Fishing

Well I was down at Toad's Bait Shop the other day when a cat fishing buddy of ours, Shane Hill, came into the store with a big old smile on his face; he looked like the cat that just ate the canary.

It seemed as if Shane had a pretty

good fishing trip on the 4th. Shane was fishing at a secret location somewhere on Watt's Bar Lake, when him and his fishing partner, Erich Weber hooked a rather large blue catfish; or should I say a monster blue catfish?

It weighed a whopping 100.3 pounds. It

was 58" long and had a girth of 40".

I must say that I was very happy to see Shane catch this fish. See Shane, like many other semi-pro cat fisherman, does one thing that makes us different than most fisherman: we practice catch and release. Yes, you heard me. Shane took some pictures, weighed the

fish, then released the monster back into the lake. This old boy will live to be caught again, thanks to some strong fishing ethics.

Congratulations Shane on a job well done! -Gus

Obituaries

Eula Martin, was born May 1, 1916, and married Guy V. Martin in April of 1941. Her husband, to whom she was indeed a true wife and helpmate, and by whose side she stood so many years, predeceased her. She was the light of his home and joy of his life. She was a noble, devout Christian woman who faced trials and troubles that would have broken the will of one without her faith. Her ability to face troubles and dangers with resolute courage, while managing to serve her family, church and friends with such a gentle spirit, mirrored the template of a Christian life instilled in her through prayer and cast in an ancestry of Christian believers, including her grandfather, the late Rev. Grey Kizziah Benson, minister of Baptist churches in Lenoir, Natchitoches, and near Lenoir, AL. She lived long among us, and the halo of her sweet life and the animation of her consecrated efforts to brighten and bless our homes, linger in our memories, gladden our lives, and quicken our impulse for good. She passed from our midst on July 8, 2007, at the age of 91, preceded in death by her parents, James Alvin Benson and Roberta Burke Benson, and by her brother, Elwis Benson. Eula is survived by her three sisters, Roberta Chevillon, Grey Tate, and Alice Tay-

lor and husband, James Taylor; by her children, Sue Adams and husband, James Lee Adams, Guy Martin, Jr. and wife, Lynne Martin, Vicki Holton and husband, Greg Holton, Sr.; grandchildren, Vicki Davis and husband Kip Davis, Susan Glass and husband Mark Glass, Sarah Adams, Guy Martin III, Roy Martin, Lee Martin, Greg Holton, Jr. and Sue Ann Holton; and great grandchildren, James Davis, Susan Davis, John Davis, Elizabeth Glass, Mark Glass Jr., David Glass, and Hannah Glass. A memorial service to honor her life will be held at 11 a.m. on Friday, July 6, 2007, at the First Baptist Church of Tellico Village, TN with Dr. Charlie Barnard officiating. Relatives and friends are welcome at the Church from 10:00 a.m. until the memorial service begins. Internment will be alongside her husband in Jefferson Memorial Gardens, Trussville, AL, on Saturday, July 7, following a graveside service officiated by Rev. Eugene Ennis at 11 a.m. Relatives and friends are welcome to the fellowship hall of the First Baptist Church of Trussville following the graveside service for fellowship with the family. Donations may be made in memory of Eula V. Martin to the First Baptist Church of Tellico Village, TN, the First Baptist Church of Camilla, GA or the First Baptist Church

of Trussville, AL. The family would like to express its love and thanks to the staff of NHC for their prayers, love, care and support, unselfishly provided in their daily service to Mrs. Martin and to our family. Click Funeral Home, 109 Walnut Street, Lenoir City is serving the Martin family.

Henrietta Rodgers McKee, age 85 of Lenoir City, passed away Sunday, July 1, 2007. She was a member of the Church of God and was retired from Baptist Health Care Center. She was preceded in death by her husbands, Ray Bryant and James McKee; parents, George and Lowrinia Rodgers; brother, George Kenneth Rodgers and 3 infant brothers. tors can add a sewer line, storm drains and other utilities.

"The sewer line must be installed 15 feet below the surface, in the center of the road. To ensure safe working conditions at

that depth, it is necessary to lay the slopes back, which expands the width of the cut and takes up more of the road," explained John Hunter, TDOT's SmartFIX40 project manager. "For that reason, it is not pos-

sible for us to complete the work using single lane closures. It requires a complete closure of the road."

Due to the upcoming football season and Boom's Day the contractor will be working extended hours to have the road reopened by August 31, 2007. Motorists and pedestrians should use extreme caution in this area and be aware of construction crews and large equipment. According to traffic count data, approximately 8,397 vehicles travel this stretch of Central Avenue daily. During the closure motorists can use Gay Street or Broadway to access Depot Avenue and the Old City. This is all part of the final phase of the SmartFIX40

project, scheduled to be complete June 30, 2009.

SmartFIX40 is TDOT's single most expensive construction project in its 90-year history. Broken into two separate construction contracts, SmartFIX40 has a price tag of approximately \$190 million. SmartFIX is an accelerated construction process used by the department to speed up construction. It involves closing the primary roadway to allow around-the-clock work that is uninterrupted by traffic in order to dramatically reduce the time it takes to complete the project, thereby reducing the long-term inconvenience to drivers. Using the

SmartFIX concept will save over two years of construction time.
