Fraudsters Target US Stock Investors through Investment Clubs Accessed on Social Media and Messaging Applications

The FBI warns the public about criminals targeting US stock investors through social media platforms and messaging service applications (apps). The scheme, known as a "ramp-and-dump" stock manipulation, targets US investors through online engagement, often via social media advertisements or messages promoting an "investment club" of fellow investors, some of which may be bots or fake accounts. These promotions typically direct victims to secure messaging apps where the group operates. To appear credible, perpetrators may impersonate legitimate brokerage firms

THP

Shaniece Hundley, 50, Lay Avenue Knoxville, was charged with, DUI.

Trooper Sherman THP, observed a white 2008 Nissan Sentra on I-75 around mile marker 76, displaying TN license plate: DP04654. The vehicle failed to maintain its lane when its passenger side tires crossed the right shoulder of the road.

Upon seeing the violation, a traffic stop was initiated and the vehicle came to a stop on the right shoulder. The vehicle was occupied by a female driver and juvenile passenger sleeping in the rear passenger seat. The driver was identified and participated in field sobriety tests. Furthermore, the driver was identified to have a suspended license with previous FTA

history. The driver contacted her mother to arrive to the scene of the traffic stop. This was allowed by his discretion, as well as to bring an additional person, with the intent to have a licensed driver pick up the Nissan Sentra following the driver's arrest so that it would not be towed.

The mother of the detained driver arrived on scene and was identified by her Tennessee driver's license as: HUNDLEY, SHANIECE. When she arrived, the trooper could immediately smell the strong odor of an alcoholic beverage emanating from her person and she maintained watery eyes. She informed the trooper that she consumed alcohol earlier in the evening and agreed to participate in voluntary field sobriety tests. She did not complete the sobriety tests as a sober person would and verbally informed

the trooper that her impairment 1 was a 4 out of 10, with 10 being the most impaired she has ever been on the scale, thus indicating that she was impaired by alcohol. While on scene, she became increasingly belligerent and slurred her speech. Based on

her performance on the sobriety tests, odor of alcohol coming from her person, admission to consuming alcohol, and her self-identifying as being impaired on a scale of 4 out of 10, probable cause was established that she was driving under the influence.

Jonathan Gunther, 38, Rausin Road Philadelphia, was charged with, False Reports/Statements.

Deputy Brockwell LCSO, arrived at Rausin Road for a physical domestic. Dispatch notified the deputy that a male, Jonathan Gunther (offender/victim) called in and stated that his wife (offender) knocked his glasses off his head.

Jonathan then hung up the phone and all dispatch heard was a female screaming before the call ended. Dispatch tried to call Jonathan's phone multiple times, but every time they did it went straight to voicemail. After they made contact with Jonathan, he stated that he did not call and has

been in his room all night playing video games. He stated that one of his friends called because his wife was trying to argue with him when he was playing his game. He also stated that he could not hear the deputies due to him being in the shower. The deputy asked Jonathan what

his phone number was, and it matched the same number that called into dispatch. Dispatch also sent the deputy the recording of the call, and during this call you can hear Jonathan tell dispatch that his wife knocked his glasses off of his head. When we let Jonathan listen to the recording, he told us that he was the one who called. He also states in the recording that his wife's name. Jonathan was arrested for false statements due to him lying and giving the deputy misleading information. Jonathan was transported to the Loudon County Detention Facility. This did happen in Loudon County, TN without further incident

Charged

Hitt had grabbed the victim by the throat and yelled at her while she was on the couch. The friend and stepson ran into the house, tackling Mr. Hitt to the ground and striking him with punches and kicks to get Ms. Ramsey outside. The neighbor/victim 2 was outside and heard the commotion and came over to

check on the victim. Victim 2 then confronted Mr. Hitt who then struck her in the left cheek with his fist. The friend and stepson stated that the adults had been drinking, and it usually makes them argue. Victim 1 stated the argument began because she asked Mr. Hitt to get off the gaming console and spend time with family. Victim 1 did have red marks on the right side of her neck. Mr. Hitt who initially spoke with officer Butler kept repeatedly stating that it was an act of God and sticking his arms out as in asking for handcuffs to be placed on him. Officers determined Mr. Hitt to be the primary aggressor.

Officer Green 429 then walked inside and placed Mr. Hitt into custody and transported him to the Loudon County Jail. While enroute to the jail Mr. Hitt became very belligerent and irate towards the officer. No further incident occurred. All the above did occur in Lenoir City, Tennessee. Knox County Warrant # C1531049

Charged

Lorenzo Jordan, 59, Swan Drive Georgia, was charged with, Simple Possession x2.

Officer C. Fine LCPD, was on routine patrol when he observed a vehicle in the north-bound exit turn lane to I-75 with its hazards on obstructing a lane of travel. The officer then initiated a traffic stop on the vehicle due to the state that it was in. Upon making contact with the driver, identified as Jordan Lorenzo Jurod, it was apparent that he was sweating, his eyes were bloodshot, and his pupils

were pinpoint. Jordan was also acting very erratic. The officer then ordered Jordan out of the vehicle to speak with him about his demeanor, to which he complied. Once out of the vehicle, the officer asked Mr. Jordan if there was anything illegal in the vehicle to which he claimed there was not, and he gave Officers consent to search his vehicle. While searching the vehicle, Officers located on the driver side floorboard two broken pieces of glass which appeared to be burnt seeming to be part of a pipe used for recre-

ational use of narcotics. Further into the search between the center console and the passenger seat, Officer C. Fine, located two small clear baggies, both containing what appeared to be a white powdery substance weighing approximately .99 grams including small baggies. Also, between the center console and the passenger seat was a white crystal-like substance in rock form weighing approximately .24 grams. Both the baggies of powder and rock were tested with the TRUNARC drug analyzer resulting in the

baggies testing positive for Cocaine HCL and the rock testing positive for Crack Cocaine. Located in the trunk, was a clear baggie which was twisted at the bottom to which Sgt. Ketner stated is known to be used to package narcotics. Based on the evidence of narcotics located, Jordan was placed into custody and transported to the Loudon County Jail without further incident. Jordan's vehicle was towed by moneymakers via Officer request. This did occur in Lenoir City, Loudon County TN.

Horoscopes

you will get it at all. This could be a classic case of getting worked up over nothing.

Leo 7/23-8/22

You could suddenly experience an overwhelming wave of affection for someone you've just met, Leo, perhaps a potential romantic partner. Fantasies of the future could waft in and out of your mind. This should feel wonderful in one sense, yet it could also bring up all your doubts and insecurities.

Virgo 8/23-9/22

New ideas for increasing your income, particularly if they involve extra work, could suddenly seem vague and uncertain today, Virgo. Doubts and insecurities could sabotage the plans you were so ready for yesterday. Don't let this happen.

Libra 9/23-10/22

Romance may be very much on your mind today, Libra, though not necessarily in a positive way. Doubts and insecurities

could take over your thoughts. Does a current or potential romantic partner share your feelings? Direct communication with the one in question could be premature, so it might be best to try to remain objective and judge the situation accordingly.

Scorpio 10/23-11/21

Brusque words or a lack of cordiality from a friend or colleague might have you wondering if this person is angry with you, Scorpio. Don't let your insecurity make you crazy. This person probably just has problems of their own on their mind.

Sagittarius 11/22-12/21

Someone could call and want to share some troubles with you, Sagittarius. Your sensitivity and compassion may attract more than one unhappy person in need of sympathy and advice. While this is flattering, it could be a bit of a drag as well. You aren't likely to turn these people away.

Capricorn 12/22-01/19

Uncertainty about money could

plague you today, Capricorn. You might have doubts about income now, particularly if you're self-employed. Be careful not to make yourself crazy. Your insecurity might cause the situation to seem even more serious than it really is. Try to be objective.

Aquarius 1/20-2/18

A love partner may seem too quiet, Aquarius. Perhaps you haven't heard from your friend for a day or so. If you let it, this could start your doubts and insecurities, causing you to wonder if this person still cares or if they're gone forever. Try to remain objective.

Pisces 2/19-3/20

Possible ideas for artistic projects could come to you, Pisces, though some of them may be vague and not yet ready to manifest. You may seek to express your spiritual side through artistic activity, but might not quite have a handle on how to do it. Don't force it.

Aries 3/21-4/19

A close friend or romantic partner may seem in a rather quiet mood, Aries, and disin-

clined to communicate with you. You might wonder if this person is angry with you or if you've said or done something that wasn't OK. It's likely that what's bothering your friend has more to do with work, family, or money than with you. Just make it clear that you're there if needed.

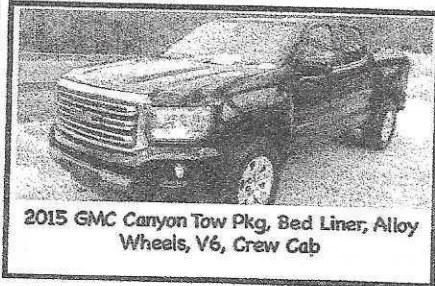

Taurus 4/20-5/20

The possibility of your pursuing new career opportunities, perhaps with more pay, might cause doubts and insecurities among family members, Taurus. They could be afraid that you will have less time for them. It's important that you reassure them, as their worries might escalate if you just let it slide. Make it clear that you're still there for them.

Gemini 5/21-6/20

Worries about a relative who lives far away might plague you today, Gemini. The situation isn't helped by the fact that you may not be able to reach them by phone or email. You may have to contact mutual friends who can give you the information you need.
