owners meet and decide that one of them must leave town. Since neither of them want to leave they devise a competition to see who gets to stay. It is decided that they will race their horses across town. Now they don't want to damage their horses, so they change the race rules so that whoever's horse crosses the finish post LAST wins the race and gets to stay in town. So the next day they set off. Both are ambling along, taking rests and getting nowhere nearer to finishing. After a few hours a wise old man tells them to dismount and gives them some advice, after which the two sprint back to the horses, get on and gallop towards the finish line. Assuming that the race rules were not changed - what advice did the old man give them?
