wallpaper and how you could change that up? Look at the thoughts that form the backdrop of your day. They could do with some freshening!

Gemini

(May 21-June 21)

A friend offers you unsolicited advice, but there might be a kernel of wisdom hidden in there. Keep your ears peeled. While it's impossible to judge this situation from the inside, an outside perspective could help you out.

Cancer

(Jun 22-Jul 22)

A goal that seems just unlikely suddenly becomes eminently possible, so don't put those dreams on the curb just yet. The stars say that you're likely to get a thumbs-up very soon if you keep your eyes on the prize.

Leo

(Jul 23-Aug 23)

Something you've dreamt about could become a reality, but you have to make space for it in your life first. Get serious about making these goals come true, no matter how ridiculous or unrealistic they might seem at first.

Virgo

(Aug 24-Sep 23)

Ever seen what happens to a power strip when you overload it with appliances? You feel like you're super steady and grounded, but you might be leaking energy where you least expect it. Be strong. Conserve.

Libra

(Sept 24-Oct 23)

The outcome of

this situation is pretty much up to you. If you decide to make a big deal about it, it'll end up being as dramatic and over-the-top as a soap opera. Think about it -- you do have alternatives.

Scorpio

(Oct 24-Nov 22)

Complaining can be satisfying, but sooner or later you're going to have to deal with this situation instead of just gnashing your teeth about it. Once your sensible side kicks in, you'll see what needs to be done.

Sagittarius

(Nov 23-Dec 21)

Never fear! The seemingly elusive balance you seek between work and private life, togetherness and solitude is more attainable than you think. It'll take a little more creative thinking on your part, but it's doable.

Capricorn

(Dec 22-Jan 20)

It's tough to be around big important types without turning into another person entirely. Don't beat yourself up for the impulse; it's to be expected. Just know that sooner or later, it will be all systems normal.

Aquarius

(Jan 21-Feb 19)

Taking something for granted is a sure-fire way to make sure it gets taken away from you. Something or someone has been operating as a necessary part of your life, but way in the background. Appreciate them now.

Pisces

(Feb 20-Mar 20)

Everyone knows about fear of failure, but fear of success is just as prevalent. Ask yourself exactly what changes you're afraid of if this current proposition takes off. That will help you get unblocked.

Aries

(Mar 21-Apr 20)

Someone's soul makes you look beyond appearances. If ever there were a moment for opposites to attract, this would be it! You see past borders and superficial differences

to the potential of a real connection.

Hendricks

stopped the vehicle. The driver was identified as Ryan Neil Hendricks and he had a strong smell of an alcoholic beverage on his person and performed poorly on sobriety tasks. Hendricks refused a BAC test and the officer found a partial full open bottle of beer in the front passenger seat.

Upon transporting Hendricks to jail he was very combative and started hitting his head on the safety cage and he then laid down on his back in the seat and kicked the drivers side rear window outward from the window frame breaking the window frame and moving

the window approximately 2 inches from the window track. Hendricks was then restrained in the back seat of the patrol car by Deputy Stanley and Deputy Bryan Blakney.

Ryan Neil Hendricks, 36, of Lovell Road, Knoxville, was charged with driving under the influence, vandalism over \$500, viol. of implied consent law, and open container. Deputy Marty Stanley, LCSD made the arrest.

Parents

An additional charge of providing alcohol to underage was leveled against a Lenoir City couple after 50 underage subjects were discovered at the residence, that

had been drinking. The couple Jack Riley Butturini and his wife, Katharine Brown Butturini were charged with providing the alcohol and taken into custody at the justice center by Asst. Chief James Davis II, LCSD after the couple faced the original charge of contributing to the delinquency of a minor.

According to the original warrants, at least 5 deputies responded to the Sandy Shore Drive residence of Jack and Katharine Butturini and discovered about 50 underage subjects that had been drinking. Several of the minors stated the homeowners provided the alcohol. The party is

reported to have been a graduation party for the couple's daughter. The couple has stated to other media sources the minors that were drinking were uninvited from Farragut.

Lewis

did admit to drinking and had an odor of an alcoholic beverage on his person. Sgt. Wiggins checked the firearm, a Remington Mod. 700 300 Mag. The weapon did have a spent round in the chamber and the barrel was warm to the touch.

The shooting occurred in a neighborhood with houses on all sides. A witness statement was that

Lewis took the firearm from the residence and was intent on killing himself.

Herbert Gregory Lewis, 46, of Cress Lane, Lenoir City was charged with public intoxication and reckless endangerment. Sgt. Jimmey Wiggins, LCSD made the arrest.

Police Beat

Irma Saucedo, 21, of Industrial Park Drive, Lenoir City, was charged with no driver's license.

According to the report, Officer Eddie Range, LCPD observed Saucedo cross over the double yellow line almost hitting another vehicle and stopped him. A check showed Saucedo to be unlicensed.
