Florida Woman Pleads Guilty to Felony Charge For Actions During Jan. 6 Capitol Breach

A Florida woman pleaded guilty on Monday, June 26, 2023, to a felony charge related to the breach of the U.S. Capitol on Jan. 6, 2021. Her actions and the actions of others disrupted a joint session of the U.S. Congress convened to ascertain and count the electoral votes related to the presidential election.

Corinne Montoni, 33, of Lakeland,

Florida, pleaded guilty in the District of Columbia to one count of Civil Disorder, a felony offense. U.S. District Court Judge Royce C. Lamberth scheduled a sentencing hearing for September 28, 2023.

According to court documents, on Jan. 6, 2021, Montoni unlawfully entered the Capitol through a broken door next to the Senate wing door on the west side of the building.

After entering, she proceeded through the building, making her way to the Capitol crypt. While inside, Montoni took several videos with her cell phone, including one video posted to her Instagram account in which she states, "We're in the Capitol cuz this is our house - we paid for this, and

Verse of the Day

Andrew, Simon Peter's brother, was one of the two who heard what John had said and who had followed Jesus. The first thing Andrew did was to find his brother Simon and tell him, "We have found the Messiah" (that is, the

Christ). And he brought him to Jesus.

Robert Merrill, 36, County Road Sweetwater, was charged with Mfg/Del/Sale or Poss. of Meth, and Poss. of Drug Para.

Deputy Parks LCSO, observed a vehicle with a license plate bent upward causing it to be unreadable. Deputy initiated a traffic stop on the vehicle on Elm Street at Christian Street. Deputy made contact with the driver, and advised him of the reason for stop and gathered documents. While gathering documents Deputy asked the passengers for their name and dates of birth, and they identified themselves as Ms. Anneka Carver and Mr. Robert Merrill. I advised dispatch to run a warrant check on the

individuals and returned to the vehicle to speak with the occupants. Deputy asked the driver if there was anything illegal in the vehicle and he advised there was not. Deputy asked the driver for consent to search and he consented. Deputy asked all occupants to step out of the vehicle and asked all occupants for consent to search their person, to which they consented. While searching Mr. Merrill Deputy found a flashlight containing a baggie with a white crystallized substance (approximate field weight 1.81 grams). Mr. Merrill was detained and a female was called to search Ms. Carver. A search of the vehicle also yielded a meth pipe where Mr. Merrill had been sitting. Officer Ingram arrived on scene and a search of the female yielded a meth pipe in her groin area. Ms. Carver was placed under arrest, at which point she advised officers she had meth in her

groin. Ms. Carver retrieved a baggie containing methamphetamine (approximate field weight 1.15 grams). Both the meth and paraphernalia were bagged and both subjects were transported to the Loudon County Justice Center without incident.

Both baggies were later identified as methamphetamine by TruNarc. Both the paraphernalia and drug evidence was bagged and placed into evidence. All of the above occurred in Loudon County, Tennessee.

Guilty

they're trying to steal it from us. Let's go!"

While inside a hall of the Capitol building, Montoni was in the midst of a crowd surrounded by other rioters. Montoni and others then began to push against officers attempting to stop them from proceeding. In another video recording, Montoni can be seen yelling, "Push back! Push back!" in support of the crowd of rioters.

Court documents say that Montoni remained in the Capitol building for approximately 10 minutes before exiting. Montoni then re-entered the building at least one time, despite being aware that police were attempting to remove people from the building.

According to court documents, Montoni posted on social media throughout the day on January 6th about her experiences at the Capitol. On her Parler account, she stated in part, "WE BREACHED THE CAPITOL OMG"; "Insurrection is coming. Hold the line. Stay vigilant."; "Storming the Capitol to take back our country from traitors! This is OUR HOUSEEEEE!"; and "Here's a pretty little view from inside the Capitol at our traitor DC police, with a smashed window." On her Facebook account, she stated in part, "We are DONE with these traitors. Today, we showed them how done

we are. The Capitol building belongs to Us, we the people. This is our house... We broke a few windows, sure but we are a peaceful protect occupying the people's property."

The charge of Civil Disorder carries a statutory maximum sentence of five years in prison. A federal court judge will determine the appropriate sentence after considering all factors and the U.S. Sentencing guidelines. All charges carry potential financial penalties.

The case is being prosecuted by the U.S. Attorney's Office for the District of Columbia and the Department of Justice National Security Division's Counterterrorism Section. Valuable assistance was provided by the U.S. Attorney's Office for the Middle District of Florida.

The case is being investigated by the FBI's Tampa and Washington Field Offices, as well as the Metropolitan Police Department, with significant assistance provided by the U.S. Capitol Police.

In the 29 months since Jan. 6, 2021, more than 1,000 individuals have been charged in nearly all 50 states for crimes related to the breach of the U.S. Capitol, including nearly 350 individuals charged with assaulting or impeding law enforcement. The investigation remains ongoing.

Horoscopes

when it comes to emotional issues.

Leo 7/23-8/22

Today is an excellent day for you, Leo. Events will flow quite smoothly. The only thing to be aware of is that your emotions may seem rather erratic and unwieldy. There's a great deal of power behind your words and people are sure to listen.

Virgo 8/23-9/22

You may be indecisive today, Virgo. You may not be able to find solutions you can live with. You don't need to finalize anything now. Use this day to lay low and gather data. People may seem rather insensitive and erratic. Go with the flow.

Libra 9/23-10/22

There is plenty of air to fuel your fire today, Libra. You're able to get quite a bit done. Multitasking is key to accomplishing what you want to do. An element of the unexpected is likely to add a surprising dimension to the day.

Scorpio 10/23-11/21

You may need to make some slight adjustments in order to get through to people today, Scorpio. The pace may be a bit faster than you'd like. Remember that people aren't mind readers.

Sagittarius 11 22-12/21

Today is an excellent day for you, Sagittarius. You will receive some bursts of unexpected energy that help you accomplish whatever it is you wish to do. You should enjoy a favorable mood and good relations with others all day.

Capricorn 12/22-01/19

Things may be moving a bit too quickly today for you to grab hold of anything, Capricorn. There's an element of the unexpected entering into the equation. Be prepared. The mood of the day is especially light and perhaps a bit superficial.

Aquarius 1/20-2/18

Enjoy the day today, Aquarius. Take control of the situation and make the most of whatever comes your way. Do it with a smile. There's a great deal of fun-loving, excited energy ready for you to draw upon. Get your ideas out to others.

Pisces 2/19-3/20

Your flexible nature may get you in trouble today, Pisces. Personalities may clash when no one is willing to lead. Be aggressive without being manipulative. Keep it light. Don't try to pin anyone down. Your nature is open and expansive.

Aries 3/21-4/19

Things will flow smoothly for you, Aries. There's barely a reason for you to lift a finger. You have the good fortune of enjoying this day with very little effort on your part. Keep in mind that if you decide to get something done, you will be extremely successful and able to accomplish quite a bit.

Taurus 4/20-5/20

People aren't going to want to be quite as intense as you re-

quire today, Taurus. Things are light and airy. You may find that no one is in the mood to delve as deeply as you want to go. Use the day to relax and release control for a while. Take deep breaths and long walks. Go for a bike ride or short road trip.

Gemini 5/21-6/20

It may be hard for you to make a decision about anything today, Gemini. Things may seem wishy-washy and unclear. Don't worry about it. There is plenty of air to fuel your fire. Be aware that people may pop up from the past and unexpected events may disrupt the flow throughout the day. Best-laid plans are apt to be broken. Don't sweat it. Just go with the flow.
