(see Horoscopes pg. 2)

## Horoscopes

they're in the nascent stages. You've been around enough to see certain unmistakable warning signs early on. Get out while you can.

### Aries

(Mar 21-Apr 20)

You want things to go one way, but a loved one has different ideas about what should happen next. Talk it over and see if you can come to a mutual agreement. You might find you have more in common than you thought.

### Taurus

(Apr 21-May 20)

Total stubbornness combined with the utmost in gracious diplomacy -- that's the piquant and irresistible mix you bring to today's social milieu. How can anyone resist when presented with your particular charms?

### Gemini

(May 21-June 21)

Shutting down at the first signs of discord won't help -- and just might hurt matters. Getting something started can be tricky business. Growing a thicker skin helps you get past the growing pains. Don't shy from conflict.

### Cancer

(Jun 22-Jul 22)

Your friends just love talking to you, and it's no wonder. They know you remember almost everything you've ever been told. It's true: You're simply a considerate, thoughtful and all-around won-

derful kind of person.

### Leo

(Jul 23-Aug 23)

Go ahead -- it's time to call someone's bluff. You're straightforward and direct, and you hate it when people try to manipulate each other for petty gains. Thank goodness you can stop this in its tracks!

### Virgo

(Aug 24-Sep 23)

If someone insists on being petty, soldier on. Do what you know needs to get done in spite of their unhelpful attitude. If their assistance is required, set a good example with your graciousness. Don't stoop to their level.

### Libra

(Sept 24-Oct 23)

A new friend or acquaintance turns up the heat by showering you with an unexpected gift. While you absolutely adore the gesture, part of you thinks that it's too soon for this stage of your relationship. Find a diplomatic way to say so.

### Scorpio

(Oct 24-Nov 22)

Your romantic interest is giving you mixed signals: 'Come closer, no wait -- now go away.' You're getting fed up with it, and rightfully so. It's time for you to move on. There are better prospects out there.

### Sagittarius

(Nov 23-Dec 21)

You need reinforcements, so call your nearest and dearest. Once they hear what you need and when you need it, they'll

more than meet your expectations. So what are you waiting for?

### Capricorn

(Dec 22-Jan 20)

Something that everyone else thought was impossible (or, at least, improbable) takes a step toward reality, thanks to you. You receive encouragement and praise that almost makes you blush. You deserve it.

### Aquarius

(Jan 21-Feb 19)

There's a lot to look forward to, especially with the stars' benev-

olent rays beaming on your social calendar. Going places and meeting people are both second nature for you right now. So get out there and live it up!

The new community swimming pool currently being built is nearing its final phase of construction. The community pool is located next to Lenoir City Mid-

this addition to the community are Parks & Recreation Director Steve Harrelson, CPRP and Jason Simon, Assistant Director.

In addition, The Lenoir City City Council and the School Board appropriated the land necessary for the development. due to everyone's involvement and commitment to this project, the people of Lenoir City will be able to enjoy this welcome addition to the community.

The tentative date for the opening of the community pool is Memorial Day weekend. The Daily Edition will update the community on the exact date when it is made available.
