Gemini

(May 21-June 21)

Surrender the wheel to the universe and you might find that your destination is a lot more fun. Fun-nily enough, the ride there becomes a lot smoother too. Trust in the process and you'll soon see results.

Cancer

(Jun 22-Jul 22)

Certainties are all well and good, but too many of them just take all the fun out of living. Get into the spirit of discovery. So the outcome is unclear for now, make sure you have fun with the journey instead.

Leo

(Jul 23-Aug 23)

The toughest thing in the world isn't beating someone with your superior mental or physical strength; the toughest thing in the world is being strong enough to be vulnerable. Take a risk and show your real self to someone who counts.

Virgo

(Aug 24-Sep 23)

Don't overstate your case or else it'll seem like you're trying to justify your actions. You're not in the wrong. Let the truth speak for itself, especially with a

hard case who can't believe what's in front of their eyes.

Libra

(Sept 24-Oct 23)

The stars emphasize your need for privacy and a search for inner peace. Let contemplation color your day. Being a recluse isn't your thing, but go with this impulse. Make yourself scarce and do some soul-searching.

Scorpio

(Oct 24-Nov 22)

Something seems all wrong on the surface, but deep down you're sensing that this situation might actually be life-changing in all the right ways. Go ahead and let yourself take a step out into those deep waters.

Sagittarius

(Nov 23-Dec 21)

Access that authentic self. Maybe that means wearing purple instead of khaki, trading in your car for a bike, or telling your in-laws just what you think of their cooking. You're on a roll and you're ready to roar.

Capricorn

(Dec 22-Jan 20)

Sometimes you gotta do something bad just to remind yourself how very good you are. Let someone else take on an extra project. Go see a matinee instead of doing housework. Have some -- what's that word? -- fun for once.

Aquarius

(Jan 21-Feb 19)

Who knew you had

it in you? Well, to be honest -- you did! So let everyone else be shocked and surprised. Just smile modestly and accept the praise being heaped up on you. There's more where that came from.

Pisces

(Feb 20-Mar 20)

You see a major flaw in someone's reasoning. At first you want to say live and let live, but what if this person is taking an unnecessary risk? You've got what it takes to steer them in the right direction, so do it.

Aries

(Mar 21-Apr 20)

Someone's been all talk, but when it comes to action -- fuhgetaboutit. Wait just one minute; could this person be you? Never fear. The stars say you're all about following through on your promises right now.

ing all the different international displays and people. I was 15 years old and stuck on the cardiac floor with a bunch of older patients (boring).

Of course, I didn't understand the true

meaning of what the fair was about; I just wanted to escape and be free from my bed.

I did manage to talk a fellow out of a six pack of World's Fair beer, which I still have not drank.

The fair in the long

run put Knoxville in the eyes of the international community and best of all, helped get rid of malfunction junction; but 25 years later T-DOT is not through working on that project.

If road construction was a tourist attrac-

tion, Knoxville would be the top destination on the list. I think there is road work at almost every exit in Knox County now.
