Contract work scam lands 1 in hoosegow

that you need some alone time, so stop apologizing. So much has happened, and you need to find a way to process it all. Later on, call some friends and get together so you can decompress.

Cancer

(Jun 22-Jul 22)

Go on, rediscover your inner child. How long has it been since you've done something for the heck of it? It's time to do something totally silly. Pointless fun will refresh your soul -- which is, after all, the point.

Leo

(Jul 23-Aug 23)

Wait one minute -- didn't you boss promise you that plum project? So what's this 'partner' doing assigned to it? Okay, now might be the time to show what a good team player you can be. Deal with this situation as it is.

Virgo

(Aug 24-Sep 23)

Are you spending time with this person because you genuinely enjoy his or her company, or are you mostly enjoying how much they like you? It's a tough question, but one that deserves an answer. Think about it.

Libra

(Sept 24-Oct 23)

Getting a handle on a few details now makes your life much easier in the long run. That's good news for you, since your attention span is much more suited to small, quick tasks than anything long and sus-

tained right now.

Scorpio

(Oct 24-Nov 22)

A small victory is all you need to give your confidence a much-needed boost. Have you thought about integrating a healthy habit into your life? Once you've got that under your belt, the next steps come much more easily.

Sagittarius

(Nov 23-Dec 21)

You already have everything you need to make this situation start working for you, so stop searching for answers. It's time to look at your store of knowledge. Give your experiences the appropriate weight and meaning.

Capricorn

(Dec 22-Jan 20)

Don't throw something away because one part doesn't work. Figure out why it's not working, or see if you can still keep this operation running without it. There are a million possibilities out there, so keep looking.

Aquarius

(Jan 21-Feb 19)

The harder you try to make something happen, the more elusive it will be. Pay attention to the current circumstances. There's a clue about what step you should take next, but you need to read the signs.

Pisces

(Feb 20-Mar 20)

Some people are always asking, 'Why me?' Rarely do they ask themselves, 'How did I get so lucky?' even though that's just as valid a question. Make sure you appreciate all that this

life is offering you.

Aries

(Mar 21-Apr 20)

It's easy to start judging yourself by the world's standards, but it's ultimately unsatisfying -- like eating a whole bunch of cookies and then wondering why your body feels so lousy. Set your own rules and play by them.

Taurus

(Apr 21-May 20)

Put an end to any false starts; this helps you realize how much you've grown. Your sense of independence and strength grow even more

when you learn how to identify opportunities and avoid dead ends.

Fishing

We talked to Sven and he recommended that since we had not been troutin' this year, that we should go to Citico. They stock trout on Wednesday

and no one is allowed to fish until Saturday morning. If you go to Citico, don't forget your Citico permit; it will cost you \$5.50 for a day of pretty good fishin'.

Now the trick to fishing this place is to get there early. If you get started about daylight you can limit out very quickly, but if you decide to lollygag around and start fishing about nine or ten, you might not even be able to find a spot to fish; and if you do, you can bet that that hole has already been fished several times. Now the people up there are not shy; they will walk right beside you and start fishin'.

We managed to limit out with 14 nice rainbows and had

an overall good time. This is a great place to touch up on your trout skills or to introduce a young fisherman to trout. -Gus

Stupid Criminals

Chicago: A man was wanted for throwing bricks through jewelry store windows and making off with the loot. He was arrested last after throwing a brick into a Plexiglas window...the brick bounced back, hit him in the head and knocked him cold until the police got there. **Portsmouth, RI:** Police charged Gregory Rosa, 25, with a string of vending machine robberies in January when he: 1. fled from police inexplicably when they spotted him loitering around a vending machine and 2. later tried to post his \$400 bail in coins.

Lake City, Florida: Karen Lee Joachimi, 20, was

arrested for robbery of a Howard Johnson's motel. She was armed with only an electric chainsaw, which was not plugged in.

Burglars in Larch Barrens, Md., tried to cut through a safe using a Laser Tag gun.

Industrial thieves broke into the Bilgetek plant in Canasta, Wash., by

crossing a metal catwalk and then blowing it up, having forgotten it was their only means of escape.

The judge called the case of People vs. Steven Lewon Crook. The bailiff opened the door to the holding cell and called, "Crook, come forward." Five of the prisoners entered the courtroom.

Donation for canine vest made by Eaton Elementary Students

DAILY EDITION May 21, 2007 • Page 9

A donation was made to the Loudon Co. Sheriff's Dept. by the children of Eaton elementary School for the department to be able to purchase a bullet resistant vest for it's canine patrol

Chief Jimmy Davis and Deputy Michael Watkins who is Denero's handler and partner. A Florida based company who specializes in canine ballistics wear will fit Denero for his new vest.

Denero and deputy Watkins recently received awards competing with other canine units, taking 1st place in apprehension, 1st place in the novice division and also competed in agil-

ity, suspect search, evidence search and apprehension with and without gunfire.

The K-9 group from the LCSD took 2nd place overall as a unit in the recent competition.

Denero is also qualified for national competition which will be

held in Lakeland, Fla. in October. The students of Eaton Elementary were treated to a demonstration of Denero's apprehension techniques with a "bite" scenario where Deputy Jenkins played the part of a suspect. The students were delighted to see Denero and Deputy Watkins in action.

We should all be very proud of the students and teachers who made this donation possible to keep one of our officers safe on the streets. Way to go Eaton Elementary!!

officer, Denero.

The donation was in the amount of \$1347.44 and was presented to Sheriff Tim Guider, Asst.

Originally from Holland, Denero was purchased through a Miami based company that provides canine patrol dogs to law enforcement agencies throughout the United States.
