## Man charged in car and foot chase

Deputy Marty Stanley LCSD was on patrol when he observed a black Honda Civic circle the area of Martel Road and Shaw Ferry. Upon following the vehicle the officer noticed the vehicle was driving on top of the center yellow lines and initiated his blue lights on Lakeview Road at the railroad tracks.

## Safety

remind drivers to celebrate responsibly, whether they are on the road or on the water.

The collaboration between the agencies was announced during a news conference held Tuesday morning (July 1) at Elm Hill Marina on Percy Priest Lake. TWRA Boating Chief Ed Carter was among the conference's speakers along with Col. Mike Walker (THP), Director Kendell Poole (GHSO), and Chief Ronald Serpas (MNPd).

The July Fourth holiday again promises to provide one of the year's busiest boating weekends on Tennessee waters. TWRA wants to emphasize the use of life jackets and responsible use of alcohol while boating, especially during this holiday weekend.

It is important to consider the effects of drinking and driving whether on water or land. In a boat on the water, consuming one beer is equivalent to drinking three beers

on land because of external stressors such as engine vibration, wave motion and glare from the sun. Operating a boat with a Blood Alcohol Content of .08 or higher is illegal in Tennessee, the same as operating a motor vehicle.

TWRA's Boating Chief Ed Carter

"We urge boaters to plan ahead to assure a safe enjoyable day on the water," said Ed Carter, TWRA Boating Division Chief. "Choose a designated boat operator and driver. No one walks away from a boating accident. BUI/DUI - both are bad news."

Eighty-nine percent of Tennessee boaters trailer their boat. This means that most boaters transition from the boat to the car for the drive home and is one of the reasons for this multiple agency approach toward a safer holiday.

Wearing a life jacket

is the single most effective way to protect boaters and reduce drownings in boating accidents. Eighty percent of those who drown in boating accidents were not wearing a life jacket.

So far in 2008, there have been 70 boating accidents reported that have resulted in 11 fatalities and 28 injuries. Two fatalities from the past weekend of June 27-29 are under investigation. TWRA officers have issued 59 citations for BUI in 2008. Through the same period in 2007, 90 accidents were reported with seven fatalities and 40 injuries. Over a five day period last year, the July Fourth holiday saw 11 accidents with two fatalities and five injuries.

Over the 2008 Memorial Day weekend, there were 13 reported accidents with one fatality and four injuries. Officers arrested 26 for BUI.

## Finley

The vehicle used its turn signal indicating it would stop but continued on Lakeview Road toward Beals Chapel Road. After traveling through the sharp curves the vehicle sped up in an attempt to evade the traffic stop.

The officer turned on his siren and the vehicle continued on Lakeview Road and turned onto Beals Chapel Road. The vehicle was traveling all over the roadway and the driver finally crashed the vehicle on Beals Chapel Road.

The driver fled the crash scene on foot and the three other occupants of the vehicle were detained at the scene.

A search of the area was conducted and the driver was nowhere to be found. After an interview and statements, the other occupants of the vehicle identified the driver as Jason Finley. The other occupants, one adult and two juveniles were placed in imminent fear of injury or death because

of Mr. Finley's actions while trying to evade arrest.

A check through NCIC showed Finley to have a revoked license as well.

Jason Ray Finley, 26, of Coster Road, Knoxville, was charged with felony evading arrest (vehicle), felony reckless endangerment, evading arrest (foot), and driving on revoked license.

Deputy Marty Stanley LCSD made the arrest.

## Police Beat

Brenda H. Bush, 48 of Matlock Road, Loudon, was charged with bad checks.

Officer Jeremy Dishner, LCPD made the arrest.
