## Horoscopes:

### Aquarius

(Jan 21-Feb 19)

haunt you. Remember to count to three (or maybe ten) before you reply. A few seconds of delay could make all the difference in averting a

## Horoscopes

problem or inflaming it.

### Pisces

(Feb 20-Mar 20)

Enough with dwelling -- it's time to start living. So like James Brown once said, get up offa that thing. Go dancing. Walk everywhere. Say hello to people you pass everyday, but whose names you can't remember.

### Aries

(Mar 21-Apr 20)

The stars are calling in some cosmic markers you gave them a while ago. They're not charging interest, but they are saying that it's time to pay up. Remember those resolutions you made to clean up your act and help others?

### Taurus

(Apr 21-May 20)

You feel like a work shake-up is the last thing you need, but don't shut down just yet. Once you get used to the initial changes, you might find that you actually prefer this new regimen. Try to keep an open mind.

### Gemini

(May 21-June 21)

Sometimes you just have to throw all your eggs into the skillet in order to make a big, beautiful omelet. It feels strange (risk almost always does), but your inner voice is telling you that this is the right thing to do.

### Cancer

(Jun 22-Jul 22)

Mend fences with someone from your

past. That doesn't mean you two necessarily have to be friends again. (Heck, you may not even have to contact them directly.) But you do have to make peace with what happened.

### Leo

(Jul 23-Aug 23)

Ready or not, here comes a whole new beginning. This transition will go much easier if you face your fears head on. Go ahead and make this great leap. Trust your heart, and follow wherever it might lead you.

### Virgo

(Aug 24-Sep 23)

You keep taking more and more onto your plate; no wonder you're feeling overwhelmed. It's time to use portion control when it comes to your ambitions. Do your best to finish a serving before adding more.

### Libra

(Sept 24-Oct 23)

Warrior energy suffuses your soul. When it comes to the rules of social engagement, you'll let someone know when he or she is out of line. Whew! They sure won't be messing with you again, and rightly so.

### Scorpio

(Oct 24-Nov 22)

One-on-one attention makes people bloom. Shyer types come into focus for the group at large when you concentrate your intense magnetism on them. You

have such conviction that people see what you see too.

### Sagittarius

(Nov 23-Dec 21)

It's time to protect your personal space from pushy types who don't understand the concept of boundaries. Being nice just to avoid confrontation never helps. Be brave and prepare to tell them what you need.

### Capricorn

(Dec 22-Jan 20)

Someone insists on barging into your private time. It's up

to you to politely but strongly suggest that they move on. You have big plans to make, and you need to focus your energy on your next few moves.

pLitterTM. The hotline provides a way for Tennesseans to report people they witness littering along the state's roadways, such as a person throwing a paper cup or cigarette butt out of a window, or an item falling from an unsecured load.

Citizens who witness a litter bug in action can call 1-877-8-LITTER (877-854-8837). Callers will reach a recording that asks them to provide information about the vehicle. The information that will be requested includes:

- \* license plate number (Tennessee plates only)
- \* type and make of the vehicle
- \* day and time the incident occurred
- \* location where the incident occurred
- \* the type of item tossed or blown from the vehicle

TDOT will mail a letter to the registered owner of the vehicle along with a StopLitterTM car trash bag or portable ashtray and other anti-litter information. The letter is a gentle reprimand reminding the recipient that littering is against the law and punishable by a fine of up to \$1500.

For more information on the StopLitterTM program visit [www.stoplitter.org](http://www.stoplitter.org).
