An investigation by the Tennessee Comptroller's Office, working in conjunction with the Tennessee Bureau of Investigation, has resulted in the indictments of Witt Utility District manager Benjamin Harris and his brother, Joseph Harris, who serves as

the district water treatment operator.

The investigation covers the period July 1, 2021, through March 15, 2023, and outlines a number of findings. Some of these include:

Benjamin Harris misappropriated at least \$12,000 by paying a contractor with district money to install a new roof and gutters on his personal

residence.

Benjamin Harris received questionable overtime payments of at least \$67,392 from January to August 2022. Investigators found no documentation to support this work. During this eight month period, Harris was paid for an average of 18.65 total daily hours worked

DUI
 Kelly Wright, 38, Riden Road Greenback, was charged with, General Session Capias x2, DUI, Driving on Revoked/Suspended License, Violation of Implied Consent, Poss. of Drug Para., and Man/Sell/Del/Resale Sch, II.

Deputy L. Hawkins LCSO, was dispatched to the intersection of McGhee Road and Trigonía Road about a female asleep at the wheel. The caller, was traveling home when he observed a white

Dodge Ram truck stopped at the intersection of McGhee Road and Trigonía Road. A short time passed and the vehicle did not move. Complainant approached the vehicle and observed a female asleep in the running truck. Deputy arrived on the scene and the Fire Department had the female awake. Fire units advised Deputy when they arrived, the vehicle was in drive and she had her foot on the brake. This female was identified as Kelly Wright. She uttered "I'm sorry. I

took hydrocodone and fell asleep." Her information was given to dispatch and they advised me she had two confirmed active warrants from General Session, #53GS1-2021-CR-1185 and #53GS1-2022-CR-1104. Dispatch also advised that Mrs. Wright has a suspended driver's license. Deputy observed a red cut straw in the driver's seat and Mrs. Wright advised that it was hers. A search of the vehicle was conducted and inside a purse on the center console, narcotics were found. A plastic bag in this purse contained .3g of a powdered substance believed to be fentanyl. A folded-up piece of tinfoil contained .4g of a powdered substance believed to be fentanyl. Also in this bag was a glass pipe with burnt residue on it. Mrs. Wright advised that his bag is not hers, but inside the bag was an EBT food stamp card with "Kelly

Wright" written on the front of it. Kelly advised that her EBT card was in that bag because she sold it to a female named "Kim" and Kim was in the vehicle on this date, and forgot to get her purse out. Mrs. Wright could not provide a last name for Kim. She was taken into custody and transported to The Loudon County Jail. During transportation, Mrs. Wright uttered, "I could have killed someone." "I never drive like this." When reading Implied Consent to Mrs. Wright she stated, "Is this to prove if I'm on drugs?" Deputy replied, "Yes, it's evidence of the crime." She replied, "Don't we know that already?" Mrs. Wright refused to provide a sample. When Deputy arrived at the Jail, S.F.S.T. and A.R.I.D.E. were conducted, and Mrs. Wright performed poorly. All of the above did occur in Loudon County, Tennessee.

(5-day work week).

Benjamin Harris purchased concrete with district funds, and he used a portion of it to construct a small porch on a board commissioner's farm.

Benjamin and Joseph Harris used the district's bobcat to perform work at a private business.

On multiple occasions, Benjamin Harris traveled in a district-owned truck to a sports bar in Knoxville after normal working hours. Harris admitted to consuming alcoholic beverages during these visits.

Employees of the district worked on their personal vehicles in the district's maintenance garage.

Investigators questioned the use of \$5,243 in district funds that were spent to purchase items such as food, fuel, and supplies that were not supported with itemized receipts or documentation.

The district did not solicit competitive sealed bids for multiple purchases and projects.

Based upon this investigation, on May 15, 2023, the Hamblen County Grand Jury indicted Benjamin Harris for one count of theft of property over \$10,000, one count of theft of property of \$1,000 or less, and three counts of official misconduct. Joseph Harris was also indicted on one count of official misconduct.

"Our investigators have noted numerous deficiencies within this utility district that require corrective action," said Comptroller Mumpower. "The board failed in its fiduciary responsibility to ensure the best use of funds for projects and failed to provide adequate oversight of manager decisions, operations, and expenses."
