Carter County Audit Details Poor Accounting Practices

The annual audit of Carter County government indicates significant weaknesses in the Office of the Finance Director.

The fiscal year 2022 audit includes a total of 11 findings, six of which outline deficiencies, areas of noncompliance, and material weaknesses in the finance department.

The county's financial statements were

in such disarray that auditors had to perform numerous, time-consuming procedures to correct them. The failure to properly maintain accounting records results in a loss of budgetary and accounting control and increases the risk that errors will not be discovered and corrected in a timely manner.

Auditors also noted budget issues such as expenditures exceed-

ing the appropriations approved by the county commission; a failure to maintain accurate capital asset records; and purchasing deficiencies.

Additionally, the audit report includes several findings in the Solid Waste department related to accounting functions, computer system

Jail

The Loudon County Detention Facility has received its 2022 jail certification from the Tennessee Corrections Institute (TCI). This certification acknowledges the facility's compliance with TCI standards for the operation of local correctional facilities. The inspection was conducted in 2022.

The Tennessee Corrections Institute conducted a thorough inspection of the Loudon County Detention Facility, examining all aspects of the facility's operations, including administration, security, inmate services, and sanitation. The certification

process is an ongoing effort to ensure that local correctional facilities provide safe and humane conditions for those in custody.

"The safety and security of our inmates, staff and community is our number one priority," said Sheriff Jimmy Davis. "This certification once again is a reflection of the hard work our staff puts into this facility to ensure the highest standards are met."

Reckless

On Saturday Sergeant Detective Kevin Kirkland along with Corrections Staff helped a local Girl Scout Troop earn their detective badge.

The Girl Scout Troop went over different different ways to fingerprint. Each scout fingerprinted themselves as well as pulled prints off of a chair. After their fingerprint class with Detective Kirkland they were given a tour of the Loudon County Detention Facility from Sergeant Brad McCall and Corporal Matt Chambers.

"We are extremely thankful to be able to provide a glimpse into what our deputies do each day and the hard work they put into their jobs" said Sheriff Jimmy Davis. "It's great to see Detective Kirkland and our Corrections Staff providing mentorship and training to our local Girl Scout Troop." Thank you Sergeant De-

tective Kevin Kirkland and Corrections Staff and congratulations to all who earned their detective badge!

CC backup procedures, and not reviewing software audit logs that identify changes and deletions by system users.

The audit discloses the Offices of the Solid Waste department and Director of Schools are currently being investigated. Findings, if any, will be included in a separate report.

“Carter County officials, commissioners, and the audit committee should carefully examine these findings and take the necessary corrective action,” said Comptroller Mumpower. “Significant steps must be taken in the finance department in order to improve operations and accountability.”

Events beyond your control may necessitate repairs to your home or yard, and some may seem overwhelming, Taurus. Don't panic! This could produce desirable results in the long run.

Gemini 5/21-6/20

A rather unsettling communication could cause you to dwell on the negative side of whatever you learn, Gemini. Don't fall into this trap. The positive side will become more apparent as the day wanes. You might decide to purchase some new equipment to enhance your communications, perhaps a phone or new computer. Try not to spend too much of your day learning how to use it!

Cancer 6/21-7/22

Unsettling developments regarding money could cause some upset, Cancer, but they'll be resolved by day's end. You could lose and find your

wallet or bank errors could prove to be its fault and not yours. Someone you thought you knew well could show a darker side you haven't seen before and cause you to reevaluate your involvement with that person. This is a great day to resolve inner issues.

Hang onto your optimism.

Virgo 8/23-9/22

Today represents the start of a period of endings and new beginnings in your career, Virgo. You might be leaving an old job for a new one or advancing to a new position with your current employer. Libra 9/23-10/22

Your sense of adventure is in full

swing today, Libra. New and unusual pastimes, travel to exotic places, meeting new and interesting people - all should be on your mind. Friends could call to propose enticing last-minute excursions. Go! You need an outlet for this feeling or your nerves might be on edge for several days.

Scorpio 10/23-11/21

Sudden personal or professional change could come your way, Scorpio. Perhaps you will get a new job opportunity. Perhaps you will meet someone who will change your life. This is a day to savor good luck and new beginnings. They show promise of lasting for a while. Relax and enjoy your optimism and enthusiasm for the future.

Sagittarius

11/22-12/21

You might contemplate a change of residence, or at least a change in household. Someone could move out or move in. Travel might be on your mind. You could decide to plan a trip by air either out of state or out of the country. These changes imply expansion not only in your worldly life but also within. Go with the flow.

Capricorn 12/22-01/19

sional advancement, Capricorn. You might come to a new understanding with colleagues or you could get some state-of-the-art equipment that enables operations to run more smoothly. Romantic relationships improve, perhaps because of increased communication. Your intuition can give you an edge when dealing with others.

Aquarius 1/20-2/18

You may feel a little upset and somewhat depressed by a temporary separation from a loved one. As a result, you might throw your energy into creative projects. The results could show a power and intensity that you don't usually expect. Children and young people could benefit from your advice and guidance now, Aquarius, so don't be afraid to give it. Just express yourself clearly.
