

SHAME ON FORT LOUDON MEDICAL

For Desecration of the American
Way of Life

Shame on Fort Loudon Medical, which is a facility of Covenant Health, for contributing to the erosion of area standards for East Tennessee Carpenters. Mid-South Carpenters Regional Council has a labor dispute with The Wakefield Corp. which is a subcontractor currently working on a Covenant Health Jobsite. The Wakefield Corp. does not meet area labor standards, including providing or fully paying for family healthcare for all of its carpenter craft employees. The Wakefield Corp also has a record of using unscrupulous Labor Brokers who exploit undocumented workers.

Mid-South Carpenters Regional Council objects to substandard employers like Wakefield working in the community. In our opinion the community ends up paying the tab for employee health care and for taxes not being paid by undocumented workers. These actions tend to lower general community standards, thereby encouraging crime and other social ills.

Mid-South Carpenters Regional Council believes that Covenant Health has an obligation to the community to see that area labor standards are met for construction work performed on their jobs.

PLEASE CALL COVENANT HEALTH AT (865) 531-5555 AND TELL THEM THAT YOU WANT THEM TO DO ALL THEY CAN TO CHANGE THIS SITUATION AND SEE THAT AREA LABOR STANDARDS ARE MET FOR THEIR CONSTRUCTION PROJECTS.

The members and families of the Mid-South Carpenters Regional Council thank you for your support. Call (888) 234-2990 for further information.

WE ARE NOT URGING ANY WORKER TO REFUSE TO WORK NOR ARE WE URGING ANY SUPPLIER TO REFUSE TO DELIVER GOODS.
