year old daughter, who were all locked in a bedroom.

Worley was trying to get in the bedroom and was stabbing the

door with the knife, reportedly stating he was going to kill them all.

Corporal Estes reported when he arrived on scene he could see through the

front glass door and saw a man standing at the bedroom door with a silver knife in his right hand. The man was making threats to the people behind the door.

The officer gave several loud verbal commands to put the knife down and the man, later identified as Benny Lee Worley, became belligerent toward Corporal Estes and started walking towards him, saying he was going to kill 'him' with the knife.

The lawman pulled his duty weapon and pointed it at Worley and gave several more loud commands to drop the weapon, and Worley would still not obey commands, telling the officer to just shoot him.

The lawman went to the yard while Worley was standing in the doorway with the knife in his hand,

and sprayed him with pepper spray, then took the knife from Worley's right hand.
