# August 2009 Loudon County Grand Jury Report

*The Loudon County Grand Jury report is an exact copy of the one received from the Loudon County Circuit Court office. A no bill means there was not enough evidence to indict the accused. A resubmittal is a case that has been presented again generally for some type of correction. A dismissal is a case that has been dismissed. A true bill means there was enough evidence presented to the grand jury for the accused to be brought to trial and a continued on bound over docket means the case is still pending and will be presented at a later date.*

## Gibson

Jimmy Michael Gibson II, 25, Whitewing Road, Lenoir City was charged with evading arrest and theft of a license plate.

According to records, Patrolman Jason Felts, LCPD responded to Captain D's in reference to a theft of a license plate. The complainant advised Officer Felts a man who was eating at Panda Buffet saw another man in a charcoal gray Ford F-150 pull into the parking lot of Captain D's and steal the license plate off her Volkswagen Bug.

After a check of the area, the officer found a vehicle on Town

Creek Road at a horse farm that matched the description. Officer Felts went back to the Panda Buffet and made contact with the witness and he followed him back to the horse farm and identified the truck as being the same one used in the theft.

Records indicate two people at the horse farm advised the person using the truck, Mr. Jimmy M. Gibson II, was behind the building in the weeds.

After a check of the area by Officer Felts, Officer R. Bowman and Sgt. Lynette Ladd, LCPD, Mr. Gibson was located and arrested by Patrolman B. Gen-

try, LCPD on Old 95 at Dotson's Produce.

Patrolman Felts made contact with Officer Gentry and transported Gibson to Loudon County Jail.

## Seasons

TWRA has also recommended using the maximum number of days allowed for goose hunting seasons.

The proposals will be presented to the Tennessee Wildlife Resources Commission at its Aug. 20-21 meeting to be held at Paris Landing State Park. TWRA recommends the Statewide

Zone duck hunting seasons to be held Nov. 28-29 and Dec. 5-Jan. 31 while the Reelfoot Zone will be held Nov. 14-15 and Dec. 5-Jan. 31. The recommendations will maximize the number of weekends open to duck hunting and will end on the latest date allowed (Sunday, Jan. 31).

Habitat conditions in the Prairie Pothole

region of the United States and Canada were greatly improved over last year and duck populations were also improved. These conditions allow Tennessee to have the option to select a 60-day duck season.

The U.S. Fish and Wildlife Service has offered a full season with no closed or partial seasons.

TWRA recommends the maximum USFWS frameworks regarding duck bag limits. A daily bag limit of 6 ducks may include no more than: 4 mallards (no more than 2 of which may be a hen), 3 wood ducks (during the late waterfowl season only), 2 scaup, 1 pintail, 1 canvasback, and 1 black duck. The daily bag limit of merganser would be 5, only 2 which may be hooded mergansers.

The USFWS has allowed a 4 mallard bag limit (2 of which can be a hen) for the past 11 years under the Adaptive Harvest Management framework. Waterfowl populations have increased and decreased over that time based on wetland conditions but have not shown any relationship to harvest by hunting over that time period.

For goose hunting seasons, the agency has again recommended the maximum number of days allowed and within in the Federal frameworks. Goose seasons are set as late as Federal frameworks allow in order to take advantage of any migratory geese that may be available in late winter.

Season dates for Canada geese are Oct. 3-Oct. 9 and Nov. 28-Jan. 31 in the Statewide Zone. In the Northwest

Zone, the dates are Dec. 5-Feb. 14. The daily bag limit is 2 per person.

The white-fronted goose season runs statewide from Dec. 5-Feb. 14. The daily bag limit is 2 per person. Season dates and bag limits for light geese (snow, blue, Ross) are similar to last season with a shift for the calendar. The standard season will run from Nov. 25 through Feb. 14.

Federal Conservation Order provisions allow the use of electronic calls and unplugged shotguns for the Feb. 15 through March 10, 2009 portion of the season. The daily bag limit of light geese is 20 per person.

The youth waterfowl season would also be similar to last year with only a calendar shift. For youth ages 6-15, the Statewide Zone dates are Feb. 6-7 while the Reelfoot Zone would be Feb. 13-14.

The driver, Mr. Alfaro has no license. Officer B. Gentry, LCPD made the arrest.
