## Horoscopes

groove is in your heart, but when you really think about it, it's more like your heart's stuck in a certain groove. Get out and have some fun. Distract yourself from an old situation. Let the past go.

### Aries

(Mar 21-Apr 20)

It's tough getting to your final destination when there are matters holding you back. Take time to get your head clear, rather than trying to barrel through these current obstacles. Real solutions require real commitment.

### Taurus

(Apr 21-May 20)

Love can be a puzzle. Check in with your heart to get the rest of the pieces. Asking advice from your friends and family may confuse you more than it helps right now. Only you were present for all the events involved.

### Gemini

(May 21-June 21)

A fascination with a new interest -- be it a hobby or a person -- could lead you to drop everything else on your calendar. Just remember: All that glitters isn't gold. Have fun, but don't get your heart set on anything.

### Cancer

(Jun 22-Jul 22)

Suppress any involuntary eye rolling. So this person's 'brilliant idea' sounds like a load of self-indulgent hooey. Keep your

mind ever so slightly open, and you just might learn something that's useful later.

### Leo

(Jul 23-Aug 23)

Being a party animal takes a backseat to a more contemplative mood. Take positive action, and your spirits will soar to meet it. With the stars in their most insightful mood, you can see what was clouded by a fog before.

### Virgo

(Aug 24-Sep 23)

Love walks right in and changes your point of view. It's not necessarily a romantic, passionate love, either -- affection, happiness and enthusiasm are also forms of love. They help liven up your day-to-day tasks.

### Libra

(Sept 24-Oct 23)

Use your gift of gab to turn this sudden spurt of creativity into concrete results. Not only will it give you a feeling of satisfaction, it also might lay the foundation for an important part of your future.

### Scorpio

(Oct 24-Nov 22)

A friendship withers when someone is disloyal. Remember your standards. Yes, you can forgive, but that doesn't necessarily mean you want this person in your life. Think about what's best for the long run.

### Sagittarius

(Nov 23-Dec 21)

You don't need to send out a detailed report about your latest goings-on, even if (and especially if)

people are asking questions. Keeping key details to yourself just adds to that delicious air of mystery.

### Capricorn

(Dec 22-Jan 20)

Embrace the power of forgiveness and let go of an old wound. Once you see that it's about healing and not condoning, your worldview opens up. Grudges take up time and energy that could be put to positive use.

### Aquarius

(Jan 21-Feb 19)

Secretly you're convinced that a certain

boss type has been holding you back, but it's not for the reasons you suspect. Sit down and deal with this situation honestly and you'll save yourself some trouble.

## Tip Line

dents of strike-related violence in Loudon, Roane, Monroe and McMinn Counties where reports have been made of damage and vandalism to property belonging to people who are currently working at Maremont during the strike. Discussion also centered on the stepped up measures THP and LPD were taking to monitor the traffic in and out of Maremont.

There is only one pending case for criminal prosecution at this point and that involves a Maremont security guard who is charged with driving on a suspended license as a result of an incident reported by one of the striking

workers. LPD Chief Webb told the group about a transformer and an electric power switch located on Maremont property that were destroyed, probably with shots from a high-powered rifle, and about his concern for further disruption of utility service that might affect an area greater than just the Maremont plant.

The group expressed a collective concern about an escalation in violence that might cause further damage to property and the possibility of harm to individuals on either side of the dispute.

The group issued a joint statement that states:

"While we are sympathetic to the fact that many of our

friends and neighbors who are part of the Loudon Community have, at least temporarily, lost their jobs and livelihoods, we as the heads of law enforcement do not want to see violence that may result in people being hurt or even worse. We also do not want to see the citizen taxpayers of the community have to pay for damage to public utility property. As law enforcement officials we obviously must remain neutral on the outcome of this dispute, but we will take the necessary steps to keep the peace, to protect individual property and lives and to keep order in the community of Loudon and the surrounding areas where strikers and workers live. However, we do encourage the ownership of Maremont and the labor union to negotiate fairly and in good faith with one another to bring about a quick and mutually agreeable resolution to this labor dispute."

DAILY EDITION March 9, 2007 • Page 9

In order to help keep the peace and to better investigate any criminal or suspicious activity—by either side of this labor dispute—we are establishing a confidential tip line that will be monitored by the Loudon Police Department, which is the lead agency in this matter. That number is (865) 988-6826. Please call this number if you have any information that would be helpful in investigating or preventing any illegal or violent activity related to this ongoing dispute.

John Doe, aka Kenneth Fleming, was charged with public intoxication.

According to the report, Officer Jason Butler, LCPD was dispatched to the Kings Inn for a possible public drunk. Upon arrival the officer observed the man standing in a small beverage closet at the Inn.

Upon speaking with him, Fleming had a strong odor of an alcoholic beverage on his person and extremely slurred speech. He refused to give the officer his name and date of birth. Officer Jason Butler, LCPD made the arrest.

John Victor Nitz, 31, homeless, was charged with a violation of probation and was arrested by LCSD Deputy Chris Jenkins.
