The Lenoir City Police Chief, Don White, was made aware on Monday, July 16, 2007, that an inappropriate video was submitted to the internet site, www.youtube.com. Upon review of the video, it was determined a Lenoir City Police Department internal investigation was warranted.

As a result of the investigation, it was determined that a breach of city work rules and policies were committed and that Mr. Marc Grossbard would be immediately relieved of his duties as a police officer for Lenoir City. During the course of the investigation, Mr. Kevin Walker submitted his resignation, citing personal reasons, which was accepted by Chief Don White.

Lenoir City regrets the unfortunate events that precipitated the investigation, but this matter has been fully reviewed and closed.
