Sex Offender

Preston Mills, 20, Hendricks Loop Madisonville, was charged with DUI, Violation of Implied Consent, Driving on Roadways Laned for Traffic, and Open Container.

Sgt. Rogers LCSO, observed a flat bed Dodge Ram truck failing to maintain it's lane while on Fork Creek Rd. At one point the vehicle was completely in the oncoming lane of travel. Once the driver corrected the vehicle it traveled into the oncoming lane 3 more times between Calloway and Steekee Creek Rd, the driver also violently jerked the truck back when it nearly ran off the roadway. Deputy initiated a traffic stop in the area of Steekee Creek Rd and there was no change in the driving behav-

ior. The driver then continued several hundred yards before braking and coming to stop. Upon contact with the driver, Preston Mills, he was leaning away from the window and was attempting to not make eye contact. When Mr. Mills did look at, and speak with this Sgt, he observed nystagmus in his left eye and smelled a strong odor of an alcoholic beverage coming from his person. Mr. Mills did have slow thick speech and blood shot eyes. After telling Mr. Mills that Deputy had initiated the traffic stop before Steekee Creek Rd Mr. Mills advised he did not see my lights because he was using his phone. Mr. Mills originally stated he had not consumed anything to drink but when

advised alcohol was smelled, Mr. Mills then stated he had drank at least six beers while at a friend's house in Philadelphia. Mr. Mills further stated on a sobriety scale of 0-10, he believed he was a "4 or 5". Deputy did observe 5 open beer cans within the truck that Mr. Mills had advised were there. While speaking with Mr. Mills he

voluntarily stated Deputy know you have a job to do, Deputy understand, just do it. Mr. Mills was taken into custody for DUI and read TN Implied Consent to which he replied "f&&k it, no lets just go to the jail." Mr. Mills was transported to the Loudon County Jail. Said did occur in Loudon County, TN.

Bryant Aguilera, 27, Mulberry Street Loudon, was charged with, Violation of Probation, Man/Sell/Del/Resale Sch. II, and Criminal Impersonation.

According to the report, Officer Parmer LCPD, was dispatched to Town Creek Village Apartments, Cory Drive, in regards to a suspicious vehicle. The complainant, a resident at the apartment complex, advised Central Dispatch that approximately an hour ago, a male knocked on his door, asking to speak with a female named Anna.

The complainant advised the male that the person he was asking about did not live there. The male in question then went back out to the parking lot to his blue Lin-

coln Navigator, bearing TN tag 008BGYK, and moved parking spots multiple times. Officer arrived on scene and observed the vehicle in question. Officer ran the tag on the vehicle to which is came back not on file. Officer made contact with a male in the driver seat, who was fidgety, nervous, and appeared to be under the influence.

The report further noted, Officer asked for the male's name and date of birth to which he gave him the wrong birthdate and name, however, when ran through NCIC, that name and DOB came back not on file. A request to search the vehicle was asked to which the male consented. Inside of the vehicle, officers located a clear bag, between the driver seat and center console, containing 3.57

grams of a white, powdery substance, which appeared to be cocaine.

Officers also located a wallet containing a folded up \$1 bill, containing 1.04 grams of a white, powdery substance, which appeared to be cocaine, as well as an ID with the name Bryant Ramirez Aguilera.

The ID picture matched the

subject which we were out with and when ran through Central Dispatch, Mr. Aguilera came back with a VOP out of Loudon County Criminal Court (2019-CR278).

Mr. Aguilera was subsequently arrested and transported to Loudon County Jail without incident.

The above did occur in Lenoir City, Tennessee.

Horoscopes

on the practical aspects of finances, Aquarius. A keener mind combines with enhanced intuition to give you a special edge when it comes to making decisions on everything that concern money, so make the most of it while you can. Connect with the people you love tonight.

Pisces 2/19-3/20

Have you been thinking about attending a seminar of some kind, Pisces, perhaps business related? You and a partner might go together. This is a good time to do this, as your thinking is particularly clear and retentive and you find it easier than usual to concentrate. Discussions with your partner afterward could be the icing on the cake. Tomorrow you will feel like you can take the world by storm.

Aries 3/21-4/19

Have you been working hard to attain optimal health, Aries? If so, you may suddenly notice that your efforts are finally bearing fruit. You should feel especially fit and strong, though maybe a little lightheaded. You will want to increase your exercise, and you have the discipline to do so. Make the most of this drive while you can. Push yourself as hard as you can without stressing out.

Taurus 4/20-5/20

A long-term love relationship may finally reach the point of total commitment, Taurus.

Intense feelings and words of love could suddenly come from your partner, which could take you by surprise but are no less welcome for that. Talk of a future together may result, but no concrete decisions will be made. Nor should they be. Don't push it. Bask in the glow of the promise of lasting love.

Gemini 5/21-6/20

A meeting, perhaps related to finances, might take place at your home, Gemini. For the most part, the meeting will go well and you will accomplish what you want. Communication flows freely and agreements are easily reached. Bear in mind that someone has an agenda of their own that might not correspond with the interests of everyone else. Avoid discussing anything that should be kept confidential.

Cancer 6/21-7/22

If you're into writing, Cancer, this is the perfect day to sit down and churn out the words, even if it's only a letter to a friend. Your imagination is especially vivid, your expression clear and understandable, and your vocabulary skills especially acute. If this is a thesis or article, you may spend hours on it. Don't worry. It will be that much better for it.

Leo 7/23-8/22

Do you have some paperwork regarding money that you've been putting off, Leo? If so, this is a good day to get it

out of the way once and for all. Your mind is especially sharp and your concentration strong, so you're less likely to be distracted or make mistakes. Take care of it first thing in the morning and then you can forget about it.

Virgo 8/23-9/22

Have you wanted to catch up on your reading, Virgo? If so, this is definitely a good time to stay home, make yourself some tea, and curl up with a good book. If it's a novel, you will enjoy it thoroughly. If it's nonfiction, you will absorb the information quickly and retain more. If you're into writing, you might want to apply what you learn today to your own project.

Libra 9/23-10/22

Intuition and imagination combine with good common sense to enable you to accomplish just about anything today, Libra. If you're into the arts, ideas could come to you in profusion. It will be easy to bring them into reality with a stroke of the pen or brush. The only problem might be deciding among them. It might be a good idea to sequester yourself and concentrate on your work.

Scorpio 10/23-11/21

Conversations with friends take on a more serious note, Scorpio. Spiritual matters and beliefs could come up, as could the more pressing mundane details of life. Whatever is discussed today could

bring to the surface new ideas for making whatever you're working on move smoothly and quickly to success. Metaphysical ideas seem clearer and more down to Earth. Treat your friends to a nice meal.

Sagittarius

11/22-12/21

In case you're surrounded by a lot of people today, you can look forward to a very harmonious day, Sagittarius. Your sensitivity is higher than usual, so you will be better able to understand others and be understood as well. As a result, you add another bond to your relationships, which will create happiness and joy in your heart.

Capricorn 12/22-01/19

Learning comes easily to you, Capricorn, as your mind is especially sharp and retentive. Your intuition is usually high, but today it's especially acute, as is your concentration. Therefore, this is a great day to read or work on an art project. Set aside some time alone to contemplate. It may help you on a very deep level.
